Dear Residents:

Hurricane season began June 1st and runs to end of November each year.

Fairwinds Cove Association has emergency procedures in place for the management and for maintenance department.

While the Association is responsible for securing all common grounds, our residents are responsible for securing their interior premises.

When there is a name storm or hurricane, please do the following:

Please follow all local news, recommendations and instructions including possible evacuation if announced. www.martin.fl.us/hurricane

Lock and secure your doors

Close all shutters

Bring all the lanai furniture and all items from the lanais inside your unit or inside your storage room.

Make sure that you have enough water, food, medicine to sustain for about 1 week.

Fill coolers with ice.

Charge your laptops and phones ahead of time. If possible, buy the vehicle adaptor to be able to charge your phone in the car.

Make sure your vehicle has a tank full of gas.

Stock up on batteries, flashlights and first aid kits.

Make sure that you can easily access important documents to bring with you if there is evacuation in place.

Please make arrangements with friends, neighbors so we all watch for each other.

If out of state, please decide with your condo service provider to secure your condominium and visit after to assess possible damage.

WQCS -88.9 FM should be the Emergency Alert System Radio Station designated by the State of Fla to broadcast hurricane or storm emergencies.

MANAGEMENT RESPONSIBILITIES
