WHAT'S BEEN HAPPENING

Transformed Men at Shalom Ministry.....

In the month of February we partnered with Shalom Ministry to host The Men and his friends luncheon and gathering at their facility. We had an awesome time, brothers from various ministries came to join us as brothers Tracy Mcphan and Joe Mcphan lead the men into a powerful time of worship. Marco Ledesma and Minister Calvin Mosley team up to MC the event. After a great time of fellowship the pizzas arrived and we made a needed pause to break bread and get to know each other a little bit better. As the program resumed we gave away a few T-shirts and a Transformed Men hoodie to three blessed brothers in attendance. In March we celebrated Pastor Luis birthday at Sunshines Café. On March 25th we headed out to Stevens Point Wisconsin. There we ministered at Refuge Church. We had a blast and the power of God came down and the men were filled and set free.

STEVENS POINT CONFERENCE

TESTIMONIES

My name is Pastor Luis Pizarro I was born in Boston MA and grew up in Loiza, Puerto Rico. It was my grand father Victor who gave me the nickname Pito a name that am known by in the music industry. It was something I did through out my child hood. By the age of 13 the lifestyle got to me and pushed in to the world of drugs where my young career suffered a partial collapsed. I got in to

drinking and smoking, and my mother thought of placing me in juvenile detention. Others tried to help me by introducing me to sports. Basketball and boxing To read Pastor Luis Pizarros full story or to purchase his most recent book “Dance Baby Dance Destined to Win” visit our website www.transformedpeopleinc.com.
