The procedures for the election of 2025 Elective National Officers would be conducted in accordance with the Articles of Association and By-laws of Junior Chamber International Hong Kong. All candidates were required to observe and comply with these clauses therein.

The qualifications for candidates of the Elective National Offices are contained in JCIHK Bylaw 12-4. Specific requirements for NP, NEVPs, NVPs, NGLC, NSG, NHT and NDs are contained in By-laws 12-9-3, 12-11-2, 12-12-2, 12-10-2, 12-13-2, 12-14-2 and 12-15-2 respectively.

National Executive Vice President Candidate: Bon Tang, Kwok Pong (JCI Yuen Long) submitted himself as an NVP candidate after the nomination deadline, the assessment of his eligibility and qualification is not included in this Nomination

Nevertheless, By-Law 12-6-4 requires a motion to re-open the Nomination and accept the Nominee to become a candidate. In addition, two waiver motions are required for By-Law 12-4-5 and 12-4-7 as the nominee is not a candidate at this point in time.

14. Remarks by National President

NP Ben confidently shared that while he sometimes struggles to cry during emotional moments, he often finds himself moved to tears when he reflects on those experiences at home. Since joining JC in 2013, he has amassed over 11 years of impactful engagement. Among the individuals who have shaped his journey, the 1982 National President Senator Andrew Wong, BBS, stands out as a significant influence. NP Ben noted that some people view JC as a form of religion—if you believe in it, there's no need for justification.

I vividly remember when Andrew introduced me while I was NIAD in 2017 and running for NVP. Typically, an introducer speaks for about a minute, but

Andrew dedicated over three minutes to highlight Ben's potential as a future National President.

Tragically, Ben suffered a stroke after a TOYP meeting and passed away shortly thereafter. When I visited him in the hospital, I made a heartfelt promise to take on the role of National President and serve JCI Tsuen Wan with unwavering dedication. I take great pride in the fact that I have fulfilled that promise.

There is a lot of wisdom to learn from the JCI Creeds. The second person who has influenced me the most is my father. Despite not finishing high school, he became a successful decorator and built his own furniture and fittings business from the ground up, overcoming numerous challenges along the way. Today, his enterprise has expanded significantly, boasting a factory and operations in China and overseas. I proudly joined the family business in 2013, ready to contribute to its continued success.

As I embark on this presidential journey, I want to emphasize the importance of empathy in everything we do. Listening to the ideas and experiences of others is vital to creating a supportive team. I feel truly grateful for the contributions made by NIPP Kenneth; his efforts have enabled me to launch the "JCI in Business" campaign, which connects over 20 countries and regions to the GBA this year. Together, we have successfully organized three significant events representing Hong Kong at ASPAC, and with the backing of the ETO and government partners, we've received double the funding compared to last year. This progress not only reflects our hard work but also highlights the strength we find in international collaboration and shared experiences.

I wanted to take a moment to acknowledge the recent accident involving a member of ASPAC. I would like to extend my heartfelt thanks to CE Phyllis and NIAD Steven for their selfless dedication and support. They travelled to Cambodia to provide assistance during this difficult time.

Additionally, I want to express my gratitude to JCI Tsuen Wan for nurturing and supporting me in becoming the first National President from my mother chapter. This year, we are proud to have 29 organizing committee members

working hard to organize the National Convention, which is a remarkable achievement considering our membership grows to 50 now.

Over the past 11 years, I have taken on various roles at local, national, and global levels. I firmly believe that "Life influences others", and I am proud to be part of JCI, a truly human-centric organization. Despite the challenges I've encountered, I am deeply grateful to all the Past National Presidents, Senators, and advisors who have generously offered their support and invaluable advice over the past 74 years.

I will be representing JCI Hong Kong as a candidate for JCI Vice President next year.
I am excited about the opportunity ahead. I ask for your continued support in promoting the JCI spirit around the world.

REPORT TO THE GENERAL ASSEMBLY OF THE 60th NATIONAL CONVENTION FROM NATIONAL PRESIDENT SENATOR RAFAEL WONG

1. FOREWORD

After the Pandemic, we committed to “Lead to Impact.” in 2023; we mastered the art of connection to “Connect to Evolve.” in 2024. This year, in 2025, we declared to the world: “We are Leaders.” This statement was not merely our theme; it was our identity, our call to action, and our undeniable reality. It has been the honor of my lifetime to witness this collective of young leaders rise to that challenge with unparalleled passion and precision, turning vision into tangible legacy.

Our leadership was bold, strategic, and manifested across every facet of our organization:

In International Affairs & Business, we led as global citizens and storytellers. We moved beyond participation to shaping the narrative. Our first ever local Creative Young Entrepreneur Competition didn't just crown winners in Hong Kong; it showcased Hong Kong's innovation on the ASPAC stage, proving our capacity to nurture world-class talent. Furthermore, our groundbreaking Beijing Visit and International Youth Exchange saw us lead a delegation of ten nations to the heart of China's tech revolution. We didn't just visit; we facilitated a dialogue, telling the compelling story of China’s modern enterprise and positioning JCI Hong Kong, China as the pivotal connector between global youth and the opportunities within the GBA and beyond.

In Community Development, we led with unity and innovation. Understanding that a leader’s strength is measured by the community they uplift, we pioneered a unified approach. Our "Family Harmony" theme project united all 21 Local Chapters under a single, powerful banner, amplifying our impact and attracting significant sponsorship to empower their missions. This cohesive strategy demonstrated a new model of collaborative leadership for the NGO sector, proving that together, we can create a deeper, more resonant impact.

In Organizational Influence, we led by honoring our past and securing our future. Our 75th Anniversary Celebration was more than a party; it was a

powerful statement of legacy and relevance. By hosting leaders from over 200 organizations, we proudly showcased 75 years of unwavering commitment to shaping Hong Kong's leaders. This historic moment was complemented by a forward-looking partnership with Hong Kong Talent Engage (Labour and Welfare Bureau), where we actively leveraged our international network to attract global talent to our city. We are no longer just participants in civic discourse; we are key advisors and partners in building Hong Kong's future.

The legacy and the connections of part years were the foundation upon which we built a monumental year. We did not just talk about leadership; we delivered it through impact, innovation, and a steadfast commitment to nurturing the next generation.

My deepest gratitude to every member who embraced this identity. Your courage to create, your willingness to collaborate, and your unwavering belief in our mission have been the true engine of our success. Thank you to our Board of Directors, our Local Chapter Presidents, and our partners for your trust and support.

As I pass on the presidency, I do so with absolute confidence that the spirit of “We are Leaders” is now indelibly etched into the DNA of our organization. The journey continues, and the future has never been brighter.

We are Leaders. We are JCI Hong Kong, China.

2. OBJECTIVE AND MAJOR GOALS

2.1 Major Goals

2.1.1 Forge a Unified and Empowered Leadership Corps

This meant systematic training for managerial roles within JCIHK and Local Chapters, coupled with a dedicated recruitment drive to attract a diverse and dynamic membership. Our goal was to build a deep bench of capable leaders ready to steer our organization into the future.

2.1.2 Elevate Our Public Stature and Community Impact

We moved beyond participation to becoming indispensable community partners. Through high-impact projects, strategic media engagement, and cultivating relationships with government officials, community leaders, and NGOs, we amplified the JCIHK brand. Our clear objective was to cement our social status as the premier organization for developing young leaders who actively contribute to Hong Kong's stability, harmony, and prosperity.

2.1.3 Champion the JCI Ideals through Action and Advocacy

We focused on making the JCI Mission tangible. By engaging our Senators, Alumni, and officers in deep dialogue, we reinvigorated our understanding of the JCI movement's core objectives. We then translated this into action by proactively promoting the JCI Action Framework within our chapters and the wider community, ensuring our efforts were strategically aligned with our global purpose.

2.1.4 Solidify Our Global Identity and Influence

We positioned JCI Hong Kong, China as a key node in the international JCI network. Our goal was to reinforce our identity as a premier incubator of international leaders by leading on the world stage—through winning at international competitions, hosting influential exchanges, and leveraging our unique position to tell Hong Kong's and China's story to the world.

2.2 Presidential Theme

The theme "We are Leaders" is far more than a slogan; it is a definitive declaration of our identity, our value, and our responsibility. It is a conscious shift from aspiration to affirmation. We do not hope to become leaders someday; we recognize that we are leaders today. This mindset empowers us to create change not in the distant future, but in the present moment, within our spheres of influence, and on a global scale.

This theme is the tangible fulfillment of the JCI Vision: To be the foremost global network of young leaders. We are not waiting to be

anointed; we are actively claiming that leadership role by setting the standard for what it means to be a young active citizen. Our actions in 2025—from hosting international exchanges to launching city-wide projects—demonstrate that leadership is not defined by age or title, but by initiative, impact, and integrity.

Furthermore, "We are Leaders" is the ultimate expression of the JCI Mission: To provide leadership development opportunities that empower young people to create positive change. We understand that leadership is not a solitary pursuit but a collective force. This theme encapsulates the entire journey: we provide the opportunities, we empower our members, and together, we create the positive change. Every training session, every community project, and every international partnership is a building block in constructing a leadership mindset that is both personal and planetary.

2.3 Plan of Action

The 2025 Plan of Action was designed for execution and amplification. This plan outlines the strategic pathways we committed to in order to transform our leadership declaration into tangible reality.

5. AREA PROGRESS AND ACHIEVEMENT

In a world of constant change, true leadership is not defined by a title, but by the tangible impact we create. We are the architects of progress, the catalysts for collaboration, and the storytellers of a brighter future. The journey of JCI Hong Kong, China in 2025 stands as a powerful testament to this belief. Under the unifying theme of "We are Leaders," we have transcended boundaries, empowered individuals, and driven meaningful development across every sphere of our community. This following highlight activities chronicle a year of extraordinary achievements, showcasing how we have harnessed the collective power of our members to build bridges, foster growth, and inspire a new generation of active citizens. We are not just participants in our community; we are its leaders, shaping its destiny with vision, action, and unwavering commitment.

1. International and Mainland Development

"To provide development opportunities that empower young people to create positive change." The following demonstrates our role in empowering members with a global perspective, fostering international cooperation, and creating positive change on a worldwide scale.

- **Beijing Visit and International Youth Exchange Trip:**
  - This trip moved beyond simple tourism, offering a first-hand look at China's cutting-edge innovation and corporate culture. It enhanced Hong Kong's role as an international hub, built

invaluable cross-border business and cultural networks for delegates from 10 nations, and provided a platform to authentically share China's development story, breaking stereotypes and fostering mutual understanding. This embodies the Creed's belief in "international cooperation" and the Vision of being a leading global network of young active citizens. It provided a development opportunity that empowered delegates to become ambassadors of positive change and global citizenship.

- **2025 Asia Pacific Conference (ASPAC) in Mongolia:**
  - Sending over 350 delegates significantly elevated Hong Kong's profile within the JCI world. Hosting Hong Kong Night promoted our local culture and business environment to an international audience, while the visit to the Chinese Embassy strengthened diplomatic and cultural ties, reinforcing the "one country, two systems" principle. This is a direct execution of fostering "international cooperation." It provided massive development opportunities for members through training sessions and networking, aligning perfectly with the Mission to empower young people.
- **Driving the Initiative of International Human Duties Day:**
  - This initiative translated a philosophical concept into concrete community action. By uniting 21 chapters and partnering with major NGOs like Lions Club International District 303, Y's Men International Hong Kong District, World Charity Society, we created a significant, unified impact (e.g., blood donations saving lives) and raised public awareness about the importance of civic duty and social responsibility beyond just demanding rights. This action is a profound expression of the Creed: "That service to humanity is the best work of life." It operationalizes our Vision to create positive change by addressing a critical human need through collective action.

2. Business Development

"To be the leading global network of young active citizens." This shows how we provide a platform for economic empowerment, entrepreneurship, and strategic advocacy, making our network a premier destination for young professionals.

- **Creative Young Entrepreneur (CYE) Competition:**
  - This competition directly fueled Hong Kong's innovation ecosystem by identifying, training, and showcasing the next

generation of entrepreneurs. The subsequent victory at ASPAC proved the program's quality and placed Hong Kong's entrepreneurial talent on the regional map, inspiring other young people to pursue their business dreams. It empowers young people to create economic positive change (Mission). By providing a platform for their ideas, we live the Creed's tenet that "economic justice can best be won by free men through free enterprise."

- **JCI in Business (JIB):**
    - JIB creates a vibrant internal economy, helping members grow their businesses and careers through trusted networks. This reduces the friction of doing business and fosters a powerful culture of "members supporting members," leading to tangible economic benefits for our community. This initiative directly supports free enterprise among members. It strengthens our global network by adding concrete economic value to membership, making JCI a leading network for active citizens (Vision).
- **Establish and Reestablish Close Connection with Different Parties:**
    - These strategic engagements give JCIHK a seat at the table. They allow us to represent the voices of young Hong Kong professionals and entrepreneurs to policymakers and major economic bodies (LegCo, HKTDC), and to directly help our members and the wider community access government resources and talent policies. This is active citizenship in action. It empowers our organization to create larger-scale positive change (Mission) by influencing policy and leveraging partnerships, moving beyond individual projects to systemic impact.

3. Community Development

"That service to humanity is the best work of life." This is the heart of our community service, demonstrating our commitment to solving local problems, fostering harmony, and enriching culture.

- **Theme Project "Family Harmony":**
    - By uniting 21 chapters under this theme, we created a coordinated, city-wide impact addressing a fundamental social need. The sponsorship secured amplified this impact, funding projects that likely strengthened family units, provided support services, and promoted mental well-being, thereby contributing to

a more stable and resilient society. This is pure service to humanity. It puts the Creed into practice by mobilizing our entire membership to address a critical community issue, fulfilling our Mission to create positive change.

- **Asia Pacific Youth Micro Movie Festival 2025:**
  - This event positioned Hong Kong as a regional cultural and arts hub. It attracted international talent, fostered cultural exchange, and provided a platform for youth to express their creativity and narratives. By "telling good stories," it enhanced the international image of both Hong Kong and China. As a "super connector," this event used the arts to foster international cooperation and understanding (Creed). It provided a development opportunity for young filmmakers and audiences alike, empowering them to create positive cultural change (Mission).
- **Organize 75th Anniversary Cocktail Party and Banquet:**
  - This celebration was not just a party; it was a powerful advocacy and PR tool. By gathering 200 organizations, we showcased the scale, influence, and positive legacy of JCIHK, strengthening our brand, attracting new partners, and inspiring continued support for our mission. It honored a history of "service to humanity" (Creed) and reinforced our Vision of being a leading network by demonstrating our established impact and prestigious reputation.

4. Individual Development

"To provide development opportunities that empower young people to create positive change." This is the core of what we do—investing in the skills, mindsets, and capabilities of our members so they can become effective leaders.

- **A Series of Leadership Development Events:**
  - This comprehensive training ecosystem ensured that every member, from new recruit to Chapter President, had a pathway for growth. These programs directly upskilled hundreds of young people in critical areas like public speaking, critical thinking (debate), and leadership, making them more effective and confident professionals and community leaders. Providing these development opportunities is the first step to empowering young people. A skilled member is equipped to create greater positive change.

- **Next Gen Program:**
    - This program strategically secured the future of JCIHK by engaging students. It provided them with invaluable future-ready skills (AI, big data) and leadership training before they even entered the workforce, giving them a significant head start in their careers and civic lives. This is a long-term investment in the Mission. By empowering the next generation early, we ensure a continuous pipeline of active citizens who believe in the Creed and will carry the Vision forward.
- **Youth Exchange Program:**
    - The substantial funding secured allowed us to offer life-changing experiences to young members. Exposure to different cultures in Mongolia and Huizhou broadens horizons, breaks down prejudices, and builds a generation of globally-minded, empathetic leaders who understand China's development within a global context. This is empowerment through experience. It directly provides a development opportunity that fosters international cooperation (Creed) and creates active citizens who are equipped to contribute to a globalized world (Vision).

The Legacy of Leadership

The achievements of 2025 are a definitive answer to the question, "What does it mean to be a leader?" It means building bridges of international cooperation that tell the story of a progressive China. It means fostering the free enterprise that empowers young entrepreneurs. It means answering the call to serve humanity by strengthening our communities. And most fundamentally, it means investing in the boundless potential of the individual. Every initiative, from the boardrooms of Beijing to the training rooms of Hong Kong, is a thread woven into the fabric of our JCI Creed, Mission, and Vision. We have not merely acted; we have embodied our beliefs. We are the leaders who provide the opportunity. We are the leaders who empower. We are the leaders who serve. This legacy is not a conclusion but a foundation. As we look to the future, we do so with the confidence that we have built, the skills we have honed, and the networks we have fortified. **We are Leaders**—and our work to create positive change continues, ever more impactful, ever more inspired.

6. CONCLUSION AND ACKNOWLEDGEMENT

Serving as your National President has been the honor of a lifetime. This year, we embarked on a journey under a powerful banner: "We Are Leaders." This was more than a theme; it was our call to action. I watched with immense pride as our 21 local chapters and every member embraced this charge, leading with their words, their actions, and their character. You have proven that leadership is not a title, but a legacy of impact built through initiative, commitment, and unwavering support for one another.

The foundation we built this year is strong. Our actions have echoed through our communities, and our achievements now stand as a testament to what dedicated leaders can accomplish. This is not an end, but a powerful launchpad for the 2026 board of directors, who will now rise to create even greater positive change for our beloved Hong Kong, China.

My heartfelt gratitude flows first to my National Board of Directors and Chapter Presidents. Your authentic leadership was the engine of our year. You led with passion and purpose, and it was a privilege to lead alongside you. To my think tank—my incredible Big Captains, NGLC Evan, NEVP Michele, and NEVP Christopher—your talent and steadfast partnership were my pillars. Nothing would have been possible without you by my side. Even when time was scarce, you supported each other relentlessly, delivering quality output and acting as phenomenal role models for our members. (I will always remember the 10D dinner—I truly tried my best! Haha). I am so proud of each of you.

Beyond the core team, my thanks extend to the tireless chairpersons (Carol, Daryl, Yannes, Austin, Edward) and commission chairpersons (Jasmine,

Mandy, Dara, Hob, Fung, Ann, Waynes, Ewan, Leo, Amy, Hei, and Dorothy). Your efforts ensured our members had a fruitful and inspiring experience, and you embodied the spirit of service.

The invaluable guidance from JCI Honorary Advisor PNP Sonny Yu and JCI Advisory Board Chairman PNP Eric Tang was a compass throughout the year. Thank you for your wisdom, which helped us navigate complexity and stay focused on our goals.

