

# Information Update Form v.6

## Instructions

**CONFIDENTIAL**

The information supplied by you, when applying to join NARPO originally was extremely scant in detail. This form has been created with the intention of ensuring that your local NARPO will have a confidential and concise history of you. It will be placed on the National NARPO Database (*SuperSleuth2*) but only accessible by your branch.

The information you provide will not be shared with others without your express permission. It will be used to better inform any future Welfare issues in relation to you, your family and your service record, should the need arise, also complying with GDPR in keeping accurate and up-to-date details.

I invite you to spend a few moments to complete the boxes below where applicable
