

Recovery Partnership Employment Opportunity

**WE'RE
HIRING!**

**Immediate Opening
Part Time - (3-11 PM)
Weekend Position
Certified Peer Specialist**

**Location: Northampton County
Peer Respite program**

Position Description

Part-time position (16 hrs/week) available immediately within our Peer Respite program located in Hellertown, PA. The Certified Peer Specialist must be willing to use his/her personal experience as a current or former recipient of mental health services to provide peer support on an individual and group basis. Services provided will include community resource linkage, education, development of natural supports, modeling of recovery process and wellness management.

The Certified Peer Specialist (CPS) will contribute in a peer support capacity to facilitate recovery and enhance wellness. The CPS will serve as a role model for recovery assisting our guests in developing a plan for continued support in the community. CPS will partner with our guests in developing recovery tools and building support networks.

Recovery Partnership offers competitive wages and paid time off
