Missions Conference

Heritage Baptist Church Providence Forge

January started off in a wonderful way with a Missions Conference at **Heritage Baptist Church in Providence Forge**. I was truly grateful for the opportunity to present *Dynamic Women in Missions* and to share how God has been working through our Dynamic Team.

A heartfelt thank-you to **Pastor Joseph Naylor and Marty Naylor** for inviting me to speak, and for the incredibly warm and loving reception from the church family. It was a blessing to connect with the members, meet fellow missionaries, and spend meaningful time in fellowship with everyone.

We are thankful for all God is doing and encouraged by His continued work through missions and faithful churches like Heritage Baptist.

Local Mission Outreach

On Friday, January 16th, I had the joy of visiting Blessed Sacrament to share with students what it means to be a missionary. Through this opportunity, I was able to explain the work I do with **Dynamic Women in Missions** and how I minister to others, particularly through our outreach in Central America. Sharing these real-life experiences has proven to be a very effective way to present the Gospel to students in private schools. Please pray that more private schools in Virginia will open their doors so we can continue reaching and impacting more children locally.

Missions Workshop January 19th

What a blessing to gather with women from Heritage and the James River Baptist Association to prepare crafts, lessons, dolls, and gifts for our Women's mission trip to Honduras in June—all while enjoying great fellowship and food!

Prayer Request

Please be praying for me as I attend **missions training February 21st–28th** in preparation for our upcoming **Cuba mission trip**, which was rescheduled after the hurricane that hit in November. I'm asking for prayer for a teachable heart, spiritual growth, unity with the team, and wisdom as we prepare to serve. Please also continue to pray for the people of Cuba as they recover and for God's timing and provision for this trip. Thank you so much for your prayers and support.

Cuba Mission Trip is scheduled for April 8-19 please pray for the women we will be ministering to and teaching our Seed Sower & Train the Trainer.

Honduras Missions Trip is scheduled for June 13-19. We will be hosting a teen camp, children's VBS, women's conference and reaching out to multiple schools to share the Gospel.
