

Mind Matters on the Green

Charity Golf Tournament Sponsorship Package

Supporting Community Mental Wellness

About the Tournament (Our Mission)

The Growth Center Mind Matters on the Green Charity Golf Tournament drives awareness, advocacy, and action around mental health, substance prevention, suicide awareness and emotional wellness in our communities.

Through this spirited and inclusive event, we raise vital funds to support culturally responsive mental health education, youth leadership and mentor programs, safe spaces, mental wellness retreats, summits, summer coping camps, trauma-informed healing initiatives and much more.

Our mission is to unite partners, professionals, and everyday champions on the green—so together, we can grow stronger, healthier, and more resilient communities for generations to come.

Join us for a day on the green to support mental health awareness and wellness programming in our community.

Don't forget to take our short survey to help us know why you support this event. See you on the green!
