Job offer 2024 Patroller

Parc Harold F. Baldwin (PHFB) is a non-profit organization founded in 1998 and located in Coaticook, Quebec, whose primary mission is to ensure the conservation, enhancement and sustainability of Mont Pinacle, an ecosystem rich in biodiversity. The PHFB, better known as Mont Pinacle, offers privileged access to its trail network, which attracts nearly 42,000 hikers of all ages every year. Nature observation and interpretation are valued, as is visitor education and awareness, with the aim of protecting the ecological integrity of the natural environment for future generations.

Job overview

Under the supervision of the Director, the main duties of the patroller will be to ensure that visitors have a valid ticket, to charge visitors on site, and to monitor the site to ensure compliance with regulations and safety. Patrols may also include activities to educate visitors at the summit about various Park issues.

Tâches et fonctions

- Check that visitors have a valid daily ticket with them.
- Charge visitors on site.
- Monitor the area while on the trails and ensure the safety of the Park and visitors.
- Ensure that visitors respect park regulations.
- Educate visitors about the park's mission and the reasons for these regulations.
- Pick up litter.
- Learn general park information and answer visitors' questions.
- Write daily reports.
- Participate in writing end-of-season report.
- Possibility of leading educational segments for visitors at the summit.

Les avantages à venir travailler avec nous !

- The park is close to Sherbrooke, only 35 minutes away by car;
- You'll be working in one of the most beautiful parks in the Coaticook region. Mont Pinacle is recognized as the region's only ecological reserve. It's a resplendent natural environment, with a rich and diverse flora and fauna. Its summit offers a breathtaking view of Lake Lyster;
- Our small team is dynamic, attentive and will make sure you have all the support you need.
- Another reason to come and work with us, it's worth the drive to see the beautiful sunsets after work;
- If you care about the environment, this is your chance to make a difference by helping an NPO educate its hikers about good hiking practices.