My special thanks go to my Presidential Advisor PNP Paul Wu; the Panel of Advisors PNP Paul Yin, PNP Major Tang, PNP George Lung, Daniel Cham, and PNP James Tsui; and Mentors of Senior Ex-com PNP Gene Tang, PNP Teresa Poon, and PNP Kenneth Yu. Your counsel smoothed my path and your examples inspire me forever.

To the 21 Local Chapter Presidents, thank you for your unlimited support! Each of you is a living example of an active citizen. You led from the front, and together, we have inspired a new generation to join our movement.

To my beloved assistants, Fiona, Olivia, and Boris: thank you for being my anchors. Without you managing the whirlwind of messages and a crazy schedule, this journey would not have been possible.

Finally, to my mother chapter, JCI City: thank you for empowering, supporting, and nurturing me to fulfill this incredible journey. The trust, friendship, and skills I gained from you shaped me into the leader I am today. I am forever thankful.

To every member of JCI Hong Kong, China: from the bottom of my heart, thank you. Your faith, your energy, and your support defined this year. We proved that together, we can amplify our impact and make a lasting difference in our communities and beyond.

We are Leaders. This is our legacy. Now, Rise Up!

4.11 Corporate Communications

4.11.1 "JCI Hong Kong, China"

The name "JCI Hong Kong, China" was officially in use at the beginning of this year. NOM must follow this and LOMs remain in a transition period and will continue so until next year. The CC guideline already provides relevant instructions.

4.11.2 General work

JCIHK website, Gmail, Google login, and Zoom account logos have been updated to "JCI Hong Kong, China". The "LEADERS" monthly email is kept to send to all members.

4.11.3 JCIHK new website

At this initial stage, we're mainly focused on building the website's layout. We also distributed a questionnaire to better understand our members' thoughts, and the responses provided us with fresh ideas. As a result, we're able to create more member-beneficial content on the site.

In addition, we've realized that beyond the website, there are numerous backend systems involved. Rebuilding everything within a year would be extremely challenging, so we plan to hand over the project to the 2026 national CC team, hoping to achieve our vision over the course of two years.

4.11.4 Corporate Communications and Digital Market Workshop

This workshop was successfully held on 5th April 2025. Apart from the content CC and JVC sharing, luckily to have guest speakers Jonathan Cheung (Founder & Business Development Manager of Yumtake) and Felix Fan (CEO of ATI) to share the marketing skills and AI tool to our members.

4.11.5 Corporate Communications Internship

Because of the workshop, NCC team found that our members have a strong interest in AI. A new programme "Corporate Communications Internship Programme" was established. It aims to offer participants from different chapters the opportunity to gain practical experience, contribute to real-world projects, and support the Corporate Communications team in strengthening the brand of JCI Hong Kong, China with learning AI.

4.12 Records and Recognition

4.12.1 New JCI Miles Reward System

Given that achieving basic EI performance has proven challenging in the past, special adjustments were made to the system this year. In addition to the usual option of exchanging Bonus EI for Participant EI and gifts, we've introduced a new feature: Bonus EI can now also be converted into Administration EI. This aims to support LOMs that may have fallen short, giving them a chance to recover and meet the basic requirements outlined in the bidbook.

4.12.2 Bidbook Seminar

There are two bidbook seminars held on 26 Feb 2025 and 9 July 2025. To strengthen the LOMs' foundational skills in writing bidbooks and help them produce more precise and comprehensive content, we've placed greater emphasis on these elements throughout this year's bidbook seminars. This allows judges to better identify the key points presented. Special thanks to JCI Harbour 2020 President Senator Patricia Loo and JCI Peninsula 2022 President Howard Sze for the dedication and contributions in making this possible. It is encouraging to see that both seminars had approximately 50 attendees each.

4.12.3 New JCI award system

Due to JCI's sudden changes to the award system this year, along with ongoing adjustments, NRR team has remained attentive to the latest developments and has continuously updated the JVC system for the award of 60th national convention accordingly.

6. CONCLUSION AND ACKNOWLEDGEMENT

First and foremost, I would like to express my heartfelt gratitude to National President Senator Rafael Wong, for entrusting me with the role of National General Legal Counsel this year. Taking on this position has been an invaluable journey. It has given me the opportunity to explore areas of knowledge that I had never previously encountered, while also reminding me of the importance of continuously strengthening my administrative skills. At the same time, the role has allowed me to better understand both my strengths and my weaknesses, which I believe is an essential part of personal and professional growth.

This year has been particularly meaningful for me. As a second-year SenCom member, I must admit that at the beginning, I found it difficult

to reignite the same passion and drive I had when I first started. Yet, it was precisely during those moments that I was reminded of the power of teamwork.

I'm truly grateful to 2010 National President Senator Gene for consistently helping me with questions related to the NGLC area this year. He's always patient and willing to discuss these matters with me, addressing my concerns with care and clarity. He's a mentor I deeply admire and someone I aspire to learn from.

For some admin work, thank you so much to Chamber office who always gives support to us. In addition, NSG Karen always worked hard and dedication made my job so much easier, as I almost didn't need to worry about those duties. And luckily, she is NAEO of JCI City and our NCD Austin comes from JCI City as well. They can work closely and complete the mission of the National Convention. Anyway, I hope NSG can take some time to meet new friends in different occasions after the National Convention.

For the financial work, NHT Alan was originally responsible for financial matters, and because of his remarkable attention to detail, I could place my complete trust in him. I knew that everything would be handled with accuracy and without mistakes. He is also the SO of inaugural ceremony 2025, this event could only be successfully completed thanks to his unwavering support and constant companionship, the dedication and aesthetic commitment of Chairman Senator Yannes and the OC team, and the thoughtful guidance from our advisor PNP Senator Zenith.

For the records & recognition area, NRRD Janet is a meticulous young woman who always strives to complete her tasks with care. In order to treat every LOM fairly, she pays close attention to wording and details, making sure nothing is overlooked—so that those who follow the rules receive the recognition they deserve. The transition of the JCI award system (JVC) has undoubtedly been a major challenge. With many factors outside our control and limited access to clear guidance, the process was far from easy. In light of these difficulties, NRRD Janet's tireless dedication to supporting the team has been deeply appreciated.

For the corporate communications area, NVP Senator Elaine and NCCD Gilbert always surprise me with their work. NCCD Gilbert always thinks

about some special idea which I really appreciate because it makes CC area different. In addition, NVP Senator Elaine has shown exceptional dedication. As the SO of the 75th anniversary events and a key contributor to 75th anniversary fundraising efforts, her performance was truly astonishing. She completely changed my impression of her—she accomplished what once seemed impossible. Besides that, I would like to express my heartfelt gratitude to 75th anniversary Chairman Senator Carol and her team and Advisor PNP Louise. It was thanks to them that the 75th anniversary events were successfully brought to completion. It was a highly challenging and complex undertaking, involving the perspectives of many stakeholders and leaving no room for error. I truly appreciate their outstanding execution.

I would also like to thank NVP Senator Elaine for her unwavering support and companionship to the team throughout the process, which helped the OC team feel less alone in facing the pressure.

This year, I was truly fortunate to have such a supportive and dedicated team standing by me and sharing the workload when challenges arose.

Looking back, I feel deeply grateful for having an opportunity to accept this position. It has not only broadened my perspective but also provided me with countless opportunities to learn, reflect, and grow. Above all, it has reinforced my belief in collaboration, perseverance, and the importance of serving with sincerity. For all of this, I remain sincerely thankful.

6. CONCLUSION AND ACKNOWLEDGEMENT

I would like to thank National President Senator Rafael Wong for giving me the opportunity to serve JCI Hong Kong, China as National Executive Vice President. At the same time, I have greatly benefited from my collaboration with NGLC Evan Leung and NEVP Senator Michele Lau.

As National Executive Vice President, I am honored to work with my fellow National Vice Presidents, Directors, Commissions, and Project Committees. Through everyone's efforts, we have not only achieved our initial goals in civic engagement, international collaboration, business innovation, strategic partnerships, and digital outreach, but often exceeded them. The achievements in each area reflect the strength of our shared vision and the tireless commitment of our members to create positive change. While there are still outstanding tasks, I believe that with continued collaboration and focus, we will be able to address these challenges and build an even stronger foundation for the future.

I remember during my initial meeting with the team members, I wanted to establish a name for the team because I did not believe it was a team belonging to Christopher; it was a team that belonged to everyone. We work together, we strive together, and all the glory should belong to each and every one of us. So in the end, we came up with the team name, IBCEDMP (國際經貿公民參與出版社). Here I would like to extend my heartfelt gratitude to the National Vice Presidents—Senator Wallace Sham, Senator Mic Hon, Davina Wong, and Bon Tang—for their exceptional leadership and unwavering dedication. My appreciation also goes to the Directors—Skyer Yiu, Chris Ng, Crystal Tsang,

and Rachel Leung—who have driven operational excellence in their respective areas. Special thanks to the Chairmen, Officers, and Commission members across all teams for their hard work and innovative contributions.

Finally, I acknowledge the support of the local chapters, partners, and international peers, whose collaboration has been instrumental in our success. Together, we will continue to uphold the values of JCI and inspire a brighter future for Hong Kong, China, and beyond.

3. CONCLUSION AND ACKNOWLEDGEMENT

Before mid-July 2024, I never imagined writing this report or even considering the role of national vice president. I want to extend my heartfelt thanks to our National President, Rafael Wong, for inviting me to take on this significant challenge. His encouragement has been invaluable.

I am also grateful to have been assigned to JCI Hong Kong Jayceettes. Initially, I felt quite nervous, but after working together for several months, I've come to appreciate how intelligent and warm the team is. A special thank you to our charming president, Rycho; I am thrilled to work alongside with her this year.

Additionally, I owe much to my boss, NEVP Christopher, who provided valuable direction in digital marketing and publication area. One of the most important person in 2025 is undoubtedly NDMPD Rachael Leung, who deserves all my credit for this year. Without her support, I couldn't have achieved what I did.

Last but not least, thank you so much to all of the national board of directors in 2025. We have had a fruitful year celebrating the 75th anniversary, and I am so happy to have worked with all of you, especially our Christopher team. I appreciate you all! “We are leaders”

3. CONCLUSION AND ACKNOWLEDGEMENT

This year marked 10th anniversary in JCI, and it has been my honor to serve on the National Board of Directors as National Vice President, responsible for the Business Affairs and Partnership & Sponsorship Affairs areas. It has been a fruitful, and adventurous year for me.

First of all, I would like to thank NP Rafael Wong and NEVP Christopher Lam for the opportunity to serve and for their unlimited support and guidance throughout the year. These two gentlemen have always shown great understanding towards us and have been our biggest supporters whenever we needed them. I also thank them for the special speaking opportunities assigned to me during JCI ASPAC in Mongolia, which made it a super memorable ASPAC for me.

Secondly, I must take this opportunity to thank my Business Affairs Team. Thank you to my dearest NBAD Crystal Tsang and her team of Officers, including Luffy Tam, Kin Mak, Sammy Yung, and Chloe Chow, for their great support on JCIHK CYE and JCI ASPAC JIB. Especially NBAD Crystal, a conscientious, organized, and hardworking Team Leader who always takes the initiative to ensure all the details are followed through. I wish you all the best in your run for President of your mother chapter next year. Also thank you to JCI City and JCI North District for co-hosting JCIHK’s first-ever CYE Competition (HK Selection). Without their unfailing support, it is impossible for us to attain breakthroughs and set new milestones together. Special thanks to PNP Theresa Poon for her advice to all JCI ASPAC CYE contestants, which contributed to our outstanding results. I also extend special thanks to CYE Project Advisor PP Yvonne Wong for her great suggestions for the JCIHK CYE Competition, which helped elevate our project to the next level.

I would also like to express my heartfelt thanks to the National JCI In Business (JIB) Commission this year for driving JCI's new initiative, "JCI In Business," and launching it successfully in Hong Kong. Their achievements include initiating a series of 12 consecutive Monthly JIB Breakfast Meetings and recruiting 28 JIB JCI Connectors in the first year. Thank you for the creativity, persistence, and dedication of Chairman PP Fung Kong and Vice Chairmen PP Heidi Chong, Agnes Mak, Thomas Ng, and Kenny Lee. It is not easy to create something from scratch, but you all tackled every obstacle with good planning that started from the end of last year to make our dream come true.

A heartfelt thank you to the National Partnership & Sponsorship Affairs Commission, which has also achieved historic results this year – the full-house Partnership Pitching Workshop, the 75th Anniversary Celebration cum LOMs' Project Showcase Networking event, and not to mention the extra HKD 170,000 in sponsorship we secured from Wofoo Social Enterprise for the JCIHK themed project "Family Harmony". Thank you to Chairman PP Leo Hung and Vice Chairmen IPP Jimmy Yiu, Athena Yip, Bonny Fu, Kevin Lee, and Matthew Cheng for their close follow-up, commitment, and resilience in making all this happen.

It was also my greatest pleasure to be assigned to JCI Island and JCI North District this year. 4. CONCLUSION AND ACKNOWLEDGEMENT

In 2025, the Leadership Development portfolio of JCI Hong Kong China continues its mission to empower young leaders through impactful training and meaningful learning experiences. Recognizing the vital role trainers play in shaping our members' growth journey, this year we have focused on establishing a **clear and sustainable roadmap for trainer development** — one that supports members from their first training experience all the way to becoming confident, competent, and committed trainers.

However, a roadmap alone is not enough. To truly develop leaders who inspire others, we must first create an environment where every member feels **safe to learn**, **encouraged to try**, and **motivated to lead**. That is why fostering a **positive and empowering atmosphere** has been a key priority in all our leadership development initiatives this year.

I would like to express my sincere gratitude to National President Senator Rafael Wong for inviting me to take up this meaningful role and for his full trust and unwavering support in the direction I have proposed for our leadership development roadmap. He is a leader who demonstrates a deep sense of responsibility, trusts his team, and embraces innovative thinking. Throughout the year, he has not only empowered us with full confidence and support but has also provided concrete and practical guidance when needed. His ability to

offer well-balanced and thoughtful advice has allowed our work to progress in a steady, orderly, and impactful manner.

I would like to express my sincere gratitude to our Area Advisors — **2002 National President Senator Tony Chan** for NTDC, **2020 National President Senator Maric Cheng** for NLD and 2023 National President Senator Kenneth Yu — for their generous willingness to serve in JCIHK Trainer Recommendation Committee and support us in these important roles. Their wealth of knowledge and experience in training has been an invaluable asset to our work. More importantly, their humility, approachability, and thoughtful guidance have set an outstanding example for us to follow. We are truly fortunate to have their mentorship and wisdom throughout this journey.

I would also like to express my sincere gratitude to **National Executive Vice President Senator Michele Lau**, **National Leadership Development Director Kelvin Cheung**, and **National Leadership Development Officers Wendy and Stephanie Zhang** for their unwavering dedication and wholehearted support throughout the year. Their commitment has made the journey of advancing National Leadership Development not only a meaningful endeavor but also an enjoyable and fulfilling experience as we worked together toward a shared goal. It has been a privilege to work alongside such a devoted and hardworking team.

It has been a great honor to serve as the National Assigned Executive Officer (NAEO) to **JCI Bauhinia** and **JCI Queensway** this year. Both chapters have shown genuine respect and trust in my role, and I truly value the mutual understanding and collaboration we have built throughout this meaningful journey. Together, we have developed strong relationships and shared many rewarding memories. I would like to extend my heartfelt appreciation to the **Board of Directors of both chapters**, led respectively by **President Jenny Leung** and **President Coeus Leung**, for their unwavering support, dedication, and commitment to the members' growth. It has been a pleasure to witness their growth to be better leaders and to walk alongside them in advancing the JCI mission.

I would like to extend my heartfelt thanks to **National Training & Development Commission Chairman Senator Hei Leung**, and **Vice Chairmen Catherine Lai, Tommy Yip, and Rex Lau** for their cohesive support and teamwork, which have been instrumental in the remarkable success of NTDC this year. Chairman Senator Hei Leung has exemplified humble and dedicated leadership, consistently valuing and leveraging the insights of his teammates

to drive meaningful results. His collaborative spirit and commitment to excellence have truly made a difference.

Last but certainly not least, I would like to express my deepest gratitude to my mother chapter, **JCI Harbour**, led by **President Wah Ko**, for their unwavering and unconditional support throughout my journey this year. Your encouragement has been a solid foundation that allowed me to serve with confidence and purpose.

As we look ahead, I would like to extend my best wishes to the candidates for the **2026 National Board of Directors**. May you receive full support and begin a spectacular new chapter of success for **JCI Hong Kong, China**.

I truly hope that more members will continue to discover the value and impact of training within JCI, empowering them to grow as better leaders and to achieve outstanding success in their respective fields!

Firstly, I would like to express my sincere gratitude to National President Senator Rafael Wong for putting his trust in me, it is my greatest honor to serve JCI Hong Kong, China as the National Membership Director in 2025. Being a part of the National Membership team, I have come across plenty of learning opportunities that greatly developed my leadership skills, providing me valuable exposure at the national level. The challenges of this position is unique since both my teammates and I have to simultaneously handle administration tasks, respond to enquiries regarding NOM PM and LOM membership teams, as well as supervising numerous NOM projects & membership events.

Taking this opportunity, I would like to express my heartfelt gratitude to National Executive Vice President Senator Michele Lau who is extremely supportive and caring who provided me valuable guidance throughout the entire year. In addition, I would like to pay my deep sense of gratitude to National Vice President Priscilla Tso who is incredibly understanding, patient and supportive who inspired me tremendously throughout the year.

Special thanks to three of my beloved officers, Elaine Tsang, KK Ye and Simon Chiu. Without their help this year, all events would not have been as smooth and successful as it appeared.

I would also like to thank all of the distinguished speakers, trainers, project chairpersons, organizing committee, members and helpers who facilitated our successful projects and workshops.

2. ASSIGNMENT & AREA REPORT

2.1 Team Structure

Supervisors	National General Legal Counsel Evan Leung (JCI Kowloon) National Secretary General Karen Lo (JCI Lion Rock)
Director	Janet Wong (JCI Tai Ping Shan)
Officers	Charles Lo (JCI Victoria) Fiona Lam (JCI Harbour) Calvin Man (JCI Apex)

2.2 JCIHK LOM Efficiency Program

JCIHK LOM Efficiency Program consists of 3 components including Administration, Participation and Bonus E.I. It aims to motivate Local Chapters to monitor and maintain high efficiency and effectiveness in Chapter Management. The National Records & Recognition team collected feedback from the National Board of Directors and Local Chapters end of last year, and made a few adjustments throughout the year to date; reduced the number of items on the Participation categories such as JCI events and trainings in order to reduce the unnecessary pressure on LOMs and encourage LOMs to promote the values behind the events to members.

