Equipment Subject to Agreement: The equipment subject to this Agreement ("Contract") includes the laptop computer, computer accessories, and related software in the following list:

- One (1) Chromebook or Lenovo Computer
- One (1) AC Adapter (with power cord)

Ownership: The School shall be deemed to have retained title to the equipment at all times, unless the school transfers the title. The Student shall hold no security or ownership interest in the equipment. Likewise, the Student shall hold no security or ownership interest neither in the licenses to the installed software included with the equipment nor in the licenses to any other software that the school may from time to time install on the laptop computer used by the Student.

Term Equipment Use: The student shall return all equipment itemized above in good operating condition to the Technology Department of the school if the Student is not enrolled in the current school year (unless the school transfers the title). The school may require the Student to return the equipment at any time and for any reason.

Equipment Storage and Use at School: The equipment must be on the school's premises during each of the student's normal school days. During the school's normal business hours or after school, when the student is not in the immediate presence of the equipment, the equipment must be secured in an approved location.

Use of Equipment: The primary use of the equipment by the Student is for the Student's educational programs. The Student may not use the equipment for other purposes. The Student shall abide by the school's Acceptable Use Policies. In the case of laptop abuse or violations, the school reserves the right to restrict usage of school-issued laptops using any combination of the following: increased deductibles, fines and/or disciplinary action.

Compliance with Software Licenses: The Student shall not make copies of software licensed to the school. The Student is responsible for compliance with the license terms of any licensed software, and the Student agrees to hold the school harmless for any violations of such license terms.

Back-up Requirements: The Student may store documents or other files on the equipment, and the Student is responsible for making back-up copies of such documents or other files. Care of Equipment: The equipment may only be used in a careful and proper manner. The Student shall keep the equipment in good operating condition, allowing for reasonable wear and tear. No personal stickers or writing are allowed on the laptop. Severability: If any portion of this agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this agreement is invalid or unenforceable, but that by limiting such provisions, it would become valid and enforceable, then such provisions shall be deemed to be written, construed, and enforced as so limited.

Waiver: The failure of either party to enforce any provision of this agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this agreement.

Disclosures: The Student and his/her guardian hereby agree to these policies and regulations.

Passwords: Students are not permitted to change passwords to the laptop that are assigned by Pensacola Learning Academy.
