Pastor's Reflections

By Pastor Dan Mustain

Standing firm on the Word of God is important because the Bible is our foundation for truth. The world is constantly changing, and people's opinions change with it, but God's Word never changes. It gives us wisdom, direction, and guidance for living a life that pleases Him.

As Christians, we must not compromise God's truth just to fit in with the world. We must know His Word, believe it, live it, and share it with others.
A church that denies the virgin conception and the physical resurrection of Jesus Christ is a worthless church with a worthless gospel.

The world may change its message, but the church must never change God's.
Acts 4:12 (ERV) Jesus is the only one who can save people. His name is the only power in the world that has been given to save anyone. We must be saved through Him!

~ Pastor Dan

WHAT'S UP in Faith Builders Class!

During November, we will continue to travel through the pages of the Bible and discover stories about people who experienced God's power, promises, and faithfulness. We will meet people who made good choices, people who made mistakes, and people who learned to trust and obey God.

Each story has something important to teach us about who God is and how He works in the lives of His people today. As we study these Biblical stories, we will also see how God's plan was unfolding throughout the Old Testament and pointing us toward Jesus.
