

Cottage Rules

- Smoking or vaping of any kind is not allowed inside the cottage at any time.
- Parties are not allowed on the premises. If reported, your reservation will be canceled, and all guests must leave immediately.
- Please flush only toilet paper to help the septic system.
- Kindly show consideration for our neighbors and keep noise levels to a minimum after 11pm.
- Visitors can come from 9am to 9pm with prior approval and must adhere to rules; violations may result in termination of reservations.
- Please report any damages promptly. We recognize that items may break or previous damages might be overlooked. Our goal is to address these issues swiftly; however, unreasonable or excessive damages will result in charges to the guest.
- An \$80 pet fee per stay is required. If pets are on the property without being included in the reservation, the fee and additional collection fees will apply.
- We reserve the right to terminate reservations for rule violations without refunds. Fees may apply for property restoration and related administration. We will strive to reach a mutually agreeable resolution with the guest.
- Campfires are allowed under suitable conditions, but no bonfires are permitted during a burn ban, which will be indicated in the welcome binder. Guests are responsible for wood; if available, it can be used. Fires must be contained to the fire pit and only wood should be burned. Keep a nearby bucket of water ready; one is located by the garbage bins.

If booking site rules differ, the official rules from www.91starscottagepei.com, including the cancellation policy, will apply. Applicable taxes apply to all fees.
