December 2021

*The Thomas Henderson Place in Tenants Harbor*

## “Old Houses of St George” Will be Repeated January 27th

The Historical Society has decided to present monthly programs via ZOOM starting January 27<sup>th</sup> at 7:00pm.

The Old Houses program in October was a big hit and it generated a lot of discussion. The October meeting focused on some of the various ways to research the history of houses, and the January 27th program will talk about a few of the older houses in St George and what we know about them. The house pictured above is supposed to date back to the late 1700s, and we will share some info we’ve learned about the house, and what Tenants Harbor was like in the 1780s after the Loyalists were driven out.

The February program will be held via ZOOM on February 24<sup>th</sup> and the subject will be the village of Clark Island.

The March program will be about Albert S Bickmore, a native of St George who worked tirelessly on the founding of the American Museum of Natural History in New York City.

Stay tuned for more info...

## December Newsletter a Little Late

Apologies for the lateness in this, the last issue of 2021. The holidays took center stage.

This issue will be short, but we’ll get back on track with the January issue.

## Andrew Robinson House *Light Up St George* Winner !!

Congratulations to the Committee for the Andrew Robinson House for winning in their category for the *Light Up St George* celebration that took place the weekend of December 11<sup>th</sup>.

And a big THANK YOU to the residents of St George who took part in the celebration and made their places look so festive!!!
