

Silhouette Match Course of Fire

General Rules

Our metallic silhouette matches are 40 rounds – 10 each, fired in 2, 5-rd strings at chickens, pigs, turkeys, and rams. Any sights are permitted. The matches are shot standing without the use of supports or slings.

Each competitor has a bank of 5 silhouettes at which to fire, one shot at each, left to right, in order, in the appropriate time. If a target is missed move on to the next target. Hits out of sequence are scored as misses. Hits on wrong targets are scored as misses. ONLY targets knocked down by the projectile in order count as HITS. Targets must be knocked off of the stand to be scored as a hit. No practice shots. All safety rules apply.

Hunters Pistol

Any handgun that fires straight walled pistol ammunition. 30 sec. ready time, 2 minutes for each 5-rd. string. Chickens at 40 meters, pigs at 50 meters, turkeys at 75 meters, and rams at 100 meters.
