Oklahoma City**

Regulars,  
Guests,  
Friends and  
Family,  
Thank you so

much for coming to the 2026  
Oklahoma City 22nd Infantry  
Regiment Society Reunion. Your  
attendance, lively conversations,  
and participation in the many  
reunion events, was uplifting!  
Skip has put together a

collage of photos in this special reunion  
newsletter for your viewing pleasure. Thanks  
to our sponsor David Allin, the venue was  
amazing and registration was a smooth and  
orderly process. I will provide thanks to the  
many other reunion support folks in our June  
Newsletter. For all that attended, your love  
has refilled my heart to last until we meet  
again in Washington DC 2027!

Oklahoma City National Memorial

You are entering the area where the Alfred P. Murrah Building once stood. The granite used on this pathway was salvaged from the Murrah Building. The Field of Empty Chairs is a tribute to the 168 Americans who were killed April 19, 1995. The nine rows represent the nine floors of the former Murrah Building. Each person's chair is positioned in the row that corresponds to the floor on which they worked or were visiting. The five westernmost Empty Chairs honor those who were killed outside the Murrah Building.
