

About Us

The harmonic Egg is a resonant wooden egg chamber that applies specific music and different color light waves to promote the body's own natural restorative abilities.

The Bio Well scan will show the state of a persons energy field just by taking photos of your finger prints, it is an easy and non intrusive process, and it will shoe your stress levels, your energy, and ther overall state of your internal organs.

10 am - 6 pm

WEDNESDAYS
ONLY

TOGETHER the Harmonic Egg and the Bio- well Scan, will bring you a more informed overall view of your internal state; physical, emotional and even spiritual.

Based on the Bio Well findings, the light and sound provided by the Harmonic Egg can be more specifically directed towards what you need in the moment.
