Reunion Special

### President's Corner September

What an amazing Reunion in Nashville! It was a great venue just a

couple blocks from Broadway (where all the honky tonk action is!). I really enjoyed seeing everyone!

I want to give a few shout outs to everyone. **Joe Dichario** for hosting with help from **Orlando Soto** and as always the amazing **Martin Oelklaus**. **Brian Gilkey** and **Steven Pollock** as our van drivers. **CSM Pete Martinez** for keeping us on track and leading the blind auction effort along with **Pat Tayfel** and **Jake Lynn**, who also helped maintain our Hospitality suite. **Kenny Schulte** and **Ruben Nambo** for all the ticket sales.

**Lon Oakley** and **Skip Fahel** for organizing and preparing each activity. **Jim May** for handling the PX and getting a great gift (mug) for everyone. All the wonderful folks that donated prizes for the blind auction. **John Poggi** for ensuring the business meeting went off without a hitch! I know I may have missed several folks with significant contributions - so Thank You!

My heart was again filled with hope for the future of our organization and the folks within it! It looks like many of our group caught more than what they bargained for and returned home with COVID, I put all of you in my prayers for a speedy recovery! I am so proud of this organization and its steadfast and loyal members. I look forward to seeing everyone in OKC circa May 2026! Deeds not Words men!
