

JOIN THE ENVIRONMENTAL AND CLIMATE JUSTICE ACADEMY (ECJ)!

WHAT-*ECJ is a year-long experience for middle and high schoolers that will engage scientific issues of climate change and environmental education programs, expand ecological knowledge, and enable the exploration of relationships between applied STEM in an urban farm setting. The students will develop air quality monitors and water and soil sampling devices for their neighborhoods.*

WHEN- June 2024-2025, weekends (dates TBA)

WHERE- Mezzacello Urban Farm, 33 North 20th Street, Columbus, Ohio 43203

HOW- Sign up online at <https://www.mezzacello.org/> or call 614-886-1866
