

ASP Winter 2024 Student Interest/Signup Survey

Please read the following information carefully. ASP Winter 2024 will have sessions for grades 1-8 on Monday, Tuesday and Wednesdays with none on Holidays or school closings. The Winter 2024 ASP will run from Monday January 22nd thru Wednesday March 6th: (6 Weeks)

The sessions are listed below in order, by day.

Please choose from the activities in numbered order **for each day separately** by putting in a “1” for your 1st choice (I like this one the most) then if any other topics interest you on that day put a “2” by your second choice and a “3” by your third. Make sure you only choose ones you are interested in and fit your grade level, **if You Are Not Interested, please leave it blank. Please do not put in “ALL” 1’s either.** We need to know what your top choices are so that we can create the fairest grouping based on each students’ input. Remember to choose carefully because there are many students looking at these activities and making choices too. Students will be notified of the groupings once we get these surveys back and form the groups. Make your selections carefully based on your grade level and do not pick activities that you have no interest in.

The sign-up survey will close next Thursday, January 11th at 2PM.
