2025 Fair Grand Marshals – David and Kris Toyne

Fair is a time to celebrate our community and those who make it thrive. The Toyne Family has contributed to the livelihood of Sedgwick County and beyond for generations. David and Kris Toyne continue to operate Platte View Ranch and perpetuate the agricultural legacy that Rufus (David's great grandfather) started with their first quarter section in 1903. Despite the demanding workload of a rancher, you will often see David and Kris making time for their great niece and nephews various activities, where both of them are involved in 4-H and FFA. The last year has been a difficult time for the Toyne Family, David lost his brother Glenn, his father Dooley, and his nephew Jason. Our hearts go out to the Toyne family, and we wish to thank David and Kris for their unwavering commitment to the Sedgwick County community.

ATTENTION OPEN CLASS FAIR EXHIBITORS

Thank you for exhibiting at previous Sedgwick County Fairs. We are looking forward to the 2024 Fair and hope that you will exhibit again this year. Get a friend to exhibit with you and help increase the number of entries in the Exhibit Building.

Once again, we are encouraging exhibitors to complete the pre-enter by either submitting your entry form to the Extension Office by 12:00 p.m. Friday, July 18th, 2025 or mailing it to the address on the form. Extra forms are available at the Extension Office, or you may tear out and/or copy the entry form in the Fair Book. List all of your possible entries in each Department – it is much easier to delete an entry that you are not able to exhibit than to add entries the day the entries are taken.

Pre-entering makes exhibit day go much smoother for the superintendents as exhibit labels are pre-printed and all that is needed is to put the label on your exhibit(s). It is very simple to complete the entry form. Simply reference the Fair Book and list each exhibit on the Pre-entry form. A new form is not required for each Department, Contest or Event.

Remember to pick up all exhibits and premiums on

Sunday, July 28th, 2024, 9:00 a.m-12:00 p.m.

Any entries not picked up will be forfeited.

If you have any questions concerning completing the entry form, please call Ashley Baker 970-520-0619, Anne Sittner 970-580-5448, or Devon Sheils 720-568-0394.

OPEN CLASS GENERAL RULES

1. Pre-entry forms will be available in the Extension Office.
2. If not pre-entered, the form must be completed by the exhibitor at entry time.
3. No exhibit may be entered in two classes. Articles entered for a single premium **CANNOT** compete for a display or in a group.
4. Exhibits **MUST** never have been shown for a premium at a previous Sedgwick County Fair. Exhibits cannot be exhibited more than one year.
5. Exhibitors are limited to one entry per class. Responsibility for correct entry lies with exhibitor and superintendent.
6. Each entry in a collection or group exhibit must have a tag or a sticker attached with exhibitor's number to avoid articles getting separated or lost.
7. Articles of interest may be entered for display only and NO premiums will be awarded.
8. Addition of classes deemed necessary by the superintendent will be made at the time of entering exhibits. In order to add a new class the day of entry, there will need to be a minimum of three (3) exhibits to create a new class.
9. Decisions on placings of qualified exhibits are entirely those of the judges and shall be considered final. Judges are instructed to judge and place each and every exhibit on the quality of the entry and place it accordingly. **Note: Just because there is only one exhibit in a class does not automatically qualify it for a 1st place.**
10. The **AMERICAN SYSTEM** of judging will be used – 1st, 2nd, 3rd or participation to be awarded, not having more than one of each placing in a class with the exception of participation.
11. Each qualified exhibit will have a 1st, 2nd, 3rd or participation placing.
12. Exhibitors who are discourteous to the judges or superintendents shall forfeit all premiums and be excluded from competition in that department for that year.
13. Open class exhibits are not limited to Sedgwick County residents.
14. Every Participant in consideration of their entry being accepted by Sedgwick County Fair specifically represents that no exhibit entered therein by the Participant is misrepresented in any way. Every Participant agrees to submit the entry for any inspection deemed appropriate by Sedgwick County Fair, and further specifically agree that the conclusion reached by Sedgwick County Fair shall be final and conclusive without recourse against Sedgwick County Fair. Every Participant, by entering a project/item/entry for exhibit there by releases Sedgwick County Fair from all claims or demands whatsoever arising from any cause or happening in connection with the inspection of any such exhibit or ruling or action taken by reason of the conclusion by Sedgwick County Fair under terms of this rule. In the event any such exhibit is declared to be in violation, Sedgwick County Fair may disqualify and impose such penalties, in addition to the penalties prescribed by law:
 - a. Permanently bar such exhibits from competition at the Sedgwick County Fair
 - b. May bar the Participant from entering such exhibits, the Participants family, representative or agents or any or all of them from any further participation in the Sedgwick County Fair
 - c. Submit name and address of Participant and action taken against Participant to other cooperating Exhibitions, Shows, and Sales, effecting eligibility.

