The Red Paint People of Maine The mystery of our early inhabitants

Feb 23rd 2023 - Zoom Program – 7:00pm

This program is a follow-up to our January program on the Indigenous People of Maine. It is an interesting and thought-provoking review of what we know – and don't know – about this culture that existed in our area about 4000 to 5000 years ago. Their discovery and the subsequent research into their lives is a story by itself, providing answers and maybe more questions about where they came from, what they did, and where did they go?

If you would like the link for the ZOOM meeting, please send an email request to stgeorgemainehistory@gmail.com. If you miss the ZOOM meeting, you can watch a recording later on www.stgeorgehistory.com.

This program was presented in January and a video of it can be found on our website [here](#).

The March program will be a ZOOM meeting about Shell Middens and will be presented on Thursday, March 23rd, at 7:00pm, and will be the third of a series about the Indigenous People of Maine.
