Special 2/22 Organization Day

6-2024

## President's Corner Organization Day

Team,

Our Old Goats had the amazing opportunity to join Triple Deuce for their Organization Day on 29 August this summer. We had an amazing day hanging out and cheering on the soldiers in their competitions. Lots of great conversations with our next generation of warfighters. The Old Goats had a chance to hand

out (and receive) unit challenge coins with the soldiers and leaders of our active duty Battalion. At the end of the day we joined the

Triple Deuce leadership at the local brewery where Old Goat **John Poggi** treated all of us to some beers and food. Thank You John!! Skip and I joined 2 soldiers from Bushmaster Company and played a round of golf at the Ives Hill Country Club followed by lunch, Thank You Skip! Needless to say, we love our active duty soldiers and fellow 22nd Infantrymen! Great Trip! Old Goats in attendance were, John Poggi, **Lon Oakley**, **Skip Fabel**, **Jim May**, **Chris Tuccio** and myself. Thank You Triple Deuce and Thank you Old Goats!!

Cheers!

Mark
