In a sea of payment processors, Payment Card Inc. stands tall as the clear choice. Here's why businesses are switching to us—and why you should, too:

Slash Your Costs

Our **0.5% + \$0.05 per transaction** rate, paired with a \$9.95 monthly fee, saves you thousands. For a \$100 transaction (with a typical 2% interchange rate), you pay just **\$2.55**—beating out big names like Stripe (\$2.75) and Square (\$2.75). Our **\$1,000 savings guarantee** means we'll beat your current provider or pay you—no questions asked.

All-in-One Power

Why settle for less? We offer a complete payment stack—cards, e-checks, gift cards, POS, and inventory tools—in one seamless platform. Ditch the vendor chaos and simplify your operations.

Service That Delivers

Our dedicated team is your partner in success, providing white-glove support from setup to optimization. We're not here to sell you and forget you—we're here to help you win.

Fort Knox Security

Backed by PNC Bank, N.A., our systems use cutting-edge tech to stop fraud in its tracks. Your business and customers are protected, period.

Exclusive Offer You Can't Ignore

Sign up now for a **FREE credit card machine** and our **\$1,000 savings guarantee**. This limited-time deal is your ticket to lower costs and better tech—don't miss out!

See the Savings: Cost Comparison

Check out how we stack up for a \$100 in-person credit card transaction (assuming a 2% interchange rate):

Provider	Cost for \$100	Monthly Fee	Why It Matters
Payment Card Inc.	\$2.55	\$9.95	Industry-low rates and bold guarantees save you more.
Stripe	\$2.75	\$0	Simple but costly for growing businesses.
Square	\$2.75	\$0 (free plan)	Easy setup, but higher fees eat into profits.
Helcim	\$2.48	\$0	Competitive, but we match or beat for most businesses.
Payment Depot	\$2.20	Not specified	Great for high volume, but less clarity on fees.

Why pay more? Our low markup and transparent pricing make every transaction a win for your business.
