

PET POLICY

We are PET FRIENDLY! Below are our standard rules regarding pets at Sun Lake RV Resort.

All pets must be pre-approved by Lessor, no aggressive breeds (as determined by Lessor) shall be allowed in the Park, including without limitation, Pit-bull, Rottweiler and Dobermans, etc. Tenants with pets must keep them on a leash when outside. There are assigned areas for animals to be walked and they are permitted in no other area of the Park. Pet droppings must be removed promptly and properly disposed of by pet owner. That means any place on the grounds. There are fees in place for guests and residents who have more than 2 pets.

Don't forget to contact us so that we can learn about your pet prior to your stay. You may call us at 813-536-6753 or email us at SunLakeRV@yahoo.com.