During this year, NRR team has had effective and close communication with NOM and LOMs. NRR team has responded promptly to enquiries sent from chapters and sent keynote reminders to all chapter Presidents and R&R in charge frequently through channels including e-mail and whatsapp groups, so as to support chapters and at the same time, promote NOM events to chapters. Monthly E.I. reports with E.I. Summary and upcoming E.I. deadlines reminders have also been sent to LOM Presidents timely and accurately, concerns have been addressed promptly with satisfaction.

In 2025, we have facilitated the Q&A process for chapters if there are any E.I. or R&R enquiries. With the help of the 3 NRROs, each of them has been assigned to be the first contact point for different chapters, positive feedback has been received from chapters.

This year, we continued to promote that the E.I. should be a merit-based program with a maximum E.I. cap at 100%. Chapters could use the extra bonus E.I. for redeeming the administration E.I., participation E.I. or other useful items such as JCI products and JCIHK's Lightbox advertisement. Such an arrangement has been welcomed by many chapters. With the consistent follow up, explanation and reminder, in 2025, most of the Chapters have achieved more than 80% E.I.

4. CONCLUSION AND ACKNOWLEDGEMENT

Being part of the National Board of Directors of JCI Hong Kong, China in 2025 has been an incredibly meaningful and inspiring journey. It has opened my eyes to new perspectives, fueled my passion through working with diverse people from different chapters, and helped me build genuine friendships that I truly cherish. This year has truly been a highlight of my six years in JCI, and I feel more motivated than ever. I deeply believe in the theme "We Are Leaders," because I am convinced that each of us has the strength and potential to be a leader, no matter the circumstances.

Firstly, I would like to extend my special thanks to National General Legal Counsel, Evan Leung. NGLC Evan is a very sensible and reasonable person, so I always feel reassured working with him. Whenever I face a problem, he can quickly analyze it and suggest practical solutions. He is also willing to take on responsibilities and do his best to help. I am lucky to be on his team and I really appreciate his support and dedication to his work.

Secondly, I would like to thank PNP Louise for her strong support and guidance during the NC Awards Program. She gave me useful advice and was always there to help me every step of the way. PNP pays close attention to details and gently reminds me of small but important things. She is very kind and caring, often sending messages to check on me and encourage me. I am very grateful for her kindness and support throughout this journey.

Thirdly, I would like to express my heartfelt thanks to my beloved NRROs - Charles Lo from JCI Victoria; Fiona Lam from JCI Harbour; and Calvin Man from JCI Apex. I really appreciate how capable and supportive they are, especially as the first contacts for their responsible chapters. Their ongoing and unlimited help for all the R&R team events has made a big difference. Their dedication and willingness to assist are very valuable, and I am very thankful for their kindness and support. I really enjoy our monthly meetings which are very productive and always have lots of fun.

Additionally, I would like to sincerely thank the distinguished guest speakers of the two Bidbook seminars - PP Howard Sze and PP Patricia Loo. Their support and professionalism truly meant a lot to me. We worked closely together through many conversations before the events to ensure that the key messages were effectively shared during the Bidbook seminars. What touched me most was how they went above and beyond by introducing an interactive session at the end, giving participants a chance to experience being bidbook judges. This thoughtful addition made the seminars not only more fun and memorable but also deeply meaningful for everyone involved. I am truly grateful for the positive impact they made.

Besides, I am very thankful for the help of Chamber Executive PP Senator Phyllis Chan, as well as Chamber staff Michelle Mann and Kary Cheung. They supported me a lot in collecting the E.I. data quickly and accurately, which was very important. Michelle also kindly helped with the reception on the award judging day. Her experience and calmness made everything go smoothly. I really appreciate their kindness, hard work, and how much they helped me.
Finally, I want to express my sincere gratitude to all the National Board of Directors, Local Chapter Presidents, and Records & Recognition representatives from LOMs for your continued cooperation and support. Your support and commitment are truly appreciated.

REPORT TO THE GENERAL ASSEMBLY OF THE 60th NATIONAL CONVENTION FROM TOYP STEERING COMMITTEE CHAIRMAN SENATOR JOHN W.H. CHAN

1. OBJECTIVES AND MAJOR GOALS

This year marks the 10th year since the formation of this Committee on November 16, 2015 with our late Past National President Senator Andrew Wong as the first Chairman. The role of this consultation body is:

1.1 to recommend to the National President on any changes that may be implemented with a view to bringing the project to a higher level of achievement in terms of benefits to JCI Hong Kong and the community.

1.2 to update the TOYP Selection Project Manual from time to time which provides a guide to the TOYP Selection Organizing Committee on the procedures and considerations in dealing with unexpected issues.

1.3 to oversee and review the progress of TOYP Selection Organizing Committee

2. COMMITTEE STRUCTURE

The committee members are the same as last year. We now have 4 members plus CE as the Secretary and IPP as the Ex-Officio member, making a total of 6. The committee members are:

Chairman: 1984 National President Senator John W.H. Chan

Members: 2006 National President Senator James Tsui

2013 National President Senator Paul Wu

2022 National President Senator Karen Yeung

Secretary: Chamber Executive Senator Phyllis Chan

Ex-Officio: National Immediate Past President Senator Ben Mark

Although National President Senator Rafael Wong is not a committee member, he has attended our meeting and has been kept informed with update information and always shared with us his opinions and thoughts.

3. AREA REPORT

This year also marks the 75th Anniversary of JCI Hong Kong, China. A lot of focus goes to this celebration and we had only 2 physical meetings so far. It is noticeable that this year's Organizing Committee Chairman, Senator Daryl Lin from JCI Dragon has formed his team much earlier than previous years. The first challenge which the organizing committee had faced was the recruitment of judges. Three of the last year's judges either declined or had to leave including the chief judge. We finally sorted this out and the new chief judge is from last year's judges. Nomination and judging were completed smoothly. More details will be give in the respective officer's report.

We had nominated a past awardee for the 2025 JCI TOYP and he has finally chosen as one of the TOYP. Congratulations! We finally have another one after 2022.

4. OUTSTANDING TASKS

We have not achieved much in what we would like to accomplish during this year, I would therefore, like to repeat again those areas which the Committee should seriously be considered in order to bring this JCI flagship to another level of success:

a) How to get more ''quality'' nominations

b) How to obtain long term adequate funding

c) How to differentiate our TOYP Selection among other outstanding young person selections in Hong Kong and our near-by cities

5. ACKNOWLEDGEMENT

Taking this opportunity, I would like to express my sincere thanks to all the Steering Committee Members including PNP James Tsui, PNP Paul Wu, PNP Karen Yeung and NIPP Ben Mak for their contributions to the Committee. Also, my appreciation goes to NP Raffael Wong for his advice and CE Phyllis Chan for her role as the Secretary of the Committee.

Strategic Brand Reinvention: A Framework for Enhancing JCI Hong Kong, China's Identity & Impact – A Comprehensive Three-Pillar Strategy for Internal Consolidation and External Amplification.

Forward

This task force is mandated by the Strategic Planning Committee with member composition as below:

1. Senator Stanley Ng (2012 National President) from JCI Island
2. Senator Zenith Lin (2019 National President) from JCI Dragon
3. Mr. C.K. Lee, 1993 Chapter President, JCI Kowloon
4. Senator Angel Chung, TOYP PR Advisor, JCI Peninsula
5. Senator Carmen Wong, 2016 Chapter President, JCI Bauhinia
6. Mr. Ewan Siu, 2023 Chapter President, JCI Island

1. Background: The Strategic Imperative for JCI Hong Kong, China's Brand Reinvention

JCI Hong Kong, China operates in a uniquely competitive and fast-paced environment. The city is saturated with professional networks, NGOs, and youth development organizations. While JCI possesses a powerful 100-year global legacy and a proven "Be Better" framework, its local brand identity risks becoming diluted or perceived as outdated.

The current challenges include:

- **Anonymity of the Jaycee Identity:** Members often join for networking but may not fully internalize or articulate the core values of "Service to Humanity" and faith in the "Rule of Law." This weakens alumni loyalty and the emotional resonance of the brand.
- **Perceived Relevance:** The tangible connection between JCI experiences (project management, local chapter leadership) and their

direct application in members' daily professional lives is not always explicitly communicated.

- **Leadership Pipeline & Quality:** Consistency in leadership quality across chapters can vary, impacting the professionalism and external perception of the organization.
- **External Visibility:** Beyond its membership, JCI Hong Kong, China's voice in crucial societal conversations (e.g., youth development and leadership) is not as prominent as it could be, missing opportunities to attract high-potential members and influence public policy.

To counter this, JCI Hong Kong, China must transition from being a *passive membership organization* to an *active, visible, and impactful leadership brand*. The following 10 actions are designed to achieve this by focusing on **internal brand consolidation** and **external brand amplification**.

2. Branding Objective:

To drive public perception that JCI members (Jaycees) are competent young people with a good heart and international exposure. Instead of focusing on the organization or projects, the committee belives that image of members would be the best vechicle to carry the brand.

---

3. The Three-Pillar Strategy & Action Plan

The proposed actions are interconnected under three strategic pillars.

Pillar 1: Strengthening the Internal Brand Core

Objective: To ensure every member and leader understands, embodies, and can professionally communicate the Jaycee identity.

Action No.	Action Idea	Key Deliverables	Expected Outcome

1	Reshape PMO with a standardized structure that prioritizes communicating the purpose and calling in Jaycee Identity and the application of JCI skills in daily/work life.	Standardized PowerPoint visual templates, NOM guidelines, "JCI Journey" framework.	Consistent, high-quality member experiences that reinforce organizational value and benefits in life.
2	Reshape MFG with a standardized structure that prioritizes communication and reflection of Jaycee Identity, featuring Alumni testimonials.	Comprehensive tool-kit with settings, program flow guidelines, PowerPoint templates, speech suggestions, and a bank of guiding interview questions for alumni talks.	Strengthened alumni bonds and powerful, relatable stories that make the Jaycee identity tangible.
3	Specific training for members in leadership to leverage their executive presence and body as a vehicle for brand message delivery.	A dedicated workshop on personal branding, public speaking, and professional presence.	Leaders who not only lead but also *look and sound* like the professional leaders we aim to develop.

4	Brand action through daily board activity and governance to demonstrate professional management competence.	Meeting and management skills of all sizes in engaging board members and participants to model best practices in governance.	Enhanced internal trust and external credibility, proving we practice what we preach.

Pillar 2: Creating Visible, High-Impact External Platforms

Objective: To position JCI Hong Kong, China as a leading voice on youth and leadership issues, engaging stakeholders and attracting high-potential members.

5	International Chapter Visit Scheme within the JCI Hong Kong, China 55+ Sister Chapters network.	A formalized scheme with partner chapters, a promotion package for participants.	Enhanced international perspective for members and stronger global network bonds.

6	Celebration of International Youth Day (Aug 12) and JCI Day (Dec 11) with flagship reports and government engagement .	"Future Confidence Index" report, "Keyword of the Year" report, and press conferences.	Establishes JCI as a thought leader, generates media coverage, and facilitates government relations.
7	Create a PR event: "International Leadership Under 40 Summit" U40 with cross-sector and JCI Area B leaders.	A major annual event, potentially alongside the National Convention.	Positions JCI at the center of Hong Kong,China's leadership ecosystem; major PR and networking coup.
8	Strategic joint programs with universities and relevant entities to enhance visibility.	Co-hosting NOM PMO, Career Talks, and presentations of the "Keyword" study on campus.	Direct access to the future member pipeline and builds brand credibility with academic institutions.

Pillar 3: Modernizing Brand Storytelling & Communication

Objective: To communicate our brand narrative through modern channels in a format that resonates with our target audience.

Action No.	Action Idea	Key Deliverables	Expected Outcome
9	Making members skill set visible in public. NOM to define a detailed leadership skill matrix to be used in chapter board elections and frequent, relevant training programs. It would also align with members' professional CV. Skills earned in JCI would be LinkedIn testimonial by stakeholders.	A published leadership competency framework, enhanced training calendar under NOM. Also, by using LinkedIn professional platform, visible linkage of JCI manamgnet skills to real life.	Higher-quality, more competent chapter boards and a more robust leadership pipeline with clearer skills.
10	Launch a medium-term Social Media Campaign emphasizing "Service to Humanity" and "Young Leaders."	Series of Reels/short videos: “My hidden mission is Changing the World” & “Leadership Under 40”.	A modern, humanized brand image that attracts a younger demographic and provides social proof.

4. Conclusion

This comprehensive strategy moves the needle from isolated tactical events to a strategic, branded ecosystem. By building a strong internal identity, creating platforms for external influence, and telling our story effectively, we will secure the relevance of JCI Hong Kong, China for the next generation. We will not only develop better leaders within our organization but also firmly establish ourselves as the leading voice for young leadership in Hong Kong.

Recommended Next Step: Form a dedicated task force with representatives from NOM, Chapter representatives, and SPC members to begin detailed planning and implementation.

We needed a lot of manpower and support for all our IA receptions this year to offer the warmest hospitality to our overseas guests. This could not have been achieved without the support from the national officers, local presidents, IA ambassadors, IA representatives, all drivers, and helpers from all 21 LOMs. I wish IA ambassadors could gain experience from our program and pass on the knowledge to their chapter members during their sister chapter receptions.

Special gratitude from my bottom of my heart to National Immediate Past President Senator Ben Mak, 2013 National President Senator Paul Wu, 2015 National President Senator Anthony Leung and 2023 National

5. CONCLUSION AND ACKNOWLEDGEMENT

"We Are Leaders"

As a leadership development organization, nurturing leaders is one of our core values. Leaders are not born but are developed through training and experience. Therefore, NTDC focuses on cultivating leadership skills by organizing various events—including the Trainer Mentorship Program and Training Outreach Program—to establish platforms that enable JCI members to develop into effective leaders.

It is with great honor that I serve as the Chairman of the National Training and Development Commission in 2025. Throughout the year, the Commission has achieved numerous breakthroughs—such as inviting JCI Macao as a partner to enhance the impact of the Trainer Mentorship Program and establishing connections with external training organizations to provide additional development opportunities for JCI members. These efforts align closely with our theme, "We Are Leaders."

I would like to take this opportunity to sincerely thank National President Senator Rafeal Wong for the invitation, as well as my mother chapter, JCI Tai Ping Shan, for granting me the opportunity to serve as the Chairman of the National Training and Development Commission for this year. I also wish to express my deepest gratitude to our Area Advisor, 2002 National President Senator Tony Chan; our distinguished supervisors—National Executive Vice President Senator Michele Lau and National Vice President Senator Zion Fu; and our dedicated partners, including National Leadership Development Director Kelvin Cheung and his team, for their valuable advice, continuous guidance, and unwavering support.

My appreciation also extends to my Vice Chairmen—Catherine Lai, Tommy Yip, and Rex Lau—for their exemplary partnership, teamwork, and support, which contributed significantly to a successful and fulfilling year for NTDC.

None of our programs could have been accomplished without the support of our National Officers, representatives, trainers, and helpers from the Local Chapters, particularly those who participated as trainers in the Trainer Mentorship Program and other initiatives. On behalf of the Commission, I would like to sincerely thank all of you for your generous support and dedication to the National Training and Development Commission throughout this year.

Every individual has the potential to thrive in a fair environment, demonstrating resilience and boundless possibilities — echoing this year's theme: "One to Infinity," where lives inspire lives.

This event aims to raise public awareness and support for para sports. Through competitions, sharing sessions, and educational activities, we aim to convey the following core messages:

1. Empowerment and Equality
   Promote greater opportunities for persons with disabilities in both sports and daily life, while advocating for their right to equal participation.

2. Social Inclusion
   Sport is a universal language. We hope to use para sports as a means to build a more inclusive society and foster a diverse and harmonious community.

3. Inspiration and Motivation
   The perseverance and courage displayed by para-athletes not only inspire others but also challenge and redefine our perceptions of "ability."

4. Strengthening Family Bonds
   Using sports as a bridge, we aim to heal family relationships, enhance youth mental resilience, and promote social inclusion — connecting individual growth to the broader ecosystem of family well-being.

We believe that promoting sports for persons with disabilities goes beyond the development of athletics — it also calls for public appreciation and respect for diversity, helping to build a more loving and equitable society.

Through this flagship event, we sincerely invite the support and participation of all sectors, joining hands to create more platforms for persons with disabilities, ensuring that every effort and act of perseverance is seen and recognized.

1.3 Branding

Through social media, publications, external relations, and flagship projects, we aim to enhance the chapter's public branding within the community and rebuild connections with like-minded organizations both in Hong Kong and beyond. Additionally, we seek to promote "**The Universal Declaration of Human Duties for Leaders**" in alignment with the 2025 Plan of Action of JCI, emphasizing the significance of human duties in our flagship initiatives, such as “Y(outh) Soul Serious”, “MC in the House 2.0” and “Business to the Power N”.

Achievement:
Through social media, publications, external relations, and flagship projects, JCI Kowloon aims to enhance the chapter's public branding within the community while rebuilding connections with like-minded organizations both in Hong Kong and beyond. Our efforts are closely aligned with the Universal Declaration of Human Duties for Leaders, which emphasizes the importance of promoting human rights and responsibilities to create a just, peaceful, and sustainable world.

The "MC in the House" 2.0 program exemplifies the duty to **Educate Yourself, Teach Others** by providing practical training and mentorship to aspiring Masters of Ceremonies. Supported by the Wofoo Foundation, this initiative equips participants with essential skills through engaging workshops led by esteemed trainers, for example, PP Vincy Wong

(HKJTT), PP Senator Roy Tang (DJC), PP Senator Winita Yeung (AJC), and PP Senator Cyrus Tang (CJC). By benefiting over 25 delegates, the program not only enhances individual capabilities but also prepares them to serve humanity effectively in the vibrant events industry. Graduates, such as Claire Yu (SJC) and Vincent Ko (KJC), have already begun to apply their skills in real-world settings, embodying the duty to **Serve Humanity** by contributing to their communities as skilled communicators.

The community impact flagship project "Y(outh) Soul Serious" aligns closely with the duties to **Preserve Life** and **Respect Human Personality**. By addressing youth mental health, the initiative promotes human dignity and fosters a supportive environment for young individuals. The project began with a comprehensive survey assessing peer support behaviors and mental health knowledge, aiming to empower youth and cultivate harmonious family relationships. Esteemed speakers highlighted the importance of mental health, and workshops were tailored to foster awareness among primary school students. By reaching over 60 student ambassadors and engaging more than 60,000 individuals through social media, "Y(outh) Soul Serious" has effectively contributed to a safe and fair community, fulfilling the duty to **Serve Humanity**.

