

Alleghany Rifle Association, Inc.
2019 / 2020
Thursday Night Club Match Schedule

Range Master: Marion Leys

Match Rules

Please Note: There will be two club shoots each month on the 2nd and 4th Thursday night @ 7:00 P.M. Schedule may be slightly altered should these dates fall on a holiday.

The same discipline will be shot on both nights of the month. Shooters will receive the best score out of the two matches for their monthly score. The shooter with the highest total score for the 12 months, being Jan.1 through Dec. 31 of the calendar year, will become the shooter of the year and will receive the shooter of the year plaque.

All shooters will pay \$5.00 per nightly shoot with winners receiving crossed rifle lapel pins. No money will be returned to shooters at the end of the year.

Shooters will be responsible for hanging and retrieving their own targets. The appointed range master will be responsible for scoring and overseeing the match. Range master will select an additional 1 to 3 shooters at that match to settle any protest or disputes that may arise. Their decision will be final.

At the end of each match, and after the range master has recorded the scores in the score book, he shall lock the score book in the cabinet so it will be available to the range master for the next shoot.

Schedule
