## TACAMA & VISTA ALEGRE & CARAVEDO TOUR

### Tour

Suitability:  
From 4 years old

Tour duration:  
3.5 hours

Time  
Available all day long

The southwestern region of Peru has an ideal climate for growing grapes. On this tour from Ica, visit one of the oldest wineries in South America as well as an artisanal winery to sample the wines and piscos of the region. Take guided tours of each facility and learn about the winemaking process before enjoying the tastings of their respective products.
