BONNIE PARK PICNIC AREA - STRONGSVILLE ON SEPTEMBER 21, 2024
OR JOIN US VIRTUALLY FROM ANYWHERE!

Currently, there are over 1.9 million Ohioans who have sustained at least one traumatic brain injury in their lifetime. These life altering injuries impact their ability to live, learn, work and play in the community.

Brain Injury Association of Ohio is committed to creating a better future for survivors and their families through supportive programming, research, and education.

We invite you to join us for our 3rd Annual Cere-bration Walk, Roll, Run at a location near you. Come together with friends, family, and community members for a day of fun and support at the Brain Injury Association of Ohio's Cere-bration Walk, Roll, Run! This event is dedicated to raising awareness and funds for brain injury prevention, treatment, and support services.

Prizes will be awarded for:

- Largest Team
- Team who fundraises the most money
- Individual who fundraises the most money
- Person who registers the furthest away from zip code 43221
- The best team picture submitted as judged by the event committee (submitted to member@biaoh.org by 09/20/2024)
