## TOUR OF THE BALLESTA ISLAND

### Tour

Suitability:  
From 2 years old

Tour duration:  
10 hours

Time  
06:30 am

Peru's unspoiled Ballestas Islands, a marine sanctuary where you can observe a wealth of sea birds and marine life in their natural habitat. Spot for some of the Islands' rich array of penguins, Peruvian boobies (native birds), sea lions and Peruvian pelicans, along with many more species. If you're lucky, you might even observe a dolphin or two. You'll also enjoy views of the mysterious 490-foot (150-meter) Candelabra geoglyph, rumored to have been constructed in ancient times.
