Pastor's Corner

For the last few weeks we have been studying Genesis, the book of beginnings. We have seen how God set up paradise for Adam and Eve. Everything was perfect. No worries, no death, no problems until the "fall" when Adam and Eve decided to act independently of their Creator. Their sin required punishment. Though God punished and sent the first couple out of the garden, He already had a plan to send the Redeemer / Savior. God is never surprised when things happen. He is in control and His plan will be accomplished. Thank you, Lord Jesus, for bringing us back into a loving relationship with the Father.