The "Business to the Power N" project reflects the duty to **Pursue Prosperity** by equipping participants with the knowledge and skills needed to thrive in the entrepreneurial landscape. Through a 3-day mini-MBA course, over 70 attendees gained insights into company registration and business model development, supported by industry leaders who provided valuable guidance. This initiative not only fosters economic growth by empowering young entrepreneurs but also emphasizes the importance of **Sustaining for the Future** by encouraging sustainable practices and innovative ideas. More than 30 participants gained exposure to cutting-edge technology and opportunities within the Greater Bay Area, positioning them to contribute positively to the economy and society.

In celebration of our 60th Anniversary at Kowloon Shangri-La, Hong Kong, we welcomed more than 300 guests, reflecting JCI Kowloon’s commitment to nurturing tomorrow’s leaders and making significant contributions locally and internationally. These flagship initiatives

collectively enhance JCI Kowloon's branding, promoting community engagement, youth empowerment, and professional development while firmly establishing the chapter as a pivotal organization in Hong Kong's development landscape.

2. THEME

Embrace the Creed, Fulfil Human Duties

"Embrace the Creed, Fulfil Human Duties," highlights our commitment to fostering leadership and social responsibility among young people.

By embracing the JCI Creed, members uphold essential values such as service, cooperation, and integrity, which promote both personal and collective growth. We aim to leverage the creed as a core element in our outreach to potential new members, strengthening our foundation and motivating existing members by reminding them of our original intentions. In developing the branding of JCI and JCI Kowloon, we seek to enhance brand awareness and visibility through collaboration with like-minded partners.

"Fulfil Human Duties" emphasizes our societal responsibilities, encouraging proactive engagement with social issues, sustainability, and the well-being of others. In line with the 2025 Plan of Action of JCI, we will actively promote the global petition to recognize July 10th as International Human Duties Day, aiming to gather at least 200,000 signatures for submission to the United Nations by the end of 2025. Additionally, we will highlight the importance of human duties in our flagship initiatives, such as "Y(outh) Soul Serious", "MC in the House 2.0" and "Business to the Power N".

This theme motivates our members to enhance their leadership skills and act as catalysts for change, fostering a strong sense of duty toward their communities. Together, these ideas cultivate empathy and action, empowering young leaders to make meaningful contributions.

6. PROJECTS & ACTIVITIES

6.1 MC in the House 2.0 (Individual Development)

"MC in the House" is a flagship individual development project organized by JCI Kowloon, launched in 2022 to meet the growing demand for skilled Masters of Ceremonies (MCs) in Hong Kong's dynamic events

industry. This initiative empowers young adults by equipping them with essential communication and presentation skills necessary for public speaking and event hosting. Through practical training, mentorship, and insights from seasoned professionals, participants engage in interactive workshops that enhance both technical and soft skills.

As we evolve with "MC in the House 2.0," the program aligns with the United Nations Sustainable Development Goals (SDGs) by promoting quality education (SDG 4), supporting economic growth (SDG 8), and reducing inequalities (SDG 10) through targeted outreach to diverse participants.

Aimed at young adults aged 18-40, the program fosters confidence, provides networking opportunities, and enhances employability, culminating in a recognized certificate that showcases their newly acquired skills. Ultimately, "MC in the House" stands as a testament to JCI Kowloon’s commitment to nurturing the next generation of leaders and communicators in Hong Kong's events sector.

Impact Achieved

With support from the Wofoo Foundation, this program combines practical training and mentorship from seasoned professionals, equipping participants with the skills necessary to excel in this dynamic field.

Four star trainers—PP Vincy Wong (HKJTT), PP Senator Roy Tang (DJC), PP Senator Winita Yeung (AJC), and PP Senator Cyrus Tang (CJC)—led interactive workshops that covered essential topics such as effective communication, event management, and presentation techniques. These sessions were designed to be engaging and hands-on, enabling participants to practice their skills in real-time and receive immediate feedback. The program benefited over 25 delegates, providing them with invaluable insights and tools to enhance their capabilities as Masters of Ceremonies.

The program culminated in an Assessment Day, where participants showcased their skills in a live setting. This event allowed them to apply what they had learned throughout the program in front of an audience, simulating the actual experience of being an MC at various events. Esteemed judges, including PP Senator Winita Yeung (AJC), NHT PP

Alan Ho (AJC) and P Michael (KJC) provided valuable feedback, helping participants identify their strengths and areas for improvement. Upon completion, participants received certification, further validating their newfound skills and enhancing their professional profiles.

Notably, graduates from the program have already begun to put their training into practice. For example, Claire Yu (SJC) was invited to serve as the MC for the June fellowship gathering of JCI Kowloon, while Vincent Ko (KJC) was selected as one of the MCs for the JCI Kowloon 60th Anniversary Banquet. These opportunities provided the graduates with hands-on experience, further developing their skills and confidence as professional MCs.

By focusing on practical experience and mentorship, "MC in the House" 2.0 has not only developed individual capabilities but also contributed to raising the overall standard of event hosting in Hong Kong. The program has empowered aspiring MCs to pursue opportunities in a competitive industry, fostering confidence and professionalism among participants. Through this initiative, JCI Kowloon has solidified its commitment to individual development and professional training, establishing itself as a key player in nurturing talent within the community.

6.2 Y(outh) Soul Serious 2025 (Community Impact)

Y(outh) Soul Serious addresses the alarming rise in youth suicide cases in Hong Kong, which increased from 23 to 32 reported suspected cases between 2019 and 2023. This trend underscores the urgent need for mental health support, particularly as many teenagers struggle to cope with overwhelming psychological pressure. Research indicates that friendships are crucial for mental health; a survey by The Mental Health Association of Hong Kong found that about 40.87% of respondents aged 18 and above share their experiences of depression or anxiety with friends. Additionally, a report from the Hong Kong Federation of Youth Groups highlights that young people often feel a stronger connection with peers than with teachers or parents.

In response, "Youth Soul Serious" aims to enhance psychological resilience and cultivate positive thinking through a series of activities designed for adolescents and children. The initiative will teach peer support and emotional adjustment techniques to foster a supportive environment where young people can openly share their experiences,

ultimately empowering them to navigate their challenges more effectively and contribute to a healthier community.

Impact Achieved

The community impact flagship project "Y(outh) Soul Serious" has made significant strides in addressing youth mental health within our community. The initiative commenced with a comprehensive survey designed to evaluate peer support behaviors, mental health knowledge, help-seeking attitudes, and acceptance of negative emotions, collecting over 670 responses. This extensive data provided valuable insights into the youth mental health landscape, revealing both strengths and areas that require attention.

Following the survey, we held an opening ceremony featuring esteemed guest speakers, Dr. Cheung Yeuk Tip from the Hong Kong Playground Association and Mr. Stephen Wong from the Mental Health Association of Hong Kong. They underscored the critical importance of youth mental health and shared key findings from the survey, raising awareness and setting the stage for further engagement. In conjunction with this event, we conducted an educational workshop for more than 40 primary school students, fostering early awareness of mental health issues and equipping them with essential knowledge to understand and manage their emotional well-being.

The initiative also organized a day camp filled with engaging activities for over 60 primary and secondary students, providing them a space to relax and practice expressing their feelings. In collaboration with the Mental Health Association of Hong Kong, we offered educational courses on youth emotional care, teaching more than 60 secondary students effective strategies for managing negative feelings and understanding their emotional landscapes. Additionally, we hosted a monthly fellowship gathering with over 30 delegates featuring Dr. Cheung Yeuk Tip, who discussed support for school dropouts through the Unusual Academy.

A subsequent day camp for secondary students focused on teamwork and fostering a positive outlook. The initiative culminated in a closing ceremony attended by Guest of Honour, Ms. Chan Lok Tung, Agnes, the Assistant District Officer of Sham Shui Po. During this event, over 60 student ambassadors received certificates for their participation and

engaged in an enlightening talk by mental health expert Ms. Wai Choi Kei Maggie from the Samaritan Befrienders Hong Kong.

Overall, the program positively impacted over 60 student ambassadors. Through promotional efforts on social media platforms like Facebook and Instagram, as well as EDMs and JCI networks, we achieved an impression of more than 60,000 individuals and reached 4,500. Supporting organizations included Buddhist Tai Hung College, Good Counsel Catholic Primary School, the Hong Kong Playground Association, the Mental Health Association of Hong Kong, Go with Youth, the Wofoo Foundation Harmony Fund, and the HKJC Foundation. Through these collaborative efforts, "Y(outh) Soul Serious" has created a supportive community, empowering young people to take charge of their emotional well-being and significantly enhancing youth mental health in our society.

6.3 Business to the Power N (Business and Entrepreneurship)

Business to the Power N is a flagship initiative by JCI Kowloon aimed at empowering aspiring youth entrepreneurs in Hong Kong through targeted education and networking resources. This program provides essential training and support for young individuals seeking to launch their own businesses but lacking the necessary knowledge and skills.

By offering practical insights into business fundamentals, marketing strategies,
and financial management, the initiative fosters innovation and equips participants to confidently navigate the entrepreneurial landscape.

This project aligns with the United Nations Sustainable Development Goals (SDGs), particularly Goal 8: Decent Work and Economic Growth. It promotes inclusive and sustainable economic growth, full and productive employment, and decent work for all. By nurturing the entrepreneurial spirit among youth, "Business to the Power N" helps build resilient economies and empowers young leaders to create a positive impact in their communities.

Impact Achieved

The "Business to the Power N" project successfully engaged and empowered over 200 participants across three impactful phases, fostering a generation of young leaders ready to enter the

entrepreneurial landscape.

The first phase was a 3-day Mini-MBA course that equipped aspiring entrepreneurs with essential knowledge in company registration, business model development, and funding strategies. Notable instructors, including Mr. Terence Yeung, CPA, CFA, shared valuable insights on company setup, while Ms. Ally Kwok and Mr. Kenneth Leung guided participants in crafting effective funding proposals. Additionally, Mr. Brian Lee, CFA, Mr. Marcus Tse, and Mr. Leo Lui, CPA, provided crucial strategies on refining business ideas and conducting market research, enabling attendees to transform creative concepts into viable business models.

The second phase consisted of four entrepreneurial seminars that attracted over 100 attendees. These seminars featured a diverse lineup of industry leaders, including Mr. Andy Yip, CEO of GungHo Space; Dr. Stephen Chan, a healthcare investment expert and former McKinsey consultant; Mr. William Wong, CEO and CIO of an investment management firm; and Mr. Howie Wong, General Manager of Kampery, a manufacturer and distributor of premium coffee, tea, organic foods, and wines. Their discussions covered a wide range of relevant topics, inspiring participants and providing them with valuable insights into the entrepreneurial journey.

The final phase involved a one-day visit to the Hetao Shenzhen-Hong Kong Innovation and Technology Cooperation Zone, where over 30 attendees explored cutting-edge technology opportunities in the Greater Bay Area. They learned about the seamless government services offered by the e 站通 platform and experienced the autonomous Bus Trial Ride at Urban Light. This exposure to innovative business models and technologies informed participants about reducing operational costs and forming strategic partnerships.

Overall, the project not only facilitated learning and networking but also instilled confidence among participants, empowering them to pursue their entrepreneurial aspirations with a solid foundation of knowledge and real-world insights. We are grateful for the strong financial support from the HKJC Foundation, which made this impactful program possible.

9. CONCLUSION & ACKNOWLEDGEMENT

As I reflect upon my journey this year as President of JCI Kowloon, I am filled with a profound sense of honour and gratitude, particularly as we commemorate our significant 60th anniversary. Guided by the 2025 theme "Embrace the Creed, Fulfil Human Duties," we aspire to inspire one another to uphold our shared values while actively contributing to society. This year undoubtedly presents its challenges, commencing as we did with a modest number of full members. Nevertheless, I take great pride in the unwavering commitment demonstrated by our board members toward the goals I established for this year. I am sincerely appreciative of their hard work and contributions to our collective vision, which exemplifies our ability to overcome obstacles even in the most testing of times. We should all take pride in our accomplishments this year.

Through our flagship projects—MC in the House, Y(outh) Soul Serious, and Business to the Power N—we have successfully expanded our brand value through engaging with numerous professionals, including local MCs, psychologists, business founders, secondary schools, government officials, and funding commissions. This has significantly enhanced the support for our organisation. Furthermore, our international cooperation initiatives, including the official visits to our sister chapters and the sister chapter reception in Hong Kong, alongside our 60th Anniversary banquet, have strengthened the bonds with our sister chapters and fostered international friendships among our members.

Moreover, our JCI Kowloon members have actively contributed to JCI Hong Kong, China’s activities, for instance, co-hosting the 42nd 5-star training camp and the JC Cup, demonstrating their dedication and talent not only within our chapter but also to the national organisation. Our members' involvements span various areas, including International Cooperation, Community Impact, Individual Development, and Business & Entrepreneurship.

I would like to take this opportunity to extend my heartfelt gratitude to National President Senator Rafael Wong and all members of the JCI Hong Kong Board of Directors and Officers for their invaluable support of JCI Kowloon. My appreciation also extends to our National Assigned Executive Officer, Senator Elaine Tang, for her continuous guidance throughout the year.

I am deeply grateful to my Honorary Advisor, Past National President Senator

Edmond Pang, as well as Presidential Advisor Past President Senator Kitty Chan and Past President Senator Leo Lam, along with our Chapter Advisors: Past President Senator Queenie Lo, Past President Senator Franki Law, Past President Gilbert Lo, Past President Christy Mak, Senator Alan Lui, Senator Dicky King, Senator Crystal Chau, and all the Past Presidents for their ongoing guidance and encouragement.

My heartfelt thanks also go to Past National President Senator Paul Wu and Past President Senator Claudia Chor for their roles as advisor and chairlady of the JCI Kowloon 60th Anniversary Banquet. Under their leadership and the diligent efforts of the organising committee, the celebration was a resounding success.

Finally, I wish to express my utmost appreciation to my Executive Committees, Directors, Officers, and all project chairpersons and members who have contributed to our Chapter and collaborated with me this year.

Let us continue to build a positive future together, embracing our creed and fulfilling our human duties! I sincerely wish the Chapter every success in the years to come.

6. PROJECTS & ACTIVITIES

6.1 JC Sports Day

Since its inception in 2005, JC Sports Day has been a cornerstone of JCI Island's vision to promote an active lifestyle among its members and the wider community. This annual event not only brings together participants from all JCI chapters in Hong Kong but also fosters cooperation and camaraderie among team members through friendly competition.

The first JC Sports Day took place on 24 April 2005, and since then, it has grown into a highly anticipated gathering, held every year. The event features a variety of track events, ranging from 100 meters to 3000 meters, as well as exciting field events like high jump, long jump, and shot put. Each year, athletes showcase their talents and dedication, creating an atmosphere of encouragement and support.

1 May 2025, marked the successful execution of JC Sports Day, featuring over 250 athletes from 21 participating chapters. This year's event was particularly noteworthy, as we engaged various organizations, including the International Lions Clubs and the Hong Kong Chinese Accountants Association, to promote community spirit.

A highlight of the event was the "Family Harmony: Parents and Kids Relay," which encouraged family bonding through friendly competition, showcasing our commitment to community engagement.

6.2 Magic Theatre

Magic Theatre is designed to address income disparity and resource allocation issues by implementing a "Train the Trainer" approach for magic performance training. This program will train volunteers who will then teach low-income and grassroots families' children. The initiative aims to enhance personal expression, build confidence, and provide performance opportunities to broaden their horizons.

Income inequality limits access to resources and opportunities for many children, particularly those from low-income families. By empowering volunteers with training in magic performance, we can create a sustainable program that not only benefits the children but also engages the community. This method fosters long-term impact through skill transfer and mentorship.

For children, learning magic can help children improve their expression and social skills through performance, making them more confident in communicating with others. Additionally, magic is a performing art that requires imagination; it transforms "skills" into "magic" through creativity, thus stimulating imagination and encouraging innovative thinking.

The experience of handling tension and pressure during magic performances on stage also helps children learn how to cope with stress in everyday life. Moreover, magic can train the small muscles in their hands and improve hand-eye coordination. Therefore, magic greatly benefits children's physical and mental development.

Volunteers participating in this program can learn magic while also discovering how to train and interact with children. Engaging with children is a common situation in daily life, and this learning can enhance everyday interactions.

For example, volunteers can learn to use the captivating effects of magic

to assist children in focusing better during daily activities or learning sessions. Parents who volunteer can also bring their newfound magic skills home, increasing interactions and strengthening bonds with their children.

On 20 August 2025, a performance show starring eight children was conducted at the Jockey Club Creative Arts Centre.

6.3 Social Outreach

JCI Island has actively engaged in social outreach, completing four volunteer activities that have made meaningful impacts in our community. These initiatives demonstrate our commitment to serving those in need and contributing positively to society.

We are pleased to report a net growth in our membership, increasing from 26 on 1 January 2025 to 30 members on 18 August 2025, despite the departure of two full members. This increase reflects our vibrant community and the collective efforts of current members to attract new talent. Engaging activities and initiatives, such as social outreach, will support our ongoing recruitment efforts.

7. PROJECTS INVOLVED WITH OTHER LOMS IN HONG KONG

Mongolia Night: Naadam Heroes Conference Recap

On 25 February 2025, JCI Island had the privilege of co-hosting the Mongolia Night event alongside JCI Kowloon, JCI Queensway, and JCI City Lady. This collaborative effort allowed us to gain valuable insights into Mongolian culture and establish stronger ties with fellow LOMs in Hong Kong.

The event featured several distinguished guest speakers who enriched our experience. Mr. Zorig Telmuun, the Consulate Vice President, shared his perspective on Mongolia, while PNP Senator Teresa Poon recounted her experiences from the last ASPAC in Mongolia. We were also enlightened by Tenuun Batbold, the JCI Mongolia IA Director for South East Asia, who provided information on Mongolian customs and traditions.

During the event, we learned about the official currency of Mongolia, which is the Tugrik (MNT). Additionally, we discussed the variable weather conditions in

Mongolia, particularly during the summer months when temperatures can fluctuate significantly between hot days and cool nights.

A highlight of the evening was the screening of an engaging video from the last ASPAC event, which showcased Mongolia's rich culture and hospitality. This experience generated excitement and anticipation for the upcoming conference.

We also focused on cultural etiquette, emphasizing the importance of respecting local customs. Attendees were encouraged to participate in traditional activities and engage with locals, and learn simple Mongolian phrases, such as "Sain Bainuu?" (Hello) and "Bayarlalaa!" (Thank you), was recommended as a way to connect more deeply with the culture. Furthermore, we highlighted certain cultural sensitivities, such as the importance of avoiding touching a man's right shoulder and head, which are considered sacred areas.

