

Tumble Time

Fun & Fitness

2024 - 2025 REGISTRATION FORM

Since 1983 our goal has been to give each child a great start in life by teaching him/her life skills. Our core program will develop fundamental movement skills that are crucial to everyday life, for playing sports and over all physical health and well being. Tumble Time is designed to enhance physical growth and individual success. In each Tumble Time lesson we will challenge and motivate your child. All through the school year we'll keep things FUN! So it's easy to build stronger muscles and bones, to improve flexibility and balance, and to develop cardiovascular endurance, hand-eye coordination, social and emotional skills and so much more.

CLASS INFORMATION

Tumble Time is an onsite physical fitness and gymnastics program for your 2 year old thru Pre-K child. A trained Tumble Time instructor will provide three 30-minute fun filled classes each month. You don't have to worry about finding time to take your child to another facility. You can give your child every advantage and opportunity, both mentally and physically, while your child is at school and you are at work. **Classes will begin in September and continue through May.**

Receive a FREE TUMBLE TIME T-SHIRT for your child when you prepay \$270 for our 9 month program (September to May).
