OUR FOOD

Gyros are just the beginning. Classically trained chef serving up a variety of Middle Eastern, Mediterranean, and Greek inspired cuisine.

We strive to make as much from scratch as possible, using fresh ingredients, locally sourced when possible, no fillers or preservatives, and always made with love.

We make our very own stocks and broths (beef bones, chicken bones, and vegetable). We make the chicken marinade, tzatziki, tahini, hummus, vinaigrette, pickled peppers, hot sauce, seasoning, sauerkraut, soups, chili, desserts & treats
