

Hello, We Are

Brenden + Courtney

WEEKEND ADVENTURES COUPLE

Let's work together!

We are Brenden & Courtney of Adventures with B+C. Along with our two dogs, Eva & Felix, we travel in our Entegra Class C motorhome while calling Central Florida home base. From campground stays and weekend getaways to local eats and hidden gems, we love sharing the adventures, flexibility, and realities of RV life. After selling it all in June 2023 to pursue this lifestyle, we transitioned from full-time RV living to a home base in Central Florida at the end of February 2026 — embracing a new chapter filled with travel, exploration, and making memories along the way.
