

Four Healing Paws Rescue

2020 Annual Report

Our Mission

- We are a nonprofit organization specializing in helping the most at-risk neonatal kittens in the Philadelphia area. Every kitten season, thousands of orphaned kittens flood through the shelter doors. Our mission is to rescue as many kittens as we can each season to give them all a chance at finding the purr-fect family.

Some animals we've rescued this year.

Fosters of ALL ages!
