Pastor's Reflections

By Pastor Dan Mustain

We live in a culture of complaint. People complain about almost everything—politics, the weather, their jobs, their families, and even the church. Complaining can become so common that we hardly notice it. But the Bible calls Christians to live differently: “Do all things without complaining and disputing” (Philippians 2:14, NKJV).

Complaining shows a lack of faith and trust. It shows we do not believe God is in control.

Instead of complaining, God calls us to be thankful. “In everything give thanks; for this is the will of God in Christ Jesus for you” (1 Thessalonians 5:18, NKJV). Being thankful does not mean everything is good or easy. It means we choose to focus on God's goodness and faithfulness even when life is difficult. We may live in a culture of complaint, but we don't have to live with a complaining heart.

Thanksgiving will be in about 2 months. Begin now to write down what you are thankful for and on Thanksgiving, share your blessings with a friend. Let's keep our eyes on Jesus.

WHAT'S UP in Faith Builders Class!

During October, we will travel through the pages of the Bible and discover stories about people who experienced God's power, promises, and faithfulness. We will meet people who made good choices, people who made mistakes, and people who learned to trust and obey God.

Each story has something important to teach us about who God is and how He works in the lives of His people today. As we study these Biblical stories, we will also see how God's plan was unfolding throughout the Old Testament and pointing us toward Jesus.
