### Abbreviated Version for May Newsletter

As we continue through these crazy times, we watch as each day provides us with new information as to what we should and shouldn't be doing in order to remain safe and healthy. We hope you are all being careful and safe as we continue along this uncharted path.

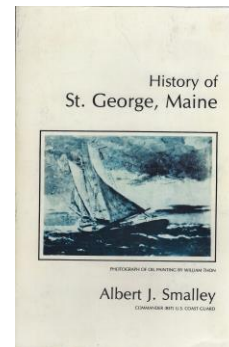

In response to the most recent guidelines we will keep the Old Library Museum closed until further notice. Current guidelines suggest that we have no more than five (5) people at a time in the building, plus we would need to be extra vigilant in keeping things clean. This doesn't mean keeping the dust down, this means the use of disinfectants to kill any germs that may be present. There is some concern that the use of disinfectants on a regular basis would have a negative impact on the historic artifacts and displays.

As things change, we will work towards the re-opening of the Old Library Museum and the sharing of the great history of this Town.

We apologize for the brevity of this newsletter. We were holding off on the distribution of it in hopes that we would have some good news, but it is patience that will keep us all going.

We will keep you informed as to any other changes. We understand that the Marshall Point Lighthouse Committee will be meeting soon to determine what they will be doing.

### Reprint of History of St George

The Historical Society is continuing with the reprinting of Albert Smalley's "*History of St George, Maine*". It will have many new old photos added to Smalley's "ramble through the town with some glimpses of its history, traditions and those who shaped its character." Copies are planned to be available in June for \$32. More info later...

### Membership Dues

Membership dues cover the calendar year from January 1<sup>st</sup> to December 31<sup>st</sup> and are \$10 / individual and \$15 / household. To renew for 2020, please send the appropriate amount to the address below – no need for a new application. ### Programs for 2020

So far this year, we have cancelled the April and May programs due to the pandemic. With the current recommendations on meetings, it does not look promising for the remaining monthly programs. We are looking at either Zoom programs or maybe putting together videos. Please let us know what you would like to see – [stgeorgemainehistory@gmail.com](mailto:stgeorgemainehistory@gmail.com)
