April 2022

Newsletter

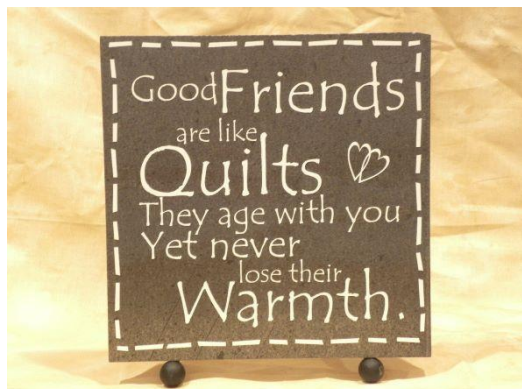

## President's Note from Sheri:

Happy April! I think Mother Nature has forgotten it's Spring. Hopefully last Saturday's snow was the last for the year. I have been really busy with quilts for the last several weeks, and cat-sitting for a friend.

I will be on vacation from the 26th of April through around the 10th of May, but I still have time for more quilts in the meantime! Give me a call.

## April Program:

We have a change of programming for April. Katherine had a conflict and won't be coming; instead we will do a round-robin type program. We plan to show a fabric basket, freezer paper piecing and finishing binding.

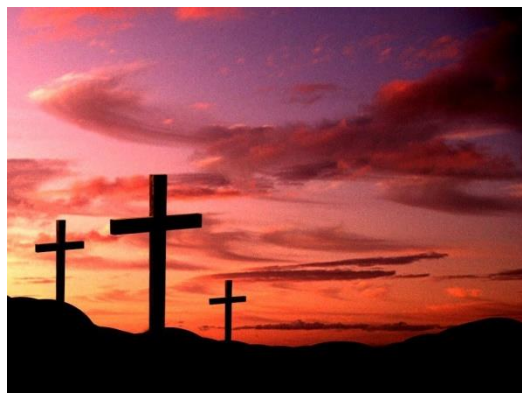

## OUR MISSION

The block of the month is called Judy's Star and is a traditionally pieced block using 4 colors that would work great with a fussy-cut center. Patterns will be supplied at the meeting and also available on our website.
