

ASP Fall 2026 Student Interest/Signup Survey-----FINAL-----10-13-26

Please read the following information carefully. ASP Fall 2026 will have sessions for grades PK-8 on Monday, Tuesday, Wednesdays and Thursday with none on Holidays or school closings. The Fall 2026 ASP will run from Monday November 9th through Thursday December 10th: (6 Weeks)

The sessions are listed below in order, by day.

Please choose from the activities in numbered order **for each day separately** by putting in a “1” for your 1st choice (I like this one the most) then if any other topics interest you on that day put a “2” by your second choice and a “3” by your third. Make sure you only choose ones you are interested in and fit your grade level, **if You Are Not Interested, please leave it blank. Please do not put in “ALL” 1’s either.** We need to know what your top choices are so that we can create the fairest grouping based on each students’ input. Remember to choose carefully because there are many students looking at these activities and making choices too. Students will be notified of the groupings once we get these surveys back and form the groups. Make your selections carefully **based on your grade level** and **do not pick activities that you have no interest in.**

The sign-up survey will close on Wednesday, October 21st at 2PM.

Mondays:

26FALLM1 -----Monica Francis & Brenda Sullivan -----Grades PK-1- (Limit 6)

Messy Science --- Group #1

Mix, pour, squish and discover! Come have fun, learn and explore Science through fun, safe and sometimes messy experiments.