Overall, the event successfully fostered collaboration among the participating LOMs, enhancing our collective understanding of Mongolia and preparing us for the upcoming ASPAC conference. We look forward to exploring this fascinating land together, deepening our friendships, and creating meaningful partnerships.

8. OUTSTANDING PROJECTS TO BE LAUNCHED

8.1 Lead to the Future

With the rapid world-wide development of AI in recent years, some positions were already replaced by AI even in Hong Kong. The World Economic Forum (WEF) suggested 10 critical future skills in 2023 to avoid being replaced by AI.

LEAD to the Future hosted by JCI Island to provide a series of program to train the local university students the future skills and application of AI in real business world.

Project objectives includes

- To develop young people's future skills (e.g. problem solving, team work, technology development, etc.) through a series of workshops. Participants are expected to learn new concepts and methodologies which are not taught in their lectures.

- To nurture young people's business sense through mentoring or networking activities. Participants are expected to actively interact with the workshop trainers and mentors.
- To show young people how the application of AI is in the real business world.
- To support young people to achieve their success in career and business start-up in the long run. Cash prizes, reference letters, certificates of completion or internship interview opportunities may be offered.

  Lead to the Future 2025 will be commenced in September 2025.

9. CONCLUSION & ACKNOWLEDGEMENT

In conclusion, the achievements of JCI Island over the past year reflect our unwavering commitment to growth, community engagement, and fostering meaningful connections. We have made significant strides in membership growth, member engagement, and sustaining relationships with our sponsors and other NGOs. As we move forward, the initiatives we have launched and the collaborative projects we have undertaken with other LOMs demonstrate our dedication to creating a positive impact both locally and beyond. I would like to express my heartfelt gratitude to all members, advisors, and partners for their invaluable support and contributions throughout this journey. We will continue to "Fly to the Next Era," embracing new challenges and opportunities that lie ahead.

第六十屆總會周年大會
半島青年商會
會長報告

1. 年度目標

半島青年商會今年的主題是「凝聚同心　飛越界限」，旨在透過一系列的活動和培訓聯繫及裝備會員，讓會員親身體驗個人成長及對社會的影響力。非常感謝各位前會長、參議員及長中青會員的積極參與，引領半島創下多年的成就。因此，傳承亦非常重要，除了鼓勵會員參與培訓，亦鼓勵他們擔任導師，於不同的活動上分享經驗和知識。除此之外，透過積極聯繫以往的合作伙伴，同時爭取潛在合作機構的支持，令更多外界機構認同本會以及工作計劃的意義。另一方面，充份利用社交平台，加及內強軟性宣傳容的互動性，增加半島的曝光率，加強工作計劃的滲透性及影響力。我們團隊將向著共同目標，帶領會員一同「飛越」個人界限，突破自己成為社會上的領袖，在青商以外的崗位上發光發亮，回饋社會，並為身邊的人帶來更多正能量。

1.2 鞏固會內、會外定位

- 共 24 位會員擔任導師，於不同活動上教授知識，包括：社交媒體應用、溝通技巧、行政工作流程、撰寫傳媒稿等等。
- 延續董事局師友計劃，配對前會長及董事局成員作為導師，並鼓勵董事局成員也成為籌委會成員的導師，實踐青商薪火相傳文化
- 延續競投冊指導小組，讓有經驗的前會長及會員分享以往於該範疇的策略及經驗，引導新會員認識撰寫競投冊的技巧
- 為各工作計劃建議宣傳策略及訂立宣傳時間表，所有回顧帖文均以短片形式發放，並於社交媒體分享活動情況，Instagram 的跟蹤人數超過 2,000 人，半年內的增長達 26%

- 主動與新舊共 105 個合作伙伴聯繫，定期更新本會的資訊
- 聯同其他分會合辦培訓和聯誼活動，先後舉辦過 5 次聯會活動，除了與太平山青年商會合辦「公眾演講比賽」、與獅子山青年商會合辦青商正式課程以外，還有與中國澳門姊妹會濠江青年商會合作舉辦訓練營及非遺文化交流活動、與各姊妹會選出十大極端天氣；與多個分會舉辦歡樂時光聚會，加深會與會之間的會員連繫

1.3 擴展國際視野發展、深化國際價值

REPORT TO THE GENERAL ASSEMBLY OF THE 60th NATIONAL CONVENTION FROM THE PRESIDENT OF JUNIOR CHAMBER INTERNATIONAL HONG KONG JAYCEETTES

1. OBJECTIVE AND YEAR ACHIEVEMENT

Thrive, Transform, Transcend: A Year of Empowering Women Leaders

As we reflect on 2025, JCI Hong Kong Jayceettes celebrate a year of remarkable achievements in leadership development. Building upon our successful 55th anniversary celebrations, we have made significant progress across our three strategic pillars: empowering members to **thrive** in challenging times, **transforming** our operations through innovation, and **transcending** boundaries to create greater impact.

This year, we remained steadfast in our commitment to developing female leaders who can navigate an increasingly complex world shaped by technological disruption, sustainability challenges, and global uncertainties. Through our theme "**WE Lead the Future**," we have strengthened our position as a premier organization for young women professionals seeking to make a difference in Hong Kong and beyond.

1.1 Thrive: Developing Leaders for a Complex World.

In a landscape reshaped by AI, climate change, and geopolitical shifts, we prioritized creating an ecosystem where our members could flourish despite global uncertainties:

The **SHE Sparks in Tech** 她創未來 **program** addressed the critical gender gap in STEM fields through hands-on workshops in AI, problem-solving, and digital leadership. Our partnership with industry leaders AWS, HKSTP, and Cyberport enabled us to deliver practical, cutting-edge training for over 300 participants. The program culminated in an elite three-month track where 50 selected professionals developed AI solutions for ESG challenges, with 15 finalists presenting their innovative proposals.

Our **Future Leaders Forum: Soar to Sustainable Future** 翱翔未來：永續領袖論壇 brought together close to 200 attendees from diverse sectors to explore

sustainable business models. We were honored to host speakers from leading organizations, including Cathay Pacific, MTR Corporation, Regent Hotel, PwC, and Tai Jai, while welcoming participation from Wofoo, Hong Kong Productivity Council, and government bodies. This forum not only shared cutting-edge sustainable practices but also reinforced our commitment to responsible business leadership.

On the global stage, our **UN CSW69/Beijing+30 Parallel NGO CSW Forum: "WE Lead the Future"**「巾幗創未來」聯合國第 **69** 屆婦女地位委員會非政府組織周邊論壇 positioned JCI at the forefront of global gender equality conversations. This strategic platform enabled us to amplify Hong Kong's perspectives while driving concrete advocacy with international partners, translating dialogues into action for women's advancement worldwide.

1.2 Transform: Innovating our Operating System and Shaping the Future of Work

Recognizing the need to modernize our operations and lead in the digital age, we made significant investments in digital transformation this year. Our Innovation initiative was designed with two clear objectives: 1) **eliminating operational friction** that distracts from leadership development, and 2) creating a real-world sandbox where members **gain hands-on experience** with the technologies shaping the future of work.

I. Next Generation Digital Platform: The launch of our new website at jcihkjayceettes.org represents a huge leap in member experience:

- The fully integrated platform now handles everything from event registration to payment processing, reminders, onsite check-in, and surveys, reducing registration time by 80% from a typical 2-minute process via Google Forms and bank transfers to just 15 seconds on our platform.
- Member profiles allow for better tracking of individual development journeys and participation records.

II. AI-powered Chapter Management:

- The Innovation task force (that's literally everyone!) piloted GenAI tools for organization and chapter management with immediate impact. We achieved 60% operational efficiency gains, saving over 30 hours, mostly in administrative work.
- Widely adopted use cases include content creation and uplift (meetings, social media posts), document processing, visual asset generation,

speech-to-text transcription, strategic ideation, and financial reviews.

Digital transformation is a multi-year initiative, and efficiency is simply the first step. We aim to introduce better analytics for chapter management and provide tailored membership development paths once the fundamental infrastructure is in place.

1.3 Transcend: Building a High-Impact Membership

This year, we made a strategic shift from pursuing membership growth to cultivating quality talent that drives meaningful impact. We redefined what it means to be a Jayceette by establishing ourselves as a premier leadership incubator that attracts and develops exceptional professionals through transformative experiences.

Through quality programs and initiatives, we welcomed over 10 **high-caliber recruits** from finance, tech, education, and entrepreneurship—individuals who demonstrate both professional and leadership potential.

Our **international exposure** reached record levels with delegations to eight economies, including Japan, Malaysia, the Philippines, Mongolia, South Korea, and Tunisia, maximizing development impact with first-timers on each trip. We also led JCIHK's largest delegation to Mongolia ASPAC with 37 delegates (including 9 first-timers), while establishing and strengthening connections with 8 international chapters.

The inclusion of the **Asia-Pacific Lady LOMS Convention (APLLC)** in the ASPAC Conference marked a major milestone in our regional recognition. Co-hosted with JCI Mongolia Women's Club, we opened doors to participants beyond the APLLC alliance and engaged over 200 participants to discuss AI adoption across the Asia-Pacific region.

Our **civic engagement** gained significant traction with three members appointed as District Members through the Self-recommendation Scheme for Youth ("MSSY") in Hong Kong, and another joined the All-China Youth Federation.

We have empowered members to establish their **thought leadership** through over 15 speaking and judging engagements locally in Hong Kong, across Asia, and even globally with the UN CSW NGO Forum.

Lastly, our chapter received **special accreditation from the United Nations** to participate in two UN meetings in September:

- High-Level Meeting to Commemorate the 30th Anniversary of the 4th World Conference on Women on September 22.

- High-Level Meeting to Commemorate the 30th Anniversary of the World Programme of Action for Youth on September 25.

2. THEME

"WE Lead the Future" embodies our commitment to Women Empowerment (WE). It reflects our dedication to nurturing young female leaders who are ready to adapt and thrive in a rapidly changing world, tackling tomorrow's challenges with confidence and creativity.

Through our Future Leaders Initiatives, we provide exposure, new perspectives, skills training, and networking opportunities that inspire Jayceettes to believe in their potential, especially in the digital-centric world. We foster a supportive environment where they can share ideas, confront challenges, and celebrate successes together.

Our commitment goes beyond individual growth; we aim to cultivate a community of empowered women who uplift one another and drive meaningful change. Together, we are not just preparing for the future — we are shaping it.

Let us continue to inspire, support, and lead the way towards a brighter tomorrow. The future is ours to lead.

9. 總結及鳴謝

回首這一年，心中充滿感恩與感動。作為在海港大家庭成長九年的會員，我始終銘記 2016 年入會時的初心，秉持「訓練自己，服務社會」的宗旨，從工作計劃主席、幹事、到董事會成員，再到今年榮膺會長一職，每一步都是蛻變與成長的見證。正如我們名譽顧問莫校長常說的：「今天的我比昨天的我進步」，這不僅是口號，更是我九年來在海港的真實寫照。

今年以「百川匯萃 領袖同行 To-Gather We L.E.A.D.」為主題，我們創造了令人驕傲的成績。最令我感動的是見證了團隊的凝聚力——我們成功匯聚超過 100 間贊助及協辦機構，這個數字不僅代表社會各界的信任，更是對青商理念

的肯定。在「國際兒童繪畫比賽」46 週年之際，我們首次獲得馬來西亞教育局認可，將這項旗艦活動推向新高度；「大灣區青年領袖選舉」不單聯繫祖國，更加勉勵一眾社會領袖持續地為社會帶來積極正面的改變；而「青年有 SAY：自營為商」系列工作坊，則透過與領導才能發展組的合作，為年輕創業者提供實戰平台。

作為會長，我特別珍視與每位會員並肩作戰的時刻。從籌備階段的腦力激盪，到活動現場的汗水與歡笑，我們共同實踐了「領袖同行」的真諦。看到會員們在各自崗位突破自我，達成個人目標，正是我今年最大的成就感。

展望未來，海港青商將繼續扮演「百川匯聚」的平台角色，培育更多青年領袖。感謝全體會員的付出，讓我們繼續以創新思維回應社會需求，創造更多可能！這一年，我們不僅服務了社會，更成就了更好的自己——這，就是青商精神最動人的展現。

我亦衷心感謝總會會長王師堯參議員、總會上屆會長麥頌斌參議員、總會指派執行委員鄧月玲參議員、總會董事局成員、會務顧問林來儀參議員、三位會長顧問方晴參議員 、陳思競參議員及林厚機參議員，以及三位名譽顧問及各位前會長組成的組別顧問團、監事會、專員、會長助理、幹事以及一眾資深會友、會員、準會員及最愛的 2023 年總會董事，以致所有 2025 年會長同學們對本人的支持和鼓勵。

讓我們往後繼續「匯萃」、「同行」！

6. 工作計劃及活動

6.1. 第三十七屆香港特別行政區傑出學生選舉

本年度選舉主題為「『港』經不講經，實『濟』求出路」。近年全球地緣政治局勢緊張、貿易衝突加劇、貨幣政策緊縮、金融市場波動，各國經濟面臨衰退危機，香港更加面對港人外遊及北上消費、消費模式轉變、訪港旅客消費降級、人口老化等不同挑戰，導致許多傳統產業復甦緩慢。儘管香港面臨不少挑戰，香港人都努力求變，尋找不同出路及機遇。政府積極發展創科產業，低空經濟等不同出路。而中央政府亦大力支持香港經濟發展，加強兩地經濟融合，互補優勢，從而獲得更多發展機會。香港政府亦積極引進及培育人才，發展北部都會區，推動創新科技發展及新興產業等政策。

「香港特別行政區傑出學生選舉」始於一九八八年由元朗青年商會籌辦至今，為香港學界極具代表性的盛事。「傑生選舉」的主要目的是提昇和培養年輕一代的領袖。通過甄選和各項評核程序，提高學生對現時社會問題的意識，啟發積極參與及改善社區的工作。

6.2. 新春盆菜宴

2025 年新春靈蛇盆菜宴已於二月十六日在元朗廈村市圓滿舉行，逾 310 位嘉賓共聚，特別感謝 21 個分會全力協作，攜手總會會長、總會董事局成員、前會長及各青商夥伴，以行動實踐「領袖的人類責任宣言」。活動獲何曉雯區議員支持，除邀獨居長者共賞元朗盆菜文化，更透過跨代互動深化家庭共融精神——從舌尖的傳統滋味到心間的關懷暖意，每一環節皆彰顯「尊重個體、貢獻社區」的宣言核心，為新春添賦責任領導力的時代註腳。最後，感謝籌委會的努力才能夠讓活動順利進行。

6.3. 大灣區廣州商務交流團

每年邀請本會董事及會員北上廣洲拜訪廣洲市人大常委及廣洲市青年聯合會，活動主要是帶動香港的年輕人瞭解現在廣州市及大灣區內的創科發展、人才需求、政策發展，以及對新興行業的支援及配套，從而讓人才和企業能雙向流動，同時推動兩地青年交流互動。

6. 工作計劃及活動

6.1 《Show Hard Core- 核心技能訓練班》

背景

在第 59 屆總會周年大會的 Development Forum 中，會友一致認為，現時缺乏針對入會兩年多但尚未加入董事局或親自執行董事局職務的會友的培訓計劃。為此，我們推出一個為期兩個月的實戰核心技能訓練課程，共 12 堂課，旨在加強及鞏固會員的能力與基礎，提供實踐與學習機會。

計劃目標與效果

一個為期兩個月的 12 堂實戰核心技能訓練課程，由 5 位資深導師帶領，每堂課 10-20 人，參與者包括本會會員及不同分會會員。涵蓋六大核心內容，全面提升會員的專業能力與工作效率，特別針對會議與活動管理。課程幫助會員在專業領域中脫穎而出，通過實戰技能的學習與應用，提升會議效率、活動吸引力以及個人職場競爭力。具體效果包括：

- 提升專業能力：掌握會議與活動管理的核心技能，增強職場表現。
- 實踐機會：學員可將所學知識應用於不同計劃及工作場景，鞏固學習成

果。

- 促進交流與合作：課程匯聚本會及不同分會的會員，促進跨分會的交流與協作。
- 順應科技趨勢：學習 AI 科技的實用操作，提升工作效率以應對全球市場競爭。
- 課程涵蓋六大核心內容，旨在全面提升專業能力與效率，特別適用於會議與活動管理。課程教授有效會議管理，通過精心策劃首次會議，確保流程順暢並留下深刻印象；活動策劃聚焦優化活動安排，提升參加者體驗並使活動更具吸引力；溝通技巧強化會議中的交流效率，確保每位參與者都能充分表達意見；時間管理幫助精準掌控會議時長，避免不必要的冗長討論；接待高層與貴賓注重細節，確保周到服務無失誤，以贏得信任並助力事業發展；AI 科技實用操作順應全球 AI 市場競爭趨勢，教授利用人工智能提升工作效率。

本課程為會員提供專業知識與實踐機會，助其將所學應用於工作與計劃中。通過課程，學員能在會議與活動管理中展現更高效率與專業性，提升職場競爭力，特別是在接待高層與貴賓的場景中，同時掌握 AI 工具以順應數位化時代需求。課程亦促進本會與分會的聯繫與合作，推動整體發展，為會員打造全面成長的平台，助力其在專業領域及會內事務取得更大成功。

6.2 旗艦工作計劃《挑戰腦朋友》

背景

香港首個針對青年及中年人未來大腦退化風險的普查項目，聚焦 30-65 歲這一預防認知障礙的關鍵群體。提升社區對早期認知障礙症的關注，促進篩查及及早診斷。

1. 《大腦健康風險評估問卷》

問卷與香港中文大學醫學院兩位腦退化疾病研究權威醫生合作，具專業認證。

預測個人未來 20 年大腦退化風險，結合《刺針》期刊公佈 2024 年最新腦退化可逆轉因素 。問卷過程會提供相關大腦健康風險因素及預防腦退化資訊。完成後提供大腦健康風險評估和後續建議。

2. 《AI 視網膜影像評估腦健康分析》
全球首個人工智能系統只需透過分析「眼底相」（視網膜圖像）便能準確評估阿茲海默症風險和腦健康情況，準確度逾 80%。技術由香港中文大學研發，容易應用、不具入侵性。AI 視網膜影像分析由策略伙伴 i-Cognitio Sciences 思瞳科研有限公司提供，拍攝視網膜影像由策略伙伴 iPoint Optical 視點護眼提供。參加者可於視點護眼全港三間門市(深水埗、灣仔及將軍澳)進行健康分析。

