

# MARK BABICH

## Summary:

Former U.S. Marine Fireteam Leader with operational security experience, intelligence-driven decision-making skills, and strong analytical capability. Skilled in assessing threats, producing actionable intelligence, and integrating technology-driven solutions to support mission objectives. Proven ability to lead teams, manage security programs, and maintain clarity and coordination in high-pressure environments. Seeking a role in Security Operations, Intelligence Analysis, or Information Operations where I can apply military experience, critical thinking, and mission-focused planning to protect critical infrastructure and advance security interests.

**Clearance:** Secret | Inactive | 2008 - 2012

## Professional Experience:

### Detention Officer

#### GEO Group | 2025 – Present

- Oversees and maintains custody, care, and control of 1,600+ detainees in an ICE facility, while enforcing the rules, regulations, policies, and procedures.

### Security Account Executive

#### Johnson Controls | 2024 – 2025

- Designed tailored security solutions through detailed assessments and persuasive proposals, delivering 24+ monthly submissions that generated \$300K+ annually while ensuring compliance and translating complex systems into clear, actionable messaging for decision-makers.

### Project Operations Coordinator

#### Green Shield Deck Builders | 2021 – 2025

- Ran logistics for 500+ annual projects, coordinating permits, drafting, materials, and field operations while being a liaison with stakeholders and streamlining multi-team coordination under tight deadlines.

### Security Supervisor

#### Switch SuperNAP | 2018 – 2021

- Led a three-officer team at Tier IV data centers, ensuring zero breaches by coordinating security operations, integrating defenses, and conducting incident response planning and risk assessments to maintain operational continuity.

### Corporate Security Specialist

#### JM Family Enterprises | 2015 – 2018

- Directed a \$1.2M security project across 13 sites, maintaining 99.9% uptime while coordinating with law enforcement and internal teams to enhance protection, streamline protocols, and standardize procedures that improved resilience and response time.

## Military:

### Fireteam Leader | Infantry Rifleman | MOS 0311

#### United States Marine Corps | 2008 – 2012

- Commanded 4–6 Marines in combat operations in Sangin, Afghanistan, directing missions under hostile conditions while communicating objectives, coordinating with allied units, and maintaining security, awareness, and decisive leadership under pressure.

## Entrepreneurial Venture:

### Firearms Instructor

#### TruePoint Tactical | 2025 - Present

- Delivering firearms safety, concealed carry, and defensive training courses with a focus on precision, confidence, and responsible gun ownership.

### Web Designer

#### Northstar Webworks | 2024 - Present

- Creating modern, AI-enhanced website design, hosting, and digital solutions for small businesses.

## Education:

### Bachelor's in Information Technology

#### South University | Graduated, 2015 | Magna Cum Laude

## Volunteer:

### Security Guard

#### Harvest Fremont Church | 2025 - Present

- Provide security support at worship services, ensuring safety and a welcoming environment.
