I hope	e to be admitted into program on this date:	

Congratulations! You have completed the second step in our process. Once you submit this information, a staff member from our admissions team will review and contact you either by your email address or phone number. If the program is available and you meet the pre-qualifications, a phone interview will be the next step with our Executive Program Director followed by written application and an onsite interview. During this process, we will be asking for more personal information about your situation. Thank you for your interest in St. Zachary's Haven.
