

## CHEF TOM TAMIR – A HOMECOMING STORY

*Fuji Alum · 20+ Years of Sushi Craftsmanship*

Chef Tom has delighted the Bay Area with his artistry for over two decades.

His sushi journey began at just **17**, in a cozy Japanese kitchen right here in **West Portal, San Francisco**.

During the early 2000s, he cherished serving the close-knit community that quickly became family.

Today, returning to West Portal is a dream realized.

He left as a cub... **and came back as a Lion**—ready to share his passion, skill and love for sushi with the neighborhood that started it all.
