

Respite Care Services

Who We Are

ResCare provides respite services for disabled people over the age of 18. We have a range of respite options depending on where you live, how old your loved one is, and what their needs are.

Services You Can Trust

Feel better in the comfort of your own home or home away from home.

Respite care can be for a few hours, overnight or maybe a week or more.

Our Values

- **Compassion:** we look after each other, speak kindly and work collaboratively
- **Action:** we act with integrity and speak with honesty
- **Respect:** we listen with empathy, value, trust, and empower people
- **Excellence:** Quality of life and quality of care

Services include anything from

- Personal care
- Meal preparation
- Community activities
- Supervision
- Overnight

ResCare Services

In home respite

A person can come to your home to be with the person you look after for a few hours or overnight.

Short term respite

The person you care for may go to a home for a short stay, on an occasional or regular basis.

Transitional respite

Are you looking for a residential placement and you have been waiting for a while. Transitional respite can be from six months up to a year 's stay.

Community respite

This kind of respite gets your loved one involved in day time activities that can help them develop independent living and social skills.

Support respite

You may go on holiday together where they can provide care for your loved one so that you have some time to yourself.
