Welcome to furnitureforfuneralhomes.com

We've spent nearly 20 years serving the funeral industry nationwide with professional, fully-custom interior design. In that time we've had the privilege of serving well over a hundred funeral homes from various geographic areas, different cultures and with different economic abilities. And while we love providing owners with full-service interior design, from front of the house to back of the house - from floors to ceilings, we also want to serve the broader community of funeral homes, by offering professionally designed, entire rooms full of furniture, *without actually having to hire a designer*. We've used our expertise to pull together furniture collections where you, the owner, can browse for the pieces you need to complete your space. Create an entire room or entire facility with furnishings at the right price - already designed - and available to order. We've combed through hundreds of furniture and furnishings items to professionally curate our collections. From carpet and LVT to furniture and fabrics for your window treatments, each piece within a collection is meant to work seamlessly with another. No guesswork. Just find a collection that best suites your brand and tastes, choose the items that work for you, complete the request for quote form and we'll provide a quote. It's that easy. Our collections are shown both in print and for download online at furnitureforfuneralhomes.com. And for further help, we've added paint color selections and other design advice on our website.

All products shown have been carefully selected for the funeral industry. Arm height and seat height are appropriate for all age groups. Seat cushions are crafted with commercially viable materials that will hold-up over time. Furniture finishes are done with a several step process ensuring many years of enjoyment. And all furnishings come with their own manufacturer warranty. That's peace of mind.

We want to make the buying decision easy, but it doesn't stop there. Shipment of items will either come UPS, FedEx or Common Carrier. For common carrier items, we'll arrange white glove delivery so you can expect items to be delivered inside your funeral home and placed according to your requirements.

Thank you for interest and happy browsing!
