

22nd Infantry Regiment Society

Deeds not Words

Regulars, By God

Reunion Update [Reschedule to September 2021]

Regulars, Happy New Year! If you are reading this newsletter, you have survived the greatest Pandemic since 1918 (our lifetime). Congratulations! The current administration did an outstanding job with operation “Warp Speed” to bring to the American people several vaccines for this horrific virus. We should reach “herd immunity” by mid-summer as we work to inoculate 300+million Americans.

As our 22nd Infantry Regiment Society has quite a few folks over the age of 70 (population highest at risk), **the 22nd Infantry Regiment Society’s executive committee met and have decided to postpone the amazing 22nd Infantry Regiment Society reunion from May 2021 to 30 Sep - 3 Oct 2021.**

This will give everyone a chance to get inoculated before coming to Dallas and letting me buy you a beverage and give you some “sugar”!

Skip will be providing you some updated information on registration, hotel accommodations, and interesting tours for you and your significant other. I will be providing additional information on the reunion golf tournament (with plenty of 22nd Infantry logo balls)!

I also want to thank you for your service to this land of the free and home of the brave. May 2021 be happier, healthier, and more prosperous than 2020. See you in Dallas!!

“Deeds Not Words”

Mark S. Woempner

President 22nd Infantry Regiment Society

Additional information will be posted in Society Newsletters.
