

CAPABILITY STATEMENT

BUTLER & GARY LOGISTICS LLC, in business since Feb 2022, specializes in over-the-road general freight transportation services. We operate a small fleet of three semi-tractors in an Interstate capacity across the Continental U.S. delivering dry van cargo with first-class service with every load. **Our goal is to build long-term relationships with shippers and become our clients' carrier of choice by offering the highest quality of customer service, integrity, and a positive problem-solving attitude.**

CORE COMPETENCIES

- ✓ General Freight Commodities (Dry Van)
- ✓ Long Distance Delivery Services Across the Continental U.S.
- ✓ Less Than Truckload
- ✓ Professional, Punctual & Reliable Service

DIFFERENTIATORS

- ✓ Shippers can track their loads real-time
- ✓ We employ a robust Transportation Management System (TMS) that supports operations
- ✓ We are organized and provide excellent professional customer service
- ✓ 20+ years of Operational & Managerial Experience
