

Public Hearing for rezoning of 40.42 acres on FM 1518

Citizens to be heard

1. David Rackowitz: 2817 Graytown N 30 Sq miles is only 2/10% of the property in the city. Provides the opportunity for future landowners to build on a manageable lot and retains charm of the city.
2. Donna Rouchburger: across from the land being discussed. Opposed to the creation of a subdivision across from her house
3. Wanda Polasick: 2 items to make the landowners aware of: the city of St. Hedwig has strict building codes to be built to. Wanted
4. Carolyn Williams: 47 year resident of St Hedwig in favor of rezoning. And mentioned that HEB may build at 10
5. Bretzkie: 10 - 14 Homes would be added to the property. Not homes like seen north of town
6. Droullard: these would be custom homes. This is a first step of the process to develop
7. Opposed to development and fears this will create more traffic that will create more traffic accidents.
8. Mr Jesse Arenas: Neighboring property owner, and in favor of the change in zoning.