計劃目標與效果

1. 數據收集與科研貢獻：
問卷收集了超過 400 份實名回應，為腦退化預防的科研及政策制定提供了寶貴數據，並遵守《私隱條例》。AI 視網膜影像分析提供了一種非入侵性、高準確度的腦健康評估方法（準確度逾 80%），成為早期檢測的突破性工具。

2. 社區參與與教育：
計劃包括 大腦健康教育講座（4 月 28 日）及 活動成果發佈（7 月 19 日），分享香港大腦退化風險的初步分析結果。活動邀請了香港中文大學莫仲棠教授及社區領袖如沙田區議員龐愛蘭女士參與，促進公眾對腦健康趨勢及預防策略的討論。此次活動透過專業分析及社區領袖的參與，增強了對大腦健康問題的認識與重視，並促進了社會的共同努力推動預防大腦退化的解決方案。

3. 提升認知：
通過專業分析及社區領袖參與，計劃成功提升了社區對早期認知障礙的關注。

鼓勵目標群體進行早期篩查和診斷，推動主動關注腦健康的行為。

計劃通過專家、社區領袖及策略伙伴的參與，建立了協作框架，加強了社區共同應對腦退化問題的努力，突顯預防措施的重要性，影響公眾對腦健康的態度，並推動社會對長期解決方案的承諾。計劃獲得廣泛媒體報導，包括《文匯報》、《東方日報》、香港電台《千禧年代》及 TVB《流行都市》，顯著擴大了其影響力並強化了傳播效果。此外，問卷收集的數據將支持未來研究並為預防政策提供依據，可能影響香港的醫療策略。而由香港中文大學及業界伙伴支持的 AI 視網膜影像技術，以其非入侵性及逾 80%的準確度，為診斷方法樹立標杆，展現了更廣泛應用的潛力。

是次工作計劃得到不少媒體報導及訪問，當中包括：

- 文匯報
- 東方日報
- 香港電台 《千禧年代》
- TVB 翡翠台《流行都市》

6.3 旗艦工作計劃《創業導航計劃》

計劃包括三場月會活動以及閉幕禮，涵蓋創業技巧、個人成長及商業策略：

1. 3 月 27 日《「有無諗過俾自己一個機會？」楊潮凱 X 勇抱初心 分享會》：邀請本地著名演員及導演楊潮凱先生分享由演員轉型導演的經歷，探討初心、創意與突破的平衡，啟發青年堅守信念並尋找成長動

活動內容：三場活動各有側重，涵蓋個人成長（初心與突破）、實戰技巧（商業游說）及創業策略（從構思到實踐），通過專家分享、實踐課程和互動環節，提供多元學習機會，幫助青年創業者提升能力和信心。

計劃目標與效果

活動共吸引 74 人參與，包括本會會員、其他分會會員及新朋友，促進了不同群體間的交流與聯繫，擴大了商會的影響力。這些活動通過專業分享激發創新思維活動為青年創業者提供了實用工具和啟發，增強他們在競爭市場中的能力與信心，同時促進對個人成長及創業挑戰的深入思考。計劃強化了太平山青年商會作為青年領袖培養平台的角色，通過多元主題（初心、商業技巧、創業策略）推動青年創造積極正面的改變。通過結合個人成長（3 月）、商業技巧（4 月）及創業策略（6 月）的活動，計劃為青年提供了全面的學習框架，幫助他們在創業和個人發展中應對挑戰。活動的成功舉辦及參與者的正面反饋，進一步鞏固了青年商會在促進青年潛能展現及社會影響方面的領導地位。

9. 總結及鳴謝

在上年的會員周年大會上用「勇者的未知旅程」作為開端，開啟了我擔任會長的奇妙之旅。過去一年發生了許多事、遇到了很多人。當中的高高低低以及當中的不完美在這一刻都變得完美。因為有不同嘅回憶才可以拼湊出一幅充滿記憶的旅程。

首先，我要衷心感謝總會會長王師堯參議員，這位 2025 年給我無限鼓勵的大哥哥。他就像《JoJo 的奇妙冒險》中的喬瑟夫·喬斯達，親切友善、可靠、外表酷帥卻內心善良，還帶著一抹幽默以及一絲的少女心。他的真誠笑容總讓我感到輕鬆，像喬瑟夫對朋友的關懷，總在我需要時支持我，還記得當日你為了出席太平山旗艦工作計劃《挑戰腦朋友》成果發佈會，一下飛機就講過來準時出席並支持。真是非常感動以及感激。雖然我們常常開玩笑但本人真的非常之榮幸，今年有你作為我的「大佬」。期待往後的日子除了可以傾談會務之外，亦可再一起玩遊戲機！

在 2025 年本人有着不同的角色以及聽過不同的稱呼，但會常常稱我「善晴會長」應該只有一人。這位大哥哥首次認識他的時候是在 2022 年，當時他給我

的感覺就已經很像一位大哥哥。除了是因為他高大的身形之外，更多的應該是從他的身上散發出給人親切的感覺。當時他還是會長我還是秘書長。時光流轉，三年之後，我們的身份都發生了變化。我成為了「善晴會長」，而這位大哥哥就成為了「總會總會指派執行委員韓諾文參議員」。他就像「木之本桃矢」給人一種溫柔、可靠以及友善的感覺，總是關心我的感受，並在我需要的時候提供幫助。作為前輩，他亦經常給予我建議，幫助我做出明智的選擇，同時亦會給我鼓勵當我面對挑戰的時候給予我空間以及方向讓我做出適合當下的抉擇。而他友善以及隨和的性格很快就融入到「太平山」這個大家庭 。還記得你曾說過希望在今年可以認識到新的朋友，本人十分榮幸亦都好高興能成為你的好朋友 。

「不是關於能不能做到，而是要做！」本人很喜歡在「咒術迴戰」中的這句對白。當決定參選成為會長的時候，我很快便已經想出了我的口號以及主題 。因為我深信每一個挑戰都是一個展現自我以及更加了解自己的機會。而我亦深信只要定清目標，明白要做甚麼事情，下定決心，很多事情都做得到，因此我們不需要害怕或逃避挑戰，我們可視挑戰為機會 。我知道正正是這樣的性格，所以才會有人稱讚過我是堅毅以及勇敢的人，但是我的勇氣是源自於大家對我的信任以及我在太平山的經歷。

入會第六個年頭，感謝前會長們一直以來對我的關顧以及提點。他們對我的關心就好像長輩們一樣，不論是決定參選、當選的時刻或是宣誓的一刻，他們總是給予我支持以及鼓勵。他們在我還未對自己有信心的時候就已經給予我很大的信心。每一次見面，大家都會主動關心我、提點我以及鼓勵我已經做得很好了。因此想藉此機會再一次好好感謝他們每一位。本人亦都非常感恩有多位顧問的幫忙，令到董事局成員們在籌備工作計劃時能夠更加得心應手。感謝多位前會長的提點。

而前會長們當中，我想特別鳴謝我的會長顧問以及會務顧問。感謝會長顧問「小然」，感謝他信任我，在 2021 年的時候，認為我的笑容以及親和力能夠勝任作他的副會長，以及鼓勵我籌備一個全新的工作計劃，在過程中學習了很多，明白了，不要小看每一件平凡的事，令到自己能夠有很大的成長 。沒有他

當初的信任和鼓勵，沒有 2021 EXCOM Team 就不會有當日參選成為會長的我，亦沒有今天的「余會長」。感謝這位大哥哥。

之後非常感謝「欣」。因為一次接待，令到我們加深認識並成為好友。如果我是小櫻，他便是我的知世，因為他總會從我的身旁幫我拍照記錄每一刻，以及確保我保持形象 。如果我是小丸子，他便是我的小玉，永遠在背後默默地為我擔心為我分憂。在他的身上我絕對學到了很多，亦都是透過他的分享以及鼓勵令到我有不斷想解鎖自己的心。

接着，當然是要感謝我的董事局成員們。首先感謝我的 Excom 們，每一位都是我做會員事務董事及副會長的時候第一次面試就認識。多年來透過不同的合作，慢慢建立了默契以及信任。每一次見面都是在笑聲中渡過，亦有人曾經同我提及認為我與義務秘書 Ting Ting 及副會長諾仔是氣氛擔當，有我們三個就會一直說個不停。此外亦要感謝我兩位董事，雖然今年是他們首次加入董事局，但是他們已經顯示了他們在不同地方上的能力 。記得當日邀請他們加入的時候問了他們加入董事局是為了甚麼，想要的東西是甚麼？就算有着不同的答案，去到今天我都希望你們的願望已經達成或者走在達成的路上。

本人亦都想借此機會特別鳴謝工作計劃《挑戰腦朋友》以及《Show Hard Core- 核心技能訓練班》的團隊們 。感謝籌委會成員們為了《挑戰腦朋友》而努力，要籌備，構思一個全新的工作計劃好不容易。感謝在他們的努力下，我們完成了挑戰，做到了今年的目標，來年繼續努力。此外，本人非常感謝有 2018 年會長黃銳華參議員的幫助以及建議，能夠邀請到包括他在內的五位非凡導師們教導《Show Hard Core- 核心技能訓練班》的學員們。

在動漫《我獨自升級》中提到：在恐懼面前，一切都會不堪一擊。《鬼滅之刃》的炎柱煉獄杏壽郎也曾說：「燃燒吧！燃燒你的心！即使身軀被撕裂，也要守護到底！」這提醒我們，若選擇逃避，不敢面對挑戰，就會被困在自己的弱點中，無法成長。我希望「擁抱挑戰」不只是一年的口號，更能成為一句信念，讓每位太平山人在面對難題或猶豫時，點燃內心的鬥志，保持勇敢的心。恐懼並非終點，而是通往成長的試煉。只有迎難而上，突破自我設限的枷鎖，才能

找到屬於自己的力量，開啟無限可能的未來。

在我的任期即將結束之際，我將會擁抱新的身份，作為「上屆會長」，我會全力支持會長候選人 。我相信會長候選人黃穎筠將以她的凝聚力，延續「擁抱挑戰」的精神，帶領太平山繼續前進，成就無限可能！

6. PROJECTS & ACTIVITIES

6.1 Dragon Volunteers

The Dragon Volunteer project is a transformative initiative by JCI Dragon, encompassing four key projects designed to empower members and strengthen community ties. This program trains members to design and lead volunteer efforts, equipping them with practical skills in project management, execution, and leadership through hands-on experience and mentorship. The four projects include distributing gift bags to elderly people, teaching them to use mobile apps, and educating participants about AI, each aimed at bridging generational divides and addressing local needs. A distinctive feature is the inclusion of 40 families, with over 120 parents and children participating as volunteers, fostering family harmony through collaborative efforts. These volunteers have served over 100 people, building a robust network that connects diverse stakeholders—local organizations, businesses, and

residents—to amplify the project's impact. This initiative is poised to launch, with plans to refine and expand based on community feedback.

Beyond skill development, Dragon Volunteer seeks to cultivate a legacy of service and unity within JCI Dragon and beyond. This initiative enhances the leadership capabilities of members while strengthening familial bonds through intergenerational learning and support. By facilitating resource-sharing and innovative collaboration, the project aims to leave a lasting mark, inspiring future endeavors that uphold the chapter's commitment to excellence and community well-being.

6.2 [《 "11th Best Employer & Employee Award" 》and survey announcement on Impact of Artificial Intelligence Towards Enterprise in ASPAC]

This annual initiative highlights organizations and individuals who exemplify collaboration, support, and innovation, fostering a culture of appreciation. This year, the project expanded to include a comprehensive survey on the impact of AI on enterprises. Aimed at understanding whether AI will substitute the labor force, the survey seeks to gather insights from businesses, shedding light on future workforce trends and encouraging informed decision-making.

Last year, Hong Kong's team competed in Nagoya against teams from Taiwan, Mongolia, Thailand, and others. They also played against the

Nagoya Grampus Youth Team, a professional J-League club, providing invaluable experience. In addition to the matches, the event included cultural exchanges and visits to historic sites, allowing players to interact with peers from different countries.

JCI Dragon is dedicated to nurturing young talent, promoting international friendships, and enhancing cultural understanding through the JC CUP.

9. CONCLUSION & ACKNOWLEDGEMENT

This year has undoubtedly been a challenging time for everyone in Hong Kong, with economic downturns, the rapid rise of AI, and the unique perspectives of Generation Z shaping our society. Despite these challenges, I am deeply proud of the JCI Dragon Board of Directors, who have remained steadfast in their commitment to bringing positive change in this Year of the Dragon.
Our Theme, "Never Settle for Less" reflects the spirit of JCI Dragon.

I encourage every member, including myself, to carry this attitude forward in our daily lives—to fight for our dreams and inspire those around us to do the same. The spirit of the Dragon is one of resilience, unity, and strength, and it is this spirit that will continue to empower us to rise together.
I would like to take this opportunity to express my heartfelt gratitude to our Honorary Patron, Professor Cliff Sun, BBS, JP, Legal Advisor, Dr. Hon Kennedy Wong Ying-ho, BBS, JP, Past National Presidents Senator George Lung, SBS, MH, JP, Senator Henry U, Senator Zenith Lin, Chapter Advisors, Presidential Advisors, all Past Presidents, Project Chairmen, Organizing Committee Members, and all Senior and Ordinary Members for your unwavering support and encouragement.

It has been my greatest honor to serve as your President in 2025. This journey has been nothing short of epic and unforgettable. As we look ahead, I extend my best wishes to the 2026 Board of Directors. May you have the platform to shine, to continue our mission to unite, empower, and elevate our community, and to create a positive future together.

Purpose: JCI Hong Kong has been invited by JCI Japan to represent the Greater China region in the JC CUP, an international U11 football tournament featuring teams from 20 countries. JCI Dragon will select three teams to participate.

Last year, Hong Kong's team competed in Nagoya against teams from Taiwan,

Mongolia, and Thailand, and even played against the Nagoya Grampus Youth Team, a professional J-League club. The event also included cultural exchanges and visits to historic sites, giving players the chance to connect with peers from different countries.

All three chapters are committed to developing young talent, building international friendships, and promoting cultural understanding through the JC CUP.

8.3 44th Five Star Training Camp

With the support from Head Trainer and Program Manager, all trainers will share their and experience in different aspects of JCI to our participants.
Chemistry and bonded relationship are easily found in 5-Star Training Camp between participants, group leaders and trainers from different chapters. Their paths may change as life goes on, but the bond between them remains ever.

8.4 SAHK Visit

The quality of life of disabled persons is an issue that draws more and more attention. JCIHK and SAHK puts much effort in recent years to develop community rehabilitation services to the disabled in the community and through supporting their families, the disabled can enhance their living skills, integrate into the society and start a new page. At the same time, we encourage the carers of the disabled to actively participate in the training

and learn the appropriate skills so that the disabled can continue their rehabilitation smoothly.

8.5 Safety Series – Food Safety

In today's fast-paced world, people often prioritize the appearance and price of food over its nutritional value and safety. This growing trend of choosing visually appealing or cost-effective meals without understanding their ingredients poses serious risks to health. Many urban illnesses, such as eczema and food allergies, are closely linked to unsafe or poorly regulated food products. These conditions are increasingly prevalent, raising concerns about the chemicals, additives, and contaminants in our diets. Recognizing the urgent need for awareness, our food safety project aims to educate the public about the hidden dangers lurking in everyday meals. By participating in this initiative, you will gain valuable insights into the composition of food, empowering you to make informed choices. Moreover, this project fosters a deeper understanding of how the food we consume affects our bodies, enabling better decisions to enhance overall well-being. Together, we can create a culture that values quality and safety over superficial attributes, ensuring a healthier future for all.

9. CONCLUSION & ACKNOWLEDGEMENT

As I stand at the beginning of 2025, I am filled with both gratitude and excitement. It is truly an honor to serve as the President of *JCI East Kowloon* this year, and I am humbled by the trust and confidence you have placed in me. Our journey together is not just about leading a chapter for one year; it is about building on decades of history, carrying forward the values that define us, and inspiring the next wave of transformation.

Our theme for this year, *"Ignite Change, Unleash Potential,"* captures the spirit of what we hope to achieve. Change is never easy, but it begins with a single spark — an idea, a moment of courage, a decision to take action. When that spark is shared, nurtured, and embraced, it becomes a flame that has the power to inspire others and light the way forward. At the same time,

within every member of JCI East Kowloon lies untapped potential — the skills, the leadership, and the vision to create something greater than ourselves. This year, my mission is to help ignite that spark within each of you, so that together we can unleash possibilities that will benefit not only our members but also the wider community.

I want to extend my heartfelt thanks to my board of directors, who stand by my side as the backbone of this chapter. Your energy, determination, and commitment will be the driving force behind every success we achieve. To our chairmen and organizing committees, you are the ones who transform plans into action. You dedicate your time and heart to every project, and it is through your efforts that JCI East Kowloon continues to shine as a dynamic and impactful chapter. To our new members, I warmly welcome you to this family. Your enthusiasm brings new perspectives and keeps our chapter innovative and vibrant. To our past presidents, senior members, advisors, and panel advisors, your wisdom and encouragement remain invaluable — you are the guiding light that ensures we never forget our roots even as we boldly step into the future.

In 2025, our chapter will continue to focus on projects that embody our values and address pressing community needs. We will enhance existing flagship programs while also innovating with new initiatives that challenge ourselves and engage our community in meaningful ways. I believe this is the year where creativity and action will come together in powerful ways. Whether through youth empowerment, community development, or leadership training, every event we host will serve as an opportunity not just to make a difference, but also to grow as leaders who can inspire others to follow.

But beyond the projects and achievements, I want this year to be a journey of personal growth for every member. JCI gives us more than a platform for service — it gives us a stage to discover who we are, to test our limits, and to realize our true capabilities. Every meeting, every late-night discussion, every challenge we overcome together adds another layer of growth, shaping us into better leaders and stronger individuals. I hope that each of you will seize this opportunity to step outside your comfort zones, embrace responsibility, and take pride in the progress you make.

As your President, I promise to lead with sincerity, openness, and determination. My vision is not mine alone — it is ours collectively. Together, we will write the story of JCI East Kowloon in 2025, a story defined by

courage, unity, and impact.

Let us remember that *every spark of change can create a ripple, and every ripple can grow into a wave of transformation.* When we ignite that spark within ourselves and in those around us, we unlock the potential to achieve the extraordinary. I have no doubt that this year, together, we will create a legacy that will be remembered as one of passion, perseverance, and progress.

So let us begin this year with boldness, with faith in one another, and with an unwavering commitment to our theme: *“Ignite Change, Unleash Potential.”* May 2025 be the year where we light the path forward — for ourselves, for JCI East Kowloon, and for the communities we serve.

