## **Pastor's Reflections**

By Pastor Dan Mustain

Deaf Heart Church believes that the gospel is the good news about Jesus Christ, and it is the power of God to save people. It tells us that Jesus died for our sins and came back to life. When people believe this message and trust in Jesus, God forgives their sins and gives them a new life. The gospel shows God's great love and His power to change lives.

The gospel also helps people live in a new way. It gives them strength to do what is right and to love others. Even when life is hard, the gospel gives hope and peace. It is not just words—it is God's power working in people to help them grow, love others, be kind, and live for Him every day.
