Pastor's Reflections

By Pastor Dan Mustain

A Spirit-filled life is a life that is guided and controlled by the Holy Spirit. When we believe in Jesus Christ, the Holy Spirit comes to live in us. But God also wants us to walk daily under the Spirit's direction. Ephesians 5:18 says, "Be filled with the Spirit." Being filled with the Spirit means allowing Him to guide our thoughts, choices, attitudes, and actions. Instead of living only by what we want, we learn to follow what God wants.

The Spirit-filled life changes the way we live. The Holy Spirit helps us understand God's Word, gives us strength to resist sin, and helps us serve God. He also produces spiritual fruit in our lives—love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control (Galatians 5:22–23). We cannot live the Christian life successfully in our own strength. We need the Holy Spirit's power every day. When we depend on Him and obey God's Word, our lives can show others the character and love of Jesus Christ.

Are you surrendering yourself to Him?
