

To Whom It May Concern:

As a valued member of our Delavan business community, we are writing to inform you about an exciting new project that the City of Delavan, in collaboration with Never Say Never Playland, is undertaking: the construction of an inclusive and accessible playground designed for children of all abilities.

Our Vision

Never Say Never Playland is a local non-profit organization dedicated to creating a play space where children of all abilities can play together. Our goal is to build a state-of-the-art playground that provides a safe, fun, and inclusive environment for all children in our community.

The playground will feature equipment and design elements that accommodate a wide range of physical, sensory, and developmental needs, ensuring that every child can enjoy the benefits of play. We believe this playground will not only enhance the lives of many families in Delavan but also attract visitors from surrounding areas, benefiting our entire community.

Your Support Makes a Difference

To bring this vision to life, we are seeking the support of our local businesses. Your generous donation will help us reach our fundraising goal and bring this important project to the finish line. The following page highlights several sponsorship levels offered. Sponsors of the playground will be named on our large donor wall at the entrance of the playland, recognized on our website, and highlighted on social media.

Do not miss out on the opportunity to have your business or personal name immortalized on the playland's donor wall! Your contribution will be a testament to your commitment to the well-being and inclusivity of our community.

Thank you for considering this request and for your continued support of our community. Together, we can build a playground where children of all abilities can play, learn, and grow together.

Warm regards,

Dusti Grenus
