

## 2024 First Boat Raffle and Drawing for Pole Position

Each boat will have an opportunity to draw for their release position for tournament morning. Each team will draw a number to assign your boat's position on Thursday night after dinner. The number which is drawn will be the boat order in which you are released Friday, and you will be released in the opposite order Saturday morning for the tournament.

Once all boats have drawn their position, the Raffle for the #1 boat will be drawn.

Tickets for the First Boat Raffle will be available for sale at Registration for \$5 each, or in a bundle of 25 for \$100.

***Also, each team that brings a raffle item to donate for the school raffle to registration, will receive 5 free First Boat raffle tickets for the drawing.***

On the morning of the tournament, boats will anchor in the Intracoastal by Froggies and wait for their number to be called. Boats will be released in regular intervals in the order drawn, by a PA system from the dock at **2769 Stella Ave** (the house sits on the intracoastal on the West side of Froggies – 4<sup>th</sup> house down).