能夠以會長的身份為城市服務是我人生的高峯；有幸與一班充滿熱血的兄弟並肩作戰，見證大家在不同舞台上突破自我、成就非凡，攀上一個又一個高峯、綻放光芒。2025 年，是我一生其中最值得感恩的旅程之一。

衷心感謝永遠名譽會長余振宇參議員，以及歷屆前會長對本人的信任，讓我有幸肩負這份重任。會長之路從來不易，既要承擔使命，也要面對挑戰；但正因如此，沿途的點滴才顯得格外難忘而精彩。

感謝總會會長王師堯參議員的領導，以及各分會會長們的互勉與支持，讓我在交流合作中收穫啟發，也學會了在大事小事面前保持從容與堅毅。

感謝總會指派執行委員盧康寧的用心與關懷，每次會務與活動都有你的身影陪伴，更時常為城市把關，提醒重要細節，並關注每一位參與活動的兄弟，滿滿暖心的溫暖。

感謝會長顧問葉浩然參議員、李仲明參議員，無論我有任何不足，你們都會第一時間給予中肯的建議。感謝會務顧問莫德民參議員、王維旭參議員、林子勤參議員、蕭錦源參議員、鍾玉麟參議員、譚瑋琳參議員、洪嘉威參議員，讓執行董事局在繁重工作中始終有強大的支援。亦感謝各位審計專員及各組別顧問，憑藉寶貴經驗，為各個團隊的穩步成長提供保障。

最後，要向今年並肩作戰的董事局成員及全體城市兄弟致以最真誠的感謝。你們一次又一次義無反顧地站出來，不辭勞苦，付出行動，不只是支持我，更是守護彼此、守護城市的「團結、和諧、齊心」。城市的力量來自三個部分——董事局是核心，前會長是後盾，資深會是寶庫。期待長中青繼續互相支持、關懷、傳承。

感謝你們與我一同「城就 2025 年的每一個高峯」，寫下了又一段屬於城市的榮耀篇章。

REPORT TO THE GENERAL ASSEMBLY
OF THE 60th NATIONAL CONVENTION
FROM THE PRESIDENT OF
JUNIOR CHAMBER INTERNATIONAL QUEENSWAY

1. OBJECTIVE AND YEAR ACHIEVEMENT

In 2025, JCI Queensway continues its mission to empower young leaders to create positive change, guided by the theme **"Lead with Pride, Be a Leader."** This year, we focus on cultivating leadership with integrity, fostering pride in service, and building a sustainable platform for future changemakers. Our objective is to strengthen the leadership pipeline by deepening engagement across four core areas: Business Affairs, Community Affairs, Leadership Development, and International Affairs. We aim to inspire members to lead with purpose and pride, while expanding our impact locally and globally.

Key Achievements

Enhanced Public Image:

Wheels Move Together became Hong Kong's largest wheelchair curling event, promoting inclusion and showcasing JCI Queensway's innovation and social responsibility. The Extraordinary Branding Awards, now in its fifth edition, expanded to the Greater Bay Area and gained wide media coverage, solidifying the chapter's reputation in youth leadership and business.

Empowered Member Growth:

Members took on diverse roles—from project chairs to media liaisons—gaining hands-on leadership experience. These opportunities strengthened skills in team management, strategic planning, and cross-sector collaboration, while expanding members' professional networks and confidence.

Expanding Regional Influence & Cross-Sector Collaboration

Strategic partnerships were formed with:

- Guangzhou Nansha Government

- Guangzhou Yuexiu Industrial Development Co., Ltd.
- Bank of China Hangzhou Chengbei Sub-branch

These collaborations laid a strong foundation for future projects, resource sharing, and talent exchange.

The event also showcased JCI Queensway's ability to connect government, business, and youth sectors. Through professional execution and impactful engagement, the chapter earned high praise from partners and reinforced its role as a trusted youth leadership platform in regional development.

2. THEME

In 2025, JCI Queensway continues its journey of cultivating leadership with the empowering theme "Lead with Pride, Be a Leader." This year, we emphasize the transformative power of pride—not just in our identity as members of JCI Queensway, but in the leadership we embody and inspire.

This pride is twofold: it reflects the confidence and belonging our members feel within the JCI Queensway family, and the deep admiration the chapter holds for each member's growth, contribution, and impact. We believe that true leadership begins with self-respect and pride in one's values, actions, and community.

At JCI Queensway, we empower our members to take initiative, lead with authenticity, and embrace responsibility. Every action taken by our members—whether in projects, mentorship, or community service—adds to the collective strength and spirit of our chapter. These actions not only define the character of each individual but also shape the legacy of JCI Queensway.

We speak our vision with conviction, encouraging every member to step forward, take ownership, and lead with purpose. Through this shared commitment, we foster a culture where leadership is not a title, but a mindset—one that uplifts others, drives change, and builds a future of empowered young leaders.

6.2 Wheel Move Together

Community Development Flagship Project 2025 – "Wheels Move Together" Opening Ceremony cum Wheelchair Curling Experience Day successfully launched on 28th April at Festival Walk. It is the largest wheelchair curling event in Hong Kong, attracting over 70 wheelchair users, able-bodied participants and volunteers to join the event and discover the excitement of ice curling. Benny Cheung, BBS, MBE, QGM and Ho Yuen Ki, BBS are invited to be our Guest of Honor. Artist Leo Kwan is the event's Star ambassador.

On June 29, the "Wheel Sail Together" event was successfully held. More than 30 participants, including both wheelchair users and able-bodied individuals, took part. In addition, over 20 non-JC volunteers joined, including elderly persons, individuals with autism, and caregivers. The event fulfilled our original intention: to promote inclusiveness between able-bodied and disabled persons, and to foster family harmony.

On July 5, we held a movie sharing, which welcomed wheelchair users, elderly people, patients with chronic illnesses, and individuals with

intellectual disabilities. More than 30 participants were having a fruitful afternoon together.

The questionnaire result announcement and Rouliqiu sports experience day was successfully held on August 3. With the support of Dr. Leung Ka Man, Assistant Professor from the Department of Health and Physical Education at The Education University of Hong Kong, the event presented findings from a survey on wheelchair sports to the media. Legislative Council member Tik Chi Yuen, SBS, JP, was invited as the guest of honor to share insights from the political sector on the topic.

Many representatives from the social welfare sector and wheelchair users also participated, actively sharing their experiences and raising thoughtful questions to relevant parties. The atmosphere was vibrant and engaging.

This event not only built a bridge for communication but also effectively raised awareness across sectors about the importance of sports participation for wheelchair users, fulfilling the organization's mission to promote social care. The outcomes were fruitful and met the expected goals, laying a strong foundation for the continued promotion of an inclusive society.

1.2 強化會員交流，搭建國際網絡

本會今年繼續大力推動國際事務活動, 我們不僅組織會友參加了於 6 月 12-15 日 舉行的烏蘭巴托亞太大會，共有 24 名會友參與，深度融入亞太青商網絡；更進一步規劃參與了國際兒童文化交流營、日本那霸 JC 祭，以及台北四海國際青年商會年尾的交織典禮。我們一次又一次地「拉大隊」參與，旨在透過青商豐富多彩的國際事務活動，極大地加深了會友間的並肩情誼與團隊凝聚力，成功為會員搭建了一個無國界的交流與成長平台。

1.3 透過全新旗艦工作計劃，創造社會價值，提升商會影響力

成功創立並執行大型社會創新項目——「2025 疊出耆跡工作計劃」。透過疊杯運動培訓十場活動，協助超過 200 位長者提升手腦協調能力，並驗證其延緩腦退化成效。活動獲香港長者協會、嶺南大學等八個機構支持，聯合社會賢達及藝人共同主禮，顯著提升本會社會形象與社區影響力。

6. 工作計劃及活動

6.1 疊出耆跡工作計劃

本計劃創新引入疊杯運動（Sport Stacking），為長者設計系列培訓課程，旨在提升手腦協調能力，探索延緩腦退化的創新方案。計劃在過去四個月成功舉辦十場培訓，累計服務超過 200 位長者，實證顯示該運動對減緩腦退化具有顯著成效。活動獲得香港長者協會、嶺南大學等八個重要機構支持，並邀請社會賢達及藝人參與主禮，成功喚起社會對長者健康議題的關注。透過主流媒體廣泛報導，本計劃不僅提升了長者生活品質，更顯著強化了本會在創新社會服務領域的影響力。

6.2 熱感綠印 2.0

本計劃持續推動熱感紙減量與環保替代方案，透過科學化驗、企業約章及公眾教育三管齊下，解決雙酚 A 污染與資源浪費問題。化驗結果顯示，本地 80%商戶熱感紙含雙酚 A，其中 70%超出歐盟安全標準，最高超標達 4 倍，引發社會廣泛關注。計劃成功推動商戶簽署「熱感友善約章」，問卷調查顯示 94.5%市民及 87.4%企業支持電子收據替代方案。這些成果已提供政府部門參考，為制訂相關環保政策提供科學依據，長遠推動行業綠色轉型。

為深化環保教育扎根，本計劃特別舉辦「童心綠繪•愛無限」填色比賽，吸引逾百名兒童參與，以前瞻性的藝術教育形式傳遞減廢理念。比賽頒獎典禮特邀前香港天文台助理台長梁榮武教授分享生活環保實踐，成功將減用熱感紙的意識延伸至親子家庭層面。

6.3 國際兒童文化交流營

將於 2025 年 8 月 16 日至 18 日在台北舉辦專為 8-11 歲兒童設計的跨文化沉浸式體驗營。活動將匯聚香港、日本、台灣三地兒童，透過台灣原住民文化體驗（包括傳統飲食、服飾、狩獵活動）、團隊合作訓練和文化交流任務，促進跨文化理解與國際友誼。三地兒童參與人數約 20 人，顯著提升參與兒童的國際視野、語言能力和領導力。本活動已引發三地家庭高度關注，將進一步深化與亞太地區青商會的合作伙伴關係，奠定本會在國際青少年交流領域的領導地位。

6. 工作計劃及活動

6.1 浩洋青年商會三十八週年會慶

在浩洋青年商會成立 38 周年的重要里程碑之際，我們於三月十五日隆重舉辦了一場盛大的慶祝活動。當天現場座無虛席、熱鬧非凡，絢麗的燈光與精心布置的會場洋溢著歡慶溫暖氛圍，當晚出席人數更接近一百人，人氣十足。除了本會全體會員傾力參與外，更有來自日本吹田姊妹會代表、高雄博愛姊妹會代表、中山青聯友好會代表及眾多青商好友蒞臨支持，各方賓客陸續抵達時，現場不時響起熱情的問候與歡迎掌聲。

本會非常榮幸邀請了香港交通安全隊總監張家豪先生 MH 擔任主禮嘉賓。活動伊始，會長率先上台致辭，並向長期以來支持商會的各界友人

表達衷心感謝。接著由創會會長回顧了浩洋三十八年來的發展歷程與重要成就。隨後，主禮嘉賓張家豪 MH 上台致勉詞，對本會三十八年來的貢獻給予肯定與祝賀，勉勵全體會員繼續秉持初心，在未來創造更多輝煌。接著，安排了莊重的禮物交換環節，本會分別與日本吹田姊妹會、高雄博愛姊妹會互贈紀念禮物，禮物中承載著彼此的真摯情誼與對未來合作的美好期盼。現場還安排了精彩的表演與抽獎環節，歡笑聲與掌聲此起彼伏，將慶典氣氛推向高潮。

各界賓朋共聚一堂，齊為浩洋數十年來的輝煌成就歡呼喝彩，不僅歡度了這一喜慶時刻，更在交流互動中凝聚了情感，充分展現了跨越地域的深厚情誼與強大的團結力量。

6.2　小企業大長征系列：大阪世博 Dream 爆機

本交流活動係本會與姊妹會 —— 日本吹田會議所每三年聯合主辦之盛事，亦是疫情後重啟的重要工作計劃。自二零二四年構思策劃以來，雙方跨越港日兩地，通過無數次實體會議與視頻磋商，終於讓這場青少年交流之旅從構想化為現實。活動為十五至十八歲的中學生精心設計，旨在通過為期五日四夜的深度體驗之旅，為青少年開啟認識世界的多元視窗，播下跨文化理解的種子。

活動最為動人的亮點，在於讓學生親臨大阪世博會現場，近距離接觸科技成果，親身感受未來科技創新的澎湃脈動；更通過與日本同齡學生的朝夕相伴與協作互動，深化對跨國界文化差異的體悟，激發彼此互學互鑒的真摯熱情。縱然語言表達各有不同，卻絲毫無法阻擋真摯友誼的悄然萌發，讓學生們收穫了難能可貴的跨國情誼。更重要的是，這趟旅程如同一盞明燈，引導青少年樹立世界公民的寬闊視野，深刻認識到充實自我、鍛煉能力對於未來回饋社會的深遠意義。

本計劃自今年二月啟動公開招募以來，歷經資料審核、面試考核等多輪嚴格甄選，最終從眾多報名者中精選出十六位優秀中學生。他們與日本的二十位同學相聚日本，完成了這次啟迪心靈的交流之旅，並已圓滿落

幕。從初見時的靦腆問候、依賴翻譯工具的生澀交流，到每日同行參觀、合作完成任務時的默契漸生，再到第五天臨別之際的緊緊擁抱與寫滿祝福的紀念冊，學生們用短短數日的相處，譜寫了一曲跨越國界的友誼讚歌。離別時互贈紀念禮物、約定保持聯繫的溫馨場景，讓這次交流不僅成為成長路上的珍貴印記，更定格下難忘的青春記憶。

項目主要包括以下四個環節：

6.2.1 面試考核

交流團一經公布便吸引超過五十位學生踴躍報名。本會特邀中西區地區青年建設委員會委員及會長組成評審團，以小組面試形式深入了解參加者的成長背景、對活動的殷切期望與跨文化交流的熱忱，最終精選出十六位兼具潛力與熱情的學生參加交流團。

6.2.2 交流團前簡介會

簡介會於七月七日舉行，參加學生與家長近三十人齊聚一堂。當晚不僅詳細講解了交流行程的各項安排，更邀請旅遊專家現場授課，講解行程注意事項、禮儀規範與日本文化精髓。最後由總會指派執行委員岑驊熹參議員分享「世界公民身份的認同感」主題講座，深入淺出的分享讓同學們獲益匪淺，對即將到來的旅程充滿期待。

6.2.3 交流團

交流團於七月二十五日至二十九日在日本大阪市順利舉行，其中參觀二零二五年大阪關西世博會成為此行的重中之重，學生們重點探索了多個特色展館與活動：在教育與科技展館中，近距離領略未來學習方式與科技應用的無限可能；在可持續發展展館中，深入了解環境保護與社會創新的前沿理念。而寄宿家庭文化交流更是此行的暖心亮點：學生們入住日本當地寄宿家庭，與日本學生一同生活，在家庭聚餐中品嚐地道美食，在傳統文化體驗中感受異國風情，讓跨文化交流在日常生活中自然發生。學生們亦走訪大阪經典名勝，漫步在古色古香的大阪城公園；穿梭於充滿人間煙火氣的道頓堀美食街，在格力高招牌下合影留念，感受

大阪「天下廚房」的獨特魅力。

6.2.4 交流團後分享會

分享會於八月二十四日圓滿舉行，特邀油尖旺區區議員陸子峯先生擔任主禮嘉賓。分享會上，參加學生們向學校師長及家長們傾情展示學習成果，既有真摯動人的個人心得與成長感悟，也有充滿創意的小組交流成果展示，其中「未來願景規劃」環節更是展現了青少年的遠大志向。這場分享會不僅鞏固了學生們的學習成果，更以真實體驗激勵其他香港學生勇於邁出步伐，追求心中夢想。

此次小企業大長征圓滿落幕，十六位香港學生與日本同學以心相交，在科技探索中開闊視野，在文化交融中結下深厚友誼。從面試甄選到分享會收穫，每個環節都見證成長。這不僅是青春記憶的珍藏，更為青少年播下世界公民的種子，讓友誼與夢想跨越國界，持續發光。

9. 總結及鳴謝

我深信「生命中每段際遇皆為天定良緣」，唯有傾心投入、享受過程，方能收穫最珍貴的價值。會長這段旅程對我而言，是一生僅有一次的「一期一會」，而我何其幸運，能擁有創會會長、前會長、董事局成員與全體會員的傾力支持。正因為被這麼多人疼惜與呵護，縱使途中充滿挑戰與考驗，我亦好，視為珍貴的磨練。

在此，我要向今年以來與我並肩同行的董事局團隊致以最衷心的感謝。感恩在浩洋青年商會與你們相遇，你們的熱誠如星火燎原，你們的幹勁如朝陽蓬勃，你們的魅力如春風拂面。正是這群看似小巧卻個個精銳的夥伴，讓我真切體會到「麻雀雖小，五臟俱全」的力量，我們一同突破重重難關，創造了一個又一個驚喜。同時，也請允許我以滿懷感恩之心，感謝總會會長王師堯參議員、總會指派執行委員岑驊熹參議員，以及總會董事局全體成員、各分會會長、前會長與會友們 —— 你們的每一份支持，都如同為浩洋青年商會注入的強心劑，

讓我們在前行路上從不孤單。最後，更要向所有計劃與活動中的主禮嘉賓、分享嘉賓、活動嘉賓，以及鼎力支持的贊助機構、合辦機構、支持機構與受惠機構深深鞠躬：因為有你們的信任與助力，我們今年的所有活動才得以圓滿落幕，書寫下精彩篇章。

忘不了深夜會議室裡依舊明亮的燈光，那是董事局成員們為了活動細節反覆推敲的執著；忘不了活動現場會員們忙碌穿梭的身影，那是無私奉獻的熱情在閃耀；忘不了各前輩們語重心長的指點，那是經驗傳承的溫暖；更忘不了每當我們遇到困難時，來自各方的鼓勵與援手 —— 這些畫面都已深深烙印在我的記憶裡，成為這段旅程中最寶貴的珍藏，是我心中最溫暖的光。

展望未來，我們將把這段旅程中的寶貴經驗悉心傳承，同時注入新思維、新元素，為會員們開闢更多元的發展天地，讓每個人都能在合適的領域綻放光芒。願浩洋青年商會在大家的呵護下繼續茁壯成長，如參天大樹般枝繁葉茂；願所有曾經相伴同行的夥伴們，在各自的道路上皆能順遂安康，收穫滿滿；更要特別祝福二零二六年會長候選人彭思銘與他的團隊，願你們帶著這份傳承的熱忱與信念，在新的征程中乘風破浪，以智慧與魄力書寫浩洋青年商會的嶄新篇章，讓這份凝聚的友誼與精神跨越時空，成為我們心中永遠的力量源泉。期待在未來的日子裡，我們能繼續攜手前行，共創更多美好時光，見證浩洋青年商會的持續輝煌。