MARKET

1. All pigs will be farrowed on or after January 1, 2025.
2. Any animal showing signs of lice or mange will not be allowed on the fairgrounds.
3. Due to increasing threat of disease in swine and the vulnerability of swine in general, the Sedgwick County Fair Board has ruled there will not be a spring weigh-in for the 4-H/FFA market swine projects in Sedgwick County. All male market swine must be castrated by the Proof of Ownership deadline.
4. Market Swine will be weighed at the Sedgwick County Fair on July 23, 2025, for show class placing and sale weights. Because we will have no record of a beginning weight for each exhibitor's swine project, there will be no rate of gain award for swine at the Sedgwick County fair.
5. The Sedgwick County Fair minimum weight for all market swine will be 220 lbs. with a maximum weight of 300 lbs.
6. Underweight swine weighing 219 pounds or less will be able to show in the swine show they will not be eligible for champion or able to sell at the Junior Livestock Sale.

Superintendent: Dalton Carlson

*=New or revised rule

Sheep/Goat Health Requirements

Sheep/Goats with lesions of ringworm with resulting loss of wool and/or sores that are not completely healed (with wool regrowth) will not be permitted to exhibit. **If signs of dermatitis, lesion, and/or fungus (ringworm) are visible, animal(s) will immediately be removed from the Sedgwick County Fair Grounds.**

A certificate of veterinary inspection should **accompany a bill of sale for all breeding sheep and goats imported into Colorado.** This certificate shall contain identification numbers of each animal. Acceptable identification includes ear tags approved by the U.S.D.A. for scrapie identification, and registration tattoos in Goats when accompanied by a certificate of registration from a goat breed registration association. This information should be presented to the Extension Office by **May 1, 2025**, the proof of ownership deadline for all breeding animals.

Scrapie

Scrapie is a fatal degenerative brain disease, which affects sheep and goats. It was accidentally introduced into the United States and was observed in Colorado in the late 1940's. Symptoms include weight loss, tremors, loss of coordination, swaying or wool pulling. In an effort to control the spread of the disease in sheep and goats, the federal government is requiring every sheep and goat producer to register their flocks/herds, receive a premise number and tag their animals according to the following criteria:

- All sheep 18 months of age or older
- All breeding sheep regardless of age
- Sexually intact show and exhibition sheep and goats
- All goats 18 months of age or older that are to have been commingled with sheep
- All sheep and goats that have originated from an infected flock or herd.

Registered meat and dairy goats with no sheep contact may use tattoos with Breed Registration Numbers. Identified sheep and goats may have several ear tags, depending on how many premises from which they have been moved or sold. Tags must accurately reflect the premises on which the animals have been commingled with other sheep or goats.

Cull breeding sheep and goats destined for slaughter will be tested for scrapie, with the ID tags collected and used to trace back an infected animal to the source of the infection. Buyers and sellers of sheep and goats should maintain records of purchases and sales of all animals for five years. Keep the name, address and phone number, the premises ID number and the specific animals bought or sold on any given date.

THE SEDGWICK COUNTY FAIR REQUIRES ALL SHEEP AND GOAT MARKET AND BREEDING ANIMALS TO HAVE A SCRAPIES TAG BY THE SPRING WEIGH-IN, REGARDLESS OF AGE OR SEX OF THE ANIMAL.

THE SEDGWICK COUNTY FAIR ALSO REQUIRES ALL MARKET SHEEP AND GOATS TO BE CASTRATED OR BANDED BY THE SPRING WEIGH-IN.
