**Re: SWC Winter Live Stream Presentation and Activity – Wednesday December 1<sup>st</sup>**

This letter is to remind all families that we are going ahead with the planned activity and live stream event on Wednesday December 1<sup>st</sup>. Students will have the opportunity to participate in a fun activity, and then each ensemble will play for the rest of the group. Parents are invited and welcome to listen to all performances via an online live stream on the day. Unfortunately, due to COVID restrictions, we will not be able to accommodate any parents in the building.

The live stream link will be sent out via the SWCBPA shortly before the performances begin. To receive the link, you **must** be registered with the SWCBPA through their website – [www.swcbpa.ca](http://www.swcbpa.ca)

All music students are expected to be in attendance as this performance provides an important piece of assessment. Students who miss the concert for an unexcused reason will not receive full credit for the performance and must make arrangements to perform the concert material for their director.

We look forward to sharing some of our wonderful music accomplishments so far this year with each other and with you all! If you have any questions please do not hesitate email your child's teacher.

Sincerely,