第六十屆總會周年大會
晉峰青年商會
會長報告

1. 年度目標

晉峰青年商會在二零二五年以「以愛．勇晉承峰」為主題，以愛連結會員，以愛關心小眾，以愛貢獻社會，作為本地首個舉辦以性別多元及多元、平等與共融（DEI - Diversity, Eqaulity and Inclusion）為主題工作計劃的分會，我們希望能夠透過工作計劃提供一個平台、一個機會，讓香港不同小眾，無論性別、種族、傷健，可以發聲，展現自己，使大家互相認識，減少歧視。同時，聯同其他工作計劃，我們希望以愛加強本會品牌形象，會員持續增長，一起以愛再創高峰！

1.1 目標一：加強品牌影響力

成果：本年度本會各個工作計劃連繫多個官、民及商機構與團體，深化與坊間不同組織的合作，充分發揮商會的橋樑作用，促進多方良性互動，同時邀請多個不同小眾團體及代表，充份展現青商開放包容的一面，讓工作計劃更具意義，加強晉峰作為青商的品牌對社會及香港之影響。

1.2 目標二：積極拓展會員規模

成果：本年度旗艦工作計劃「Project 100/100」繼續維持本會會員規模的擴大，自 2004 年會員人數首次突破 100 人，達到歷史新高，今年本會會員人數繼續超越 100 人，標誌著本會無論在維繫會員抑或招募會員表現不錯。今年除了舉行恒常的會員招募活動之外，也舉辦多個不同會員活動以不同角度切入，吸引不同類型的會員加入本會，另外本會也舉行「愛身心 18/18」，由會長親身與會員們走遍全港十八區，透過不同運動體驗鞏固會員對本會之歸屬感和會員之間的友誼，從而為本會的未

來發展注入更加 強勁的動力。

1.3 目標三：推出旗艦工作計劃關心香港小眾群體減少歧視

成果：本年度本會積極關注香港不同小眾群體，由主要群體，如長者、學生和中小企商家，至社會小眾，如少數族裔、傷殘人士和性小眾等，透過不同工作計劃，成功引起社會關注及討論，讓大眾識識不同小眾面對的困難和挑戰，使各方可以互相了解，明白「我們不一樣，其實都一樣」，減少歧視。

2. 年度主題

踏入第三十一年，「以愛．勇晉承峰」是晉峰青年商會在 2025 年的會務主題。我們將與大家一起憑藉勇氣，帶著愛，向前邁進，藉著愛的力量，再創高峰！

2025 年，我們將會透過愛貫穿全年的工作計劃和活動，展示如何「愛地球」、「愛多元」、「愛長者」和「愛青年」！

領導才能「愛青年」

「Leader Maker 3.0」透過政、商、民多方協作，深入學校，與教師和家長，以不同主題、不同形式的訓練，為社會培育更多具遠見及積極上進的青年領袖。

國際事務「愛多元」

秉持「讓愛全接觸」的初衷，帶領大家探討社會上不同小眾的議題及現況，宣揚多元共融的價值觀及重要性，讓大眾對創建多元社會更為樂觀、更具信心。

本年度，城市女青年商會以「瑰麗承牽」為主題，將每位會員比喻為一顆珍貴的玫瑰種子，在青商這個充滿機遇與活力的平台上，傳承經驗汲取養分，經歷挑戰與淬煉，逐步成長為燦爛盛開的花朵，綻放屬於自己的獨特光芒。

在「繁花盛開」的旅程中，我們的旗艦計劃與多元活動猶如百花齊放，充分彰顯了每位會員的才華、創意與無私奉獻。從活動的精心策劃到順利執行，每一個環節都凝聚了姐妹們的智慧與心血。過程中，我們難免遇到各種挑戰，但正如花蕾在自然環境中經受風雨的考驗仍能堅毅成長，我們的籌委會以無比的團結與毅力，攜手克服重重障礙，讓每項活動得以圓滿落幕。這份堅韌與執著，不僅是城市女青年商會對團結力量的最佳詮釋，更讓我們在相互扶持中建立了深厚而真摯的姐妹情誼。

回顧這段充滿意義的旅程，我們不僅傳承了過往的寶貴經驗，更在每一次的合作與交流中，見證了彼此的成長與蛻變。每位會員都在青商的舞台上找到了屬於自己的位置，無論是發揮領導力、展現創意，還是默默付出，都為這個大家庭增添了無限光彩。大家的熱情與努力，讓「瑰麗承牽」的願景得以實現，散發出希望與活力的光芒。展望未來，我們將繼續攜手並肩，以無畏的精神迎接更多挑戰，讓每一朵玫瑰在這片沃土上綻放得更加絢爛奪目，成為啟發他人的力量！

在此特別多謝一班默默付出、一直從旁協助與指導的顧問，包括會長顧問陳曼華參議員、周清心參議員、王維旭參議員；會務顧問黃詩韻參議員、周賢秀參議員傾囊相授，一直做我的最強後盾，讓我有絕對信心帶領城市姊妹走得更高更遠。 另外，感謝義務法律顧問鄭程律師、義務核數師錢君林參議員、義務會計顧問夏錦桃、審計專員駱佩傑參議員的提點及指導。感謝範疇顧問秘書處顧問劉旭參議員、資訊科技顧問劉鴻昌參議員、商務發展顧問嚴禧華參議員、出版事務顧問梁凱瑩參議員、青年事務顧問黃翠玲參議員、會員事務顧問司徒詠詩參議員、財務處顧問馮嘉盈參議員、籌款事務顧問梁逸翹參議員、領導才能發展顧問朱穎思參議員、紀錄與獎勵顧問黃志欣參議員、社會發展顧問杜光子、國際事務顧問黃汝瑩；以及資深會主席陳美玲參議員提供各方面的協助，讓會員可以更有效透過青商這個平台學習及成長。顧問團的架構及安排，由上而下、由左至右包圍著城市女青年商會的行政核心及各範疇，有系統之餘亦盡顯細心關懷，充分感受到城市女青年商會「和諧、 團結、齊心」的精神。

本人也要向歷任會長表達誠摯的感謝，感謝前會長在各方面的卓越貢獻，為會員提供了優質的成長機會。感謝所有積極參與的會員，正是大家的投入和寶貴反饋，使本會能夠不斷進行優化和改革。會員們的熱情學習以及維持會內的團結和諧氛圍，讓本人深刻感受到這個大家庭所帶來的支持與助力。衷心感恩有這麼多姊妹與本人同行，共同建立一個充滿愛與歸屬感的城市之家。

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS

Reporting entity

Junior Chamber International Hong Kong, China Limited (Formerly known as Junior Chamber International Hong Kong Limited) is a Company incorporated in Hong Kong and limited by guarantee. The company's registered office is located at 21/F., Seaview Commercial Building, 21-24 Connaught Road West, Hong Kong. The principal activities of the Chamber are the organization of activities for young people to develop leadership skills and the promotion of social responsibility and community spirit.

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The Company qualifies for the reporting exemption as a small private company limited by guarantee under section 359(3) of the Companies Ordinance (Cap.622) and is therefore entitled to prepare and present its financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

The measurement base adopted is the historical cost convention.

The following are the specific accounting policies that are necessary for a proper understanding of the financial statements:

(a) Revenue

Revenue is measured at the fair value of the consideration received or receivable and is shown net of discounts, rebates, returns, sales-related taxes and after eliminating sales within the company.

Revenue is recognized in profit or loss provided it is probable that the economic benefits will flow to the company and the revenue and costs, if applicable, can be measured reliably, as follows:

(i) membership fee income is recognized on time proportion basis. 25 % of initiation fees from prospective membership received during the year are recognized as income on the date of receipt, the remaining 75% are transferred directly to the Chamber Office Equipment and Renovation Reserve Fund; and

(ii) donations and subsidies received are recognized on the date of receipt.

(b) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the company operates (the functional currency). These financial statements are presented in Hong Kong Dollars, which is the Company's functional and presentation currency.

ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES (CONTINUED)

(b) Foreign currency translation (continued)

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in special reserve funds.

(c) Account receivables

Account receivables are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of accounts receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

(d) JC supplies on hand

JC supplies on hand are valued at the lower of cost and net realizable value. Cost being cost of purchases on a first-in first-out basis. Net realizable value is determined by reference to the sales proceeds of items sold in the ordinary course in business after the reporting date, and in other cases, to management estimates based on the prevailing market condition and net replacement cost.

(e) Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less.

(f) Accounts, other payables and accrued charges

Accounts, other payables and accrued charges are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

(g) Employee benefit obligations

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

(FORMERLY KNOWN AS JUNIOR CHAMBER INTERNATIONAL HONG KONG LIMITED)
ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES (CONTINUED)

(h) Property, plant and equipment

The freehold land and building components of owner-occupied leasehold properties are stated at valuation less accumulated depreciation. Revaluations are performed with sufficient regularity to ensure the carrying amount does not differ materially from that which would be determined using fair values at the end of the reporting period. Increase in value arising on revaluation are recognised in other comprehensive income and accumulated in equity under the heading of revaluation reserve. Decrease in value arising on revaluation are first offset against increases on earlier valuations in respect of the same property and thereafter recognised in profit or loss. Any subsequent increases are recognised in profit or loss up to the amount previously charged and thereafter to the revaluation reserve.

Upon disposal, the relevant portion of the revaluation reserve realised in respect of previous valuations is released from the properties revaluation reserve to accumulated losses.

The other plant and equipment are stated at cost less accumulated depreciation and any impairment losses. The cost of an item of plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after items of plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the income and expenditure account in the year in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of an item of plant and equipment, and where the cost of the item can be measured reliably, the expenditure is capitalised as an additional cost of that asset or as a replacement.

Depreciation is calculated on the straight-line basis to write off the cost of each item of property, plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Land	over the lease term
Building	2%
Furniture, fixtures, equipment & leasehold improvements	Nil

Where parts of an item of property, plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately.

Residual values, useful lives and the depreciation method are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in the income and expenditure account in the year the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES (CONTINUED)

(i) Impairment of non-financial assets, other than inventories

At each reporting date, plant and equipment is reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(j) Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership of the leased asset to the company. All other leases are classified as operating leases.

Rights to assets held under finance leases are recognised as assets of the company at the fair value of the leased property (or, if lower, the present value of minimum lease payments) at the inception of the lease. The corresponding liability to the lessor is included in the statement of financial position as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are deducted in measuring profit or loss. Assets held under finance leases are included in property, plant and equipment, and depreciated and assessed for impairment losses in the same way as owned assets.

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease.

2. TAXATION

No provision for Hong Kong profits tax has been made in these financial statements as the Executive Committees are of the opinion that the Chamber is eligible for exemption from profits tax under Section 88 of the Hong Kong Inland Revenue Ordinance.

3. STATUS OF ASSOCIATION

The Chamber is a non-profit making incorporated Association which is limited by guarantee and not having a share capital. In the event of this Chamber being wound up, any person being a member or within one year after she ceases to be a member, should be required to contribute to the deficit of the Chamber for a sum not exceeding ten dollars.

Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the directors and those charged with governance for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Companies Ordinance, and for such internal control as the directors determine are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Company either intend to liquidate the Company or to cease operations or have no realistic alternative but to do so.

Auditors' responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Our report is made solely to you, as a body, in accordance with section 405 of the Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.

2. BASIS OF PREPARATION (CONTINUED)

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) – measured at fair value or revalued amount
- assets held for sale – measured at the lower of carrying amount and fair value less cost to sell, and
- defined benefit pension plans – plan assets measured at fair value.

(iii) New and amended standards adopted by the Company

Hong Kong Interpretation 5 (Revised)	Classification by the Borrower of a Term Loan that Contains a Repayable on Demand Clause
Amendments to HKFRS 16	Lease Liability in Sale and Leaseback

The amendments listed above did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

(iv) New standards and interpretations not yet adopted

Amendments to HKAS 21	Lack of Exchangeability[1]
Amendments to HKFRS 9 and HKFRS 7	Classification and Measurement of Financial Instruments[2]
HKFRS 18	Presentation and Disclosure in Financial Statements[3]

[1] Effective for annual periods beginning on or after January 1, 2025.
[2] Effective for annual periods beginning on or after January 1, 2026.
[3] Effective for annual periods beginning on or after January 1, 2027.

3. SIGNIFICANT ACCOUNTING POLICIES

The following are the specific accounting policies that are necessary for a proper understanding of the financial statements:

(a) Revenue

The Foundation reognises revenue from contracts with customers when (or as) the Foundation satisfies a performance obligation by transferring a promised good or service (I.E. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

HONG KONG JUNIOR CHAMBER FOUNDATION LIMITED

ACCOUNTING POLICIES AND EXPLANATORY NOTES
TO THE FINANCIAL STATEMENTS

3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(a) Revenue (continued)

When (or as) a performance obligation is satisfied, the Foundation recognises as revenue the amount of the transaction price (which excludes estimates of variable consideration that are constrained in accordance with HKFRS 15) that is allocated to that performance obligation, as follow:

(i) License fee income is recognized on a time proportion basis over the period of the license agreement.

(ii) Dividend income is recognized when the shareholders, right to receive payment is established.

(iii) Interest income is recognised using the effective interest method.

(b) Property, plant and equipment

Property, plant and equipment are stated in the statement of financial position at cost less accumulated depreciation and impairment losses, if any.

Depreciation is recognised so as to write off the cost of assets less their residual values over their estimated useful lives, using the straight-line as follows:

Land	over the lease term
Building	2%
Leasehold improvements	20%

The residual value and the useful life of an asset are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The Foundation assesses at the end of each reporting period whether there is any indication that any items of plant and equipment may be impaired and that an impairment loss recognised in prior periods for an item may have decrease. If any such indication exists, the Foundation estimates the recoverable amount if the item. An impairment loss, being the amount by which the carrying amount of an asset or a cash-generating unit exceeds its recoverable amount, or a reversal of impairment loss is recognised immediately in income and expenditure account.

The residual value and the useful life of an asset are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(c) Cash and cash equivalents

For the purpose of presentation in the statement of cash flow, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

(d) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment is reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(e) Related parties

(a) A person, or a close member of that person's family, is related to the Foundation if that person:

(i) has control or joint control over the Foundation;
(ii) has significant influence over the Foundation; or
(iii) is a member of the key management personnel of the Foundation.

(b) The reporting entity (A) is related to another entity (B) if:

(i) A and B are members of the same Foundation (that is all entities within a Foundation are related to each other);
(ii) A is an associate or joint venture of B. In this case A is related to all members of the Foundation that B belong to;
(iii) A and B are joint ventures of the same third party, C;
(iv) A is a joint venture of C and B is an associate of C (or vice versa);
(v) B is a post - employment benefit plan for the benefit of employees of A or entity related to A.
(vi) B is controlled or jointly controlled by a person identified in (a) above;
(vii) a person who has control or joint control over A has significant influence over B or is a member of the key management personnel of B, or
(viii) B (or any member of the Foundation of which B is a part) provides key management personnel service to A or A's parent.

In this definition, an associate includes subsidiaries of the associate and a joint venture includes subsidiaries of the joint venture.

(f) Investments and other financial assets

(i) Classification

The Foundation classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through OCI or through profit or loss), and
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or OCI. For investments in equity instruments that are not held for trading, this will depend on whether the Foundation has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVOCI).

The Foundation reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Foundation commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Foundation has transferred substantially all the risks and rewards of ownership.

(iii) Measurement

At initial recognition, the Foundation measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVPL are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the Foundation's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Foundation classifies its debt instruments:

3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(f) Investments and other financial assets (continued)

(iii) Measurement (continued)

- Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other gains/(losses) together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the statement of profit or loss.

- FVOCI: Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in finance income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains/(losses) and impairment expenses are presented as separate line item in the statement of profit or loss.

- FVPL: Assets that do not meet the criteria for amortised cost or FVOCI are measured at FVPL. A gain or loss on a debt investment that is subsequently measured at FVPL is recognised in profit or loss and presented net within other gains/(losses) in the period in which it arises.

(iv) Impairment

The Foundation assesses on a forward-looking basis the expected credit losses associated with its debt instruments carried at amortised cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(g) Financial liabilities

Financial liabilities include bank and other borrowings, trade and other payables and other monetary liabilities. They are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, they are subsequently measured at amortised cost using the effective interest rate method.

Financial liabilities are derecognised when they are extinguished, i.e., when the obligation is discharged or cancelled or expires.

4. CRITICAL ESTIMATION AND JUDGEMENTS

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Foundation's accounting policies.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

(i) Critical accounting estimates

(a) Estimated of useful lifes of property, plant and equipment

The Foundation determines the estimated useful lifes and related depreciation charges for its property, plant and equipment. This estimate is based on the historical experience of the actual useful lifes of property, plant and equipment of similar nature and functions. Management will revise the depreciation charge where useful lifes are different to previously estimated, or will write off or write down technically obsolete or nonstrategic assets that have been abandoned or sold.

(b) Estimated impairment of property, plant and equipment

In determining whether as assets is impaired, the Foundation has to exercise judgement and make estimation, particularly in assessing: (1) whether an event has occurred or any indicators that may affect the asset value; (2) whether the carrying value of an asset can be supported by the recoverable amount, in the case of value in use, the net present value of future cash flows which are estimated based upon the continued use of the asset; and (3) the appropriate key assumptions to be applied in estimating the recoverable amounts including cash flow projections and an appropriate discount rate. When it is not possible to estimate the recoverable amount of an individual asset, the Foundation estimates the recoverable amount of the cash-generating unit to which the assets belongs.

The future cash flow is limited based on past performance and expectation for market development. As the current environment is uncertain, the estimated cash flows and discount rate are subject to high degree of estimation uncertainty. Changing the assumptions and estimates, including the discount rates or the growth rate in the cash flow projections, could materially affect the recoverable amounts.

(c) Estimation of fair value of certain financial assets

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Foundation uses it judgement to select a variety methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

	HK$	HK$
Investment in equity instruments		
- Listed equity securites, at market value	**22,069,760**	18,817,828

Sensitivity analysis:

If the prices of the listed equity securities had been 4% higher/lower, other comprehensive loss for the year would decrease/increase by approximately $883,000 (2023: $753,000) for the Foundation as a result of the changes in fair value of financial assets at fair value through other comprehensive income and assuming no impairment loss on these financial assets at fair value through other comprehensive income is necessary.

The sensitivity analysis has been prepared with the assumption that the change in equity price had occurred at the end of each reporting period and had been applied to the exposure to equity price risk for the relevant financial instruments in existence at that date. The changes in equity price represent management's assessment of a reasonably possible change in equity price at that date over the period until the end of the next reporting period.

The analysis is prepared on the same basis as 2023.
