

Growth Is Still Happening

Scripture:

Romans 6:23b — *“But the free gift of God is eternal life through Christ Jesus our Lord.”*

Sometimes growth doesn't look the way we expect it to.

It's not always fast.

It's not always visible.

And sometimes, it feels like nothing is happening at all.

But just like healthy hair grows beneath the surface—quietly, steadily, and over time—God is working in you in ways you may not yet see.

This season is an invitation to slow down and trust the process.

Through Jesus, we've been given the greatest gift—new life. Not something we earn, but something we receive. And because of Him, growth doesn't come from striving harder... it comes from staying connected.

Every moment you choose peace.

Every time you pause instead of pushing.

Every quiet step of faith.

It all matters.

You don't have to rush what God is doing.

You don't have to force what He's already growing.

Just stay rooted.

Growth is happening—within you, around you, and through you.

Even now.

Reflection:

Where might God be working in your life that you haven't noticed yet?

Prayer:

Jesus, thank You for the gift of new life through You. Help me to trust Your timing, to stay rooted in You, and to believe that growth is happening—even when I don't see it. Amen.
